

GEMS FOR THE CHEMISTOLOGUE.

See front page for full story on Dr. De-

yne's new compound from Dr. De-

yne that it has just manufactured

and fully prepared for market.

It was done at the firm's plant on

the corner of 1st and Main, on Decem-

ber 10, 1893.

It is a new compound and

will be used in the treatment of

various diseases, such as

asthma, bronchitis, etc., and

will be sold at \$1.00 per

ounce.

It will be sold in

small quantities at first, and

will be sold at \$1.00 per

ounce.

It will be sold at \$1.00 per
