EVENING NEWS.

Monday, October 7, 1878.

BY TELEGRAPH.

Last Night's Dispatches.

EASTERN.

The Renegade Indians—Still Pursued by U. S. Troops.

OGALLALA, Neb., 6.—Four stock men, who went from here as guides with Col. Thornburgh, returned this evening. They report that Thornburgh was still after the Indians. When they left his command, at 4 p.m., yesterday, they had traveled 20 miles without any water, and no signs of reaching any for 25 miles further. The Indians made directly west, then turned and traveled south towards the Platte River, abandoning horses every few miles, leaving them with pack saddles on their backs, being too closely pursued to take time to unsaddle them.

Another courier arrived at Big Spring this evening with a dispatch from Thornburgh, saying the Indians had scattered all over the country, and were abandoning ponies every few miles; also reports his own stock very tired, abandoning some on the way.

Camp Robinson, Neb. 6.—About 5.30 this evening, a soldier courier arrived from Camp Sheridan with telegraphic dispatches. He stated that when nearing Dead Horse Creek, about 25 miles from this post, a little after noon, he met some cattle men, who excitedly informed him that the Indians had crossed the Sheridan road, a mile distant, an hour previous. Having come to the point where the Indians where said to have crossed, he distinctly saw their trail. This point has been repeatedly mentioned by several well-known old frontiersman, residing in this vicinity, as the most likely point the hostiles would pass. The courier also states that the cattle men informed him that the Indians had a large herd of ponies with them, and were traveling rapidly in the direction of Red Cloud's new location on White Clay. This may not be the main body of the Cheyennes, but we have very little doubt it is their advance guard.

Omaha, Neb., 6.—Dr. Graff of this city, who has just returned from Camp Brown, Wyoming, says that at least 150 Arapahoes have left their reservation in that vicinity in twos, threes and fours, within the last two or three weeks, and have gone in the direction of the Black Hills. Fifty Cheyennes have also disappeared in some way from the same locality. It is thought that these Arapahoes and Cheyennes are gone to join the band now on its way north. The Arapahoes are fierce and determined warriors. It is generally believed, by well posted men, that we are on the eve of a general Indian war, notwithstanding it is so late in the season. At last accounts, Thornburgh's command was still following the Cheyennes, who passed Ogallala. Thornburgh is not an experienced Indian fighter, having very recently been transferred to active service at his own request, from the paymaster's department, and fears are entertained that if he overtakes the Indians he will be badly whipped, and if he is not careful, will be drawn into an ambuscade. Capt. Mauck's command was ten or twelve hours behind him, and is expected to join him soon.

A dispatch received here this evening, from Sidney states that it is reported there that Thornburg had captured 250 Indians, and was returning. It is claimed that a courier brought in the news, but not much stock is taken in the report, though it may be true.

Later—The report that Thornburgh had made capture of the Cheyennes lacks confirmation. He was, however, close to them this morning, but they gave him the slip, as it was very foggy, and probably saw his command without themselves being discovered. This was not more than 30 miles north of the Union Pacific. The Indians abandoned several played-out horses, and places where they had thrown up small breast works were found. Thornburgh is pushing ahead rapidly on a fresh trail, and is gaining on them.

Yellow Fever Reports—The Pestilence Still Spreading.

MEMPHIS, 6.—The weather is clear and cooler. The board of health report 23 deaths occurring in the city for the past 24 hours ending at 6 o'clock. Undertakers report 12 interments outside of the corporation lines.

Grand Junction, Tenn., 6.—One new case and one death here today.

At Lagrange, Tenn., the state of affairs is most distressing. There are now under treatment about 50 cases, and the deaths to-day were six. There is great need at that point of money and provisions for both sick and well, as the stock on hand is about exhausted.

The Touro Infirmary and Hebrew Benevolent Association make the following appeal to the Israelites of the United States:

"We have never obtained any funds from home associations except by specific instructions. We have in continual employment 13 physicians; provide for 30 orphans outside of the asylum, and attend to and entirely support over 500 sufferers. We have not sufficient funds to carry us through 10 days. The destitution is greater than ever, and will increase for a month longer. We therefore appeal to the Israelites of our country to aid promptly in the unparalleled calamity.

(Signed) "CHAS. SIMON, Acting Pres't.,
ERNEST F. FLORENCE, Secretary."

In the following reports the deaths and new cases for the past 24 hours, unless otherwise stated.

Dondaldsonville, 6. — Three deaths.

Bay St Louis, 6.—Nine new cases and four deaths.

Morgan City, 6.—Twenty new cases to-day, over 140 down.

Jackson, Miss., 6.—Yellow fever epidemic here. Fifty cases to date. Nine deaths, all white.

Cayka, 6.—Nine new cases and one death.

Washington, 6.—Surgeon General Woodworth, of the marine hospital service, to-day, received a telegram from Holly Springs, stating that the total number of deaths at that place, from yellow fever, to-date is 238. The total number of cases cannot be accurately reported now. The sender, who is chairman of the relief committee, says: "Our situation is indescribable, and none would believe it unless they saw for themselves. I am the only citizen who has not had the fever, and almost daily my office has been swept of clerks, messengers and other employees. There is great destitution among the people, and we are using every means to prevent suffering. You have been exceedingly kind to us and I will here express our deep and lasting gratitude."

Port Gibson, 6.—The fever is increasing alarmingly in the country.

New Orleans, 6.—Cloudy, threatening rain. The following is the report of the board of health, for the twenty-four hours ending at noon: deaths 59; new cases, 182; total cases, 18,485; total deaths, 3,171. The Catholic relief association acknowledge the receipt of a magnificent donation from Cardinal McCloskey in the shape of a check for $5,000.

Condon, the Fenian.

CINCINNATI, 6.—Condon arrived here this morning. The train was boarded at Cumminsville by his mother, sisters and brothers, and the greeting, after 12 years separation, was very affecting. He will have a public reception to-morrow.

$50,000 Fire.

PATERSON, N. J., 6.—The Passaic Rolling Mills were burned last night; loss $50,000; insured. Three firemen were severely injured.

A Stabbing Affair in a Catholic Church.

NEW YORK, 6.—The worshippers at 8 o'clock mass, this morning, in St. Francis Xavier's Church, were startled by seeing a man approach a woman in one of the centre pews and plunge a large knife into her body without a moment's warning. The would-be assassain then fled from the church, followed by about 100 of the congregation. He was at length arrested. The woman was, meanwhile, taken to the hospital and found to be suffering from a severe and deep cut in the abdomen. Her name is Mary Logan, laundress of the Hoffman House. The prisoner's name is John Carpenter, aged 33, living at the corner of Grand and Clinton Streets. Carpenter, who has been separated from his wife for some time, went to church this morning, knowing her to be an attendant there, intending to kill her, but being half drunk, mistook Mrs. Logan for her and plunged the knife into her.

Fatal Stabbing.

WASHINGTON, 6.—A colored man named Stone, yesterday, killed his wife with a razor, and made a savage attak upon his sister-in-law with the same weapon. She lies in a dangerous condition. Stone was arrested.

FOREIGN.

BRITISH AMERICA.

$30,000 Fire.

PARK HILL, Ont., 6.—A fire this morning destroyed the post office, telegraph office, and several adjoining buildings; loss $30,000; partly insured.

Fatal Steeple-Chase.

MONTREAL, 6.—At a steeple-chase, yesterday, Dr. Murcatt, of Ottawa, was thrown from his horse and killed; Pennneston had his arm broken, and McLaughlen his wrist fractured.

GREAT BRITAIN.

The Afghanistan Difficulty.

LONDON, 6.—A dispatch from Bombay says: The troops have been ordered to advance from Dera Ghazikhan, thus threatening Afghanistan from a new point. It is reported that dissensions have broken out among the great Afghanistan chiefs. The Ameer has asked the tribal councils for assistance. It is believed that the tribes, mustering 150,000 fighting men, have assented. The other tribes, with about 35,000 warriors, remain neutral. The Ameer has freed from prison his son Yakoubkhan, who is a noted general. The whole garrison of Peshawur is marching against Ali Musjid. It is even reported to-night, that the place has been captured. The government will issue a proclamation announcing its intentions on Monday.

A Bombay dispatch says: It was intended to attack Ali Musjid on Monday. An Afghan army is proceeding to Koorum.

A dispatch from Darjeeling, says: 200 men of each regiment at Peshawur and the horse artillery, with 40 powder battries, have gone to Lamaood. It is reported four Afghan regiments, with 6 guns, advanced to the north of the Thukkhybee Pass. Many white and sepoy regiments are hastening to the frontier. The Commissariat arrangements cause grave complaints.

The *Times*, summarizing its Indian advices, comes to a conclusion relative to the probable course of operations similar to that in the *Standard's* article. It says it is not considered expedient to hazard an advance on Candahr at present, unless an opportunity for a *coup de main* offers, which is not improbable.

A dispatch from St. Petersburg says: "If the Ameer is beaten, and his territory annexed by England, Russia will occupy Merv and Ebalkh in southern Turkestan, near the Afghan borders.

A dispatch from Simla says: The Ameer has detained a native emissary from the Viceroy, till 28th of Sept., to carry an answer to the Viceroy's letters. It is reported that only two subordinate officials of the Russian mission remain at Cabool. It is believed that the Ameer will repudiate the acts of the commandant of Ali Musjed, but his agreement to the British terms is improbable.
