LOCAL NEWS.

To His Advantage. - William Strong, of Company E. Mormon Battalion, can hear of something to his advantage by applying to Dr. Taggart, No. 76 w Second South Street, Salt Lake City.

Langtry's Prices .- The Herald of this morning slightly errs in stating that Mrs. Lanatry's prices in San Franclaco tere \$2.00, \$1.50, etc. Mrs. Langtry has not yet been to San Francisco, but will go there after her Sait Lake engagement. The list of prices given by our contemporary is correct, such as will be charged at the Bush Street Theatre. For Salt Lake the highest rate is reduced to \$1.50.

On the Way .- The missionaries to the East Indies, EldersWilliam Willes. Henry McCane and Milson Pratt, with Dr. George H. Booth, left for the East Indies yesterday afternoon by the 3.55 train. They go by way of the Central Pacific to San Francisco, and thence take passage with the Facille Mall Steamship Company to Calcutta. The brethren are in good health and spirits, full of hope for the important mission to which they have been called. Our best wishes for their safety, happiness and success go with them.

Woman's. Work .- Sisters M. 1 llorne, "E. S. Taylor and Louie Felt left this morning for Millard Stake, to be gone twelve days, visiting the Relief Societies, Y. L. M. I.A. and Primary Associations in the settlements there. Sisters Elizabeth Howard and Louie Wells took this morning's train for Brigham City, to visit the Young Ladles Conference and fair of the Box Elder Stake of Zlon.

Primary Association of this city was held yesterday. Sisters E. R. Snow indth, Hannah T. King, E. S. Clawson and others were present.

DEMOCRATIC CONVENTION. In the Territorial Democratic Convention yesterday afternoon, after the committee on credentials had reported, the following were appointed a com-

mittee on platform: W. C. Hall, E. D. Hoge, F. H. Dyer, J. G. Tyler and J. R. Wilkins. Here is their report:

Col. Merritt held that the platform was intended as a declaration of prin-ciples. The statement that John T. Caine was not a Democrat could not be viewed in that light. Hopt Must Go .- The attorneys for Hopt, Messrs. Sulder & Van Horne, have worked like beavers for their client, and deserve all due credit for doing their duty by the doomed man. But all their efforts have so far proved unavailing. Even their last resort, an appeal by telegraph to the Supreme Court of the United States, for a stay of the execution until the review of the case in that Court, has falled. An answer came yesterday evening from Hou. Samuel F. Miller, one of the U. S. Supreme Court Justices, to the effect that he had no authority to make an order in the Hopt case. Another request was then made of acting Governor Thomas, who filed his answer in writing to-day, which is to the same effect as his oral refusal to grant the respite asked for by Hopt's attorneys a day or two ago.

Not Intentional .- The impression deems to have got out from the Item in the NEWS the other evening, in regard to the accident to little Fay Whitney, that the other boy, Harry Kimball, was the intentional cause of the arm being broken. This was not the case, and we much regret if any such inference has been drawn from the account given in this paper. We said that the boy Harry was "the innocent or thoughtless cause of the accident," which is strictly true, but this does not mply that he did it purposely or through malice. All boys are thoughtloss more or less, when at play, and the accident in reference inight have occurred among any crowd of urchins in like manner. We understand that the boy Harry feelsvery badly over the matter, which is quite natural, and while he is not to be censured to the extent some might suppose, we trust it will teach him and all otherboys to exercise a little more

caution in their sports.
