Circulation of National Banks.

The comptroller of currency reports that the amount of United States bonds on deposit, as security for the circulation of national banks, on the 1st of May, was $340,732,000; an increase of $3,000,000 since November 1st. Reported Railroad Disaster.

CHICAGO, 30.—The *Times* Bloomington special says reports have been received there, to-night, at the telegraphic headquarters of the Chicago, Alton and St. Louis railroad, which say that a terrible accident happened near Chicago about six this evening. As the switch engine of the Chicago, Danville and Vincennes was coming out of Chicago, and when at 26th Street, the engine jumped the track from some unknown cause, and was completely overturned. Eight or ten passengers were on the engine, none of whom had time to jump. Five are reported killed and lying under the ponderous locomotive; two escaped with terrible injuries, one of the engineers having both legs broken. One of the killed was the fireman of the engine, and another the Chicago and Alton operator at Danville Crossing, named Fahey.

Up to a late hour, owing to the distance and muddy roads, nothing of this could be learned in Chicago.

Strike of Coal Miners.

CINCINNATI, 30.—A *Commercial* special says 400 coal miners of New Straitsville struck, to-day, against a reduction of the price of mining to thirty cents per ton. The strikers marched to Shawnee, and tomorrow from both those places go to Nelsonville. Trouble is expected.

Trouble in Victoria.

A Victoria press dispatch says the troops and a gunboat have left for the Wellington Mines.

A bitter controversy has resulted from the Roman Catholic bishop's phillipic against the public schools. The newspapers are occupied with the discussion.

FOREIGN.

GREAT BRITAIN.

Good Advice—Keep Cool.

LONDON, 30.—The *Times* continues to deprecate unnecessary alarm, and says even if we had the most positive assurances that Russia intended to besiege Constantinople, there would be ample time to take the needful precautions long after her army crossed the Danube. But to assume that the Russian leaders have any such design is to suppose they have taken leave of their senses. It is not Turkey alone they would have to meet, nor Turkey and England, but the whole of Western Europe. We may safely assume that Russia is not altogether devoid of common sense, and meanwhile we may keep ourselves cool.

Proclamation of Neutrality.

The Queen issued a proclamation stating that she is determined to maintain a strict and impartial neutrality in the war between Russia and Turkey, and commanding her subjects to abstain from violating the laws relating thereto. Then follows the English statute instituted to regulate her Majesty's subjects during the existence of hostilities. The proclamation concludes with an admonition to British subjects not to disobey the command at their peril.

Gladstone Thinks England has Just Cause of Complaint.

In the House of Commons, Gladstone gave notice that he should introduce five resolutions in effect that England has just cause of complaint of the conduct of the Porte. Reference is made to Lord Derby's dispatch of last September, relating to the Bulgarian massacres, and the resolutions proceed to declare that until there is a change of conduct and guarantees be given, the Porte has no moral or material claim to the support of the British crown. That in the midst of complications, and with war actually begun, the House earnestly desires that the influence of England in the councils of Europe be employed for the effectual development of liberty and local self-government in the disturbed provinces, and harmonious action among the European powers, with a view of exacting such means of government from Turkey as are necessary for purposes of humanity and justice, for effectual defense against intrigue, and for the security and peace of the world. Gladstone stated that the resolutions would be submitted solely on his own responsibility.

Sir Stafford Northcote appointed Monday next for the debate on the resolutions.

Eastern War News.

The Russians, having concentrated their siege train, have attacked the Turks before Kars. The battle commenced at day break on Sunday. The details are momentarily repeated.

Muktar Pasha is in Kars.

The Turkish Black Sea squadroon will not attack Odessa.

Five thousand Russians are busy repairing the inundated railways.

The Austrian Archdukes, Albrecht and Wilhelm, are expected on the Croatian frontier to inspect the garrison. This is considered to augur important events.

Engineers are adapting the Roumanian to the Russian railway gauge. This will first be done from Mirachilists to Busco.

The Roumanians killed eight and wounded eleven fugitive Jews near Guergevo.

The Czar has telegraphed the Prince of Montenegro: "I am fully resolved this time to realize the sacred mission of Russia and of my predecessor. God will aid us."

The Roumanians have re-occupied Kalafat.

Correspondence is progressing between Italy and Turkey in consequence of the refusal of the latter to permit Russian subjects to remain under the protection of the Italian consuls in places where there are no German consuls. The return of the Italian ambassador to Constantinople will be delayed some time.

The Russians are building a bridge over the Danube at Ibrail.

A dispatch from Bukharest, dated Monday, says the Russians are advancing very slowly. The left wing rests at Reni.

The Grand Duke Nicholas will establish his headquarters at Jassy, to-day, whence they will afterwards be advanced to Ploesti.

It is reported that the Turkish gunboats have left the Lower Danube, fearing torpedoes and the Russian heavy artillery. It is believed that the slow movement of the Russians is due to the intention to give the Turks ample time to reflect upon their present situation. A special from Odessa says by orders received on Saturday, Odessa has been declared in a state of siege.

A special from Galatz reports that the passage down the Danube is now impossible, owing to the obstructions placed by the Russians at the mouth of the Pruth.

An Alexandria correspondent says great excitement prevails at Jedda and all the towns of Arabia. Recruiting and drilling are progressing everywhere, and large numbers are volunteering.

The Sheriff of Mecca sends the Sultan 4,000 fully equipped troops.

A Paris despatch states that the cause of the suspension of the *Golos* was an article declaring the necessity for making a vigorous war against the Russian administration as well as against Turkey, so as to suppress the abuses and robberies which were the principal causes of Russia's defeat in the Crimea.

A dispatch from Vienna says the Sultan has declared that he will not unfurl the Standard of the Prophet to arouse the Ottoman feeling until all other means of defence has failed.

A Russian general says the Russians are fully prepared to sacrifice 30,000 men in forcing the passage of the Danube, should circumstances compel them to immediate action in that direction.

The Porte and the Khedive.

The Under Secretary for the foreign department said the Porte had asked the Khedive to send assistance. The Khedive promised to do so, and to place his contingent under their command, but that none of the revenue pledged to creditors would be touched. The assistance of the Porte, therefore, depends on the amount of contributions for that purpose. It is believed that a number of Egyptians are already on the Danube.

The Queen had a council at Windsor Castle this afternoon. After the council all the ministers returned to London.

FRANCE.

Nurses and Ambulances.

PARIS, 30.—A convoy of nurses and ambulances, sent out by the International Society, has started for the seat of war.

The Porte Will Protest.

A protest is being drawn up by the Porte respecting the alleged commencement of hostilities by Russia previous to a formal declaration of war. Several Turkish consuls are unable to return home in consequence.

BRITISH AMERICA.

Excitement About the Late Fire.

MONTREAL, 30.—Intense excitement exists regarding the negligence of the watchman at the burned Oil Cabinet Company's works. He makes contradictory statements, and is held by the coroner. The latest returns show nine killed, and ten wounded, who are doing well. A public meeting will be held to take steps for providing for the orphans.

The city council, to-day, decided to pay the funeral expenses of those killed at the fire, and to attend in a body. On the Corn Exchange this forenoon over $1,000 was subscribed for the relief fund. A sacred concert will be held in aid of the widows and orphans. The Odd Fellows, Freemasons and Orangemen had a special meeting, to-night, to consider the best means to benefit the bereaved families.

RUSSIA.

Russia and Turkey—The Czar's Birthday, etc.

ST. PETERSBURG, 30.—Notwithstanding Turkey's action, Russia unhesitatingly permits Ottoman subjects to remain in Russia under British protection.

The Czar's birthday was celebrated yesterday with unbounded enthusiasm and loyal demonstrations throughout the empire.

The municipality of St. Petersburg voted a million and a half of roubles for the wounded.

TURKEY.

Must Leave.

CONSTANTINOPLE, 30.—The Porte intends to issue a notice that the Russian residents in Turkey who are unwilling to submit to the Ottoman laws must leave Constantinople within eleven days, and the provinces within twenty-one days.

A Sure Cure for the Piles.

A sure cure for the Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William (an Indian remedy), called Dr. Williams' Indian Ointment. A single box has cured the worst old chronic cases of 25 and 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electuaries do more harm than good. Williams' ointment supports the tumors, gives instant and painless relief, and is prepared exclusively for Piles, and nothing else. Over 20,000 cured Patients attest its virtues and Physicians of all schools pronounce it the greatest contribution to medicine of the age.

WENT TO THE NOTED HOT SPRINGS.

Cleveland, O., Dec. 27, 1876.

DEAR SIR:—I suffered more or less for years with the itching of ulcerated Piles. I tried remedy after remedy advertised in the newspapers, and consulted physicians in Philadelphia, Louisville, Cincinnati, Indianapolis, and this city, and spent hundreds of dollars, but found no relief and comfort until I obtained a box of Williams' Indian Ointment some four months ago, and it has cured me completely. I had a part of the box left which I gave to a friend of mine who had doctored with many physicians without relief, and as a last resort went to the noted Hot Springs, of Arkansas, for treatment. He informs me that the Indian Ointment has also cured him of the piles. It is certainly a wonderful discovery and should be used by the many thousands who are now suffering with that dread disease.

JOSEPH M. RYDER.

For more certificates of cures see large circular around each box of ointment.

Old Bounty Land Warrants.

The last Report of the Commissioner of the General Land Office shows 2,887,500 acres of Bounty Land Warrants outstanding. These were issues under act of 1855 and prior acts. We pay cash for them. Send by registered letter. Where assignments are imperfect we give instructions to perfect them.

Each department of our business is conducted in a separate bureau, under the charge of experienced lawyers and clerks.

By reason of error or fraud many attorneys are suspended from practice before the Pension and other offices each year. Claimants whose attorneys have been thus suspended will be gratuitously furnished with full information and proper papers on application to us.

As we charge no fee unless successful, stamps for return postage should be sent us.

Liberal arrangements made with attorneys in all classes of business.

UNITED ORDER RULES.

HAVING had frequent enquiries for copies of the "Rules that Should be Observed by Members of the United Order" since the first edition of the same was all sold, we have lately printed an authorized edition on fine fancy colored paper, on a sheet 12½ by 20 inches, suitable for framing or mounting on a stretcher and hanging up in the houses of the Saints.

They can be had at this Office, or mailed to any address for

10 Cents per Copy.
