Hot Weather Weakness.

If you feel fagged out, listless and lacking in energy, you are perhaps suf-fering from the debilitating effects of summer weather. These symptoms in-dicate that a tonic is needed that will create a healthy appetite, make diges-tion perfect, regulate the bowels and impart natural activity to the liver. This, iferbine will do: it is a tonic, lax-ative and restarative. It. J. Freegard, Propr. Grand View Hotal, Cheney, Kan, writes. "I have used Herbine for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Newton, Kan." 50c at Z. C. M. I. Drug Dept.

Roosevelt's visit, but they do object to being ordered out every time some or-der decides to have a parade. Tuesday morning members of the afternoon shift reported at headquar-ters before noon, and at 12 o'clock were out leading a procession. By the time they got through it was nearly time to go on their beats, where they had to remain until 11 o'clock that night. They think it is asking too much to call them out on the hot pavements merely for the purpose of making a "showing" for some order, and they think it is about time to call a halt.

SHOCKING GUN EPISODE. As a Result Joel Lowe Lies in a Criti-

cal Condition.

Special Correspondence, Willard, Boxelder Co., June 23 .- A

most shocking gun episode occurred here Friday night, the 19th inst. Two young men, Joel Lowe and Floyd Weils, were invited by young Joseph Dudley to go down to his father's orchard and get some fruit. Ac-cepting his invitation the three proceeded on horseback to the orchard. De Vere Dudley and Clare Barker, two boys about 13 years of age, were in the orchard watching for intruders; each had a gun loaded with sait. They

secreted themselves in a tree and as the young men were passing not knowing who they were, fired upon them at close range. Joel Lowe being in the rear received almost the full effects of the discharge in the back of his head and neck.

The shock was so severe that a par-tial paralysis of the body and concus-sion and hemorrhage of the brain were the result. He lies in a most critical condition, grave fears being entertained for his recovery. The whole com-munity is shocked and horror-stricken at the dreadful occurrence.
