HERBERT HELD FOR FRIESE MURDER

Preliminary Hearing in Wasatch County—North is Discharged.

PARK COMMISSIONERS' PLANS.

Huntsville Election Was Legal, Says Judge Howell—Mass Meeting Tonight to Plan Relief.

Ogden, Jan. 17.—Sheriff Sebring, Atty. V. L. Maginnis and Dr. Morrell have returned to Ogden from Wasatch county, where they went as witnesses and attorneys in the preliminary hearing of Don Herbert and Frank North, charged with murdering Theodore Friese at Heber City two weeks ago. The justice of the peace before whom the preliminary hearing was held bound Herbert over to answer to the district court and discharged North.

There are many peculiar phases of this case which do not look just right to Sheriff Sebring. The defense obtained a change of venue from Heber City to Charleston. The state was represented by County Atty. Hatch of Wasatch county and W. L. Maginnis of Ogden, while the defendants were represented by the father of the public prosecutor, a very able lawyer, throughout the entire trial since the arrest of the alleged murderers, although charged with murder in the first degree, neither defendant was locked up in jail but was permitted by Sheriff Sebring to walk the streets.

The prosecution believe that the evidence, which showed that Friese was shot by Herbert, who shot him through a window, was very convincing against North, as a party to the crime, and Sheriff Sebring stated at night that they now ask for a grand jury to investigate the charges against North so that justice may be done in the case. At the coroner's inquest Herbert was also exonerated, the jury bringing a verdict of justifiable homicide.

PARK COMMISSIONERS.
Ogden, Jan. 17.—The board of park commissioners has designed considerable work and improvements to be made at the three city parks this year, providing the city fathers will consent to the expenditure of \$15,000 for the proposed work.

The greatest improvements are planned for the city hall park. It is proposed to put on the city hall corner a beautiful electric drinking fountain, to cost \$1,500; to grade up the southwest corner and plant it in grass and beautiful flower beds; to place at different points on the block, 11 iron electric arc light poles, and to plant about 400 worth of trees and shrubbery. These proposed improvements at the city hall park would make of the block a beautiful place and the cost would amount to a little over \$6,000.

At Lester park they propose to spend about \$5,000 in pulling the west half in good shape. The improvement mapped out for Liberty park would consist of five iron arc lights and the planting of many new trees and shrubbery at an expenditure of about \$3,000. The making of a provision for the appropriation of the necessary funds, will come up at the next meeting of the city council.

ELECTION CONTEST DECIDED.

Judge Howell Holds Balloting at Huntsville Was Legal.

Ogden, Jan. 17.—Judge Howell has rendered his decision in the Huntsville election contest case, deciding in favor of the defendants in the action, holding that the election was legal and that the city officials who this month assumed the various city offices were duly elected according to law excepting as to John Felt, Jr., who was declared by the election judges duly elected. On some of the ballots appeared the name of John Felt and John Felt, Jr., which was intended for one and the same person and the election judges counted all the ballots for John Felt. Judge Howell held, however, that these ballots must be counted separately, as they were two different names.

and in counting so, John Felt, Jr., did not receive as many votes as George Ferrin, so the court held that Mr. Ferrin was duly elected. The contest of the election has caused considerable of a stir in the little city. The city officers declared elected are: Neil Loftgren, mayor; W. J. Browning, recorder; Mrs. Kunz, treasurer; A. J. Anderson, justice of the peace; Albert Engstrom, marshal; P. M. Jensen, councilman, four-year term; C. C. Wanggaard, George E. Fernin and Alma Peterson, two-year term.

MASS MEETING TONIGHT.

To Formulate Plans for Relief of the Unemployed.

Ogden, Jan. 17.—Tonight the mass meeting will be held at the city hall by the mayor and city council to which everybody is invited to devise means for providing employment for those out of work, who need work to get means for the support of their dependent upon them. The city fathers are desirous of getting the ideas of the tax payers and public in general on this important question before deciding on any definite plans. The meeting will be commenced at 8 o'clock and all who can are urged to be present.

ARRESTED HIS ASSAILANT.

"It was your turn yesterday, but it's mine today," were the words uttered by a man named De France yesterday afternoon as he poked a gun in the face of E. P. Quinn and told him to hold up his hands. Wednesday evening Quinn met De France and asked him for a meal; being refused he struck De France two heavy blows in the face. The latter reported the matter to the police, but they could not locate him, so the police told De France to go out and see if he could find him. He located Quinn in the depot yards and at a point of a gun marched him ahead through the yards, depot and up Twenty-fifth street when he turned him over to an officer. Quinn will be charged with assault.

CALLAND PLEADS GUILTY.

C. H. Calland, the absconding Short Line claim agent, who is alleged to have forged the name of C. A. Henry to certain papers, and evaded arrest for a long time, but finally gave himself up to the Denver police and was brought back to Ogden, went before Judge Howell and withdrew his plea of not guilty to the charge of forgery and entered a plea of guilty. The date of sentence was set for Saturday morning at 10 o'clock. It was thought at first his friends would come to his rescue and pay back the money he got away with, and endeavor to have the case dismissed, but that was almost impossible, and as Wyoming officers wanted him he pleaded guilty.

ANSWER IN DIVORCE SUIT.

John Kammeyer has filed a somewhat unusual answer in the district court to the complaint of his wife, Irene Kammeyer for a divorce. He admits that he has not treated his wife

as he should do, but sets forth that he is of a nervous temperament, but that he was justified in not treating her right because she provoked him, by having her relatives around her home, and they have not treated him right. He alleges his wife was extravagant and wasteful, incurring debts that he has been unable to meet and that if he was required to pay all money and attorney's fees out of his small wages, he could not pay his just debts. He asks that the suit be dismissed.

LOGAN. CONSOLIDATION OF SCHOOLS.

Big Orchard Company Formed—Old Folks Entertained—Weddings.

Special Correspondence.
Logan, Cache Co., Jan. 16.—Supt. J. L. McCahey of the Cache county schools has now under way a plan that is meeting the approval of a large number of people in the county to the effect that all the school districts in the county be consolidated under one large district, this large district to be under the direction of a school board consisting of five members. It can be seen that by so doing a great saving could be had by doing away with the local trustees, there being three in each district in the county. It is the contention that the taxable property of the county should be taxed to educate the county children. At present the districts are very unevenly divided as to the amount of property that is assessed for school taxes. The amounts levied are very high in some while low in others, and it is held that the change would be saving to all districts through the purchasing of school supplies, etc. Some of the school districts are not at all favorable to this plan, but the majority, however, can see the benefits that could be derived and will do all they can to aid Mr. McCahey in the work begun.

OLD FOLKS ENTERTAINED.

The old folks of Cache stake were given a good time by attending the "Passion Play" at the electric theater

yesterday afternoon. There were two performances given and at both the building was filled to capacity. The old folks came in from Bonanza, Providence, Hyde Park and Greenville. This entertainment given to the old people was due to the efforts of the old folks' committee and the management of the theater.
