"I was born in Albany fifty-six years ago and have niways lived here. Sometime since I begun to feel out of sorts. I suffered from pains in the body, headache, lack of appetite and sleeplessness and finally was completely laid up in bed with the worst kind of kidney disorder. At that time I had shorting pains in the small of the back and I was so weak I could not sit up even in bed. Indeed, I was complinely in desput, when, as a ministering angel, my wife came to the rescue. She had heard much of a modern discovery, knew of many who had been helped by its use and procured me a bottle of it. Is is an actual fact that before I had finished the first bottle the improvement was so great that I could get out of bed, and in fact I was entirely cursed wholly through the use of Warner's Safe Cure. Any doubter of the efficacy of this great remedy in serious cases of kidney complaint has full liberty to write me and I will answer them with pleasure.

My address is No. 170 South Pearl Street, Albauv, N. Y. I will willingly correspond with any sufferers who are afflicted as I have been and hope that so small an act will be the means of putting others on the
