TWENTY-EIGHT SIZES  
OF THE CELEBRATED

ARE NOW MADE BY THE

Excelsior Manufacturing Comp'y.,  
ST. LOUIS.

THESE WELL-KNOWN AND VERY POPU-  
LAR COOKING STOVES have been before  
the public since 1852. Each succeeding year  
has added to their popularity, until the name  
has become familiar in every household in the  
West and South. The demand for our

New Charter Oak

last year was greater than we could supply with  
the sizes then made; anticipating a still greater  
demand during the present year, we have made  
patterns for several additional sizes, and are  
prepared to manufacture 120 to 130

CHARTER OAK STOVES

per day, of

TWENTY-EIGHT DIFFERENT SIZES.

We guarantee the operation of every stove we  
manufacture, and offer as reference any one of  
the many thousands that have been sold, wher-  
ever they may be found. Neither labor or ex-  
pense has been spared to make our NEW  
CHARTER OAK a

Perfect Cooking Stove,  
and we offer it to the trade as the BEST CON-  
STRUCTED, MOST DURABLE and UNIFORM  
operating COOKING STOVE in the market.

In addition to our EXTENSIVE STOVE  
BUSINESS we are prepared to offer to Stove  
Dealers, Tinsmiths and others in the trade, the  
largest and most complete assortment of Metals  
and Tinsmiths' stock in the West. Our arrange-  
ment with the St. Louis Stamping Company en-  
ables us to give liberal discounts to large  
buyers of FRENCH STAMPED TINNED  
IRONWARE and Tinsmiths' Supplies. Having  
recently reduced the prices of all articles of our  
OWN MANUFACTURE, we believe dealers  
and housekeepers will find it to their interest  
to send for Catalogue and Price List, and ex-  
amine our prices before purchasing elsewhere.

UTAH TRADE.

JAMES LINFORTH,

COMMISSION MERCHANT

No. 3, Front Street, near Market,  
SAN FRANCISCO, California.

MERCHANDISE and MACHINERY of all  
descriptions purchased or imported for  
UTAH TRADERS on the most favorable terms  
and at lowest current prices.

The proximity of San Francisco to the prin-  
cipal business points in Utah, both north and  
south, affords an opportunity to merchants to  
quickly and frequently replenish their Stocks  
at any season of the year, either by the way of  
Austin or San Pedro.

Many articles of general consumption both of  
Foreign production and California manufac-  
ture, can be obtained at less cost from San  
Francisco than elsewhere.

California and Oregon-made Woollen Goods,  
Blankets, Cassimeres and Clothing, such as  
underwear and Hosiery, are superior to any-  
thing imported and intrinsically cheaper, mak-

CONGRESSIONAL.

SENATE.

Washington, 30.—The joint resolution  
to extend the time for the completion  
of the Northern Pacific railroad was  
amended and passed.

Washington, June 1.—Drake offered  
an amendment to the Arkansas bill,  
providing that Arkansas be admitted on  
condition that there shall be no denial  
or abridgment of the right of suffrage or  
any other right, except that the Indians  
shall not be taxed. After a miscellane-  
ous discussion, several other amend-  
ments having been rejected, Drake's  
amendment was adopted and the bill  
passed; 34 to 8. Adjourned.

Chicago, 3.—Edmunds introduced the  
following resolution in the Senate yes-  
terday morning, which was laid over  
one day, under the rules: Resolved, that  
the States of Virginia, North Carolina,  
South Carolina, Georgia, Florida, Ala-  
bama, Mississippi, Louisiana, Arkansas  
and Texas, respectively shall not be ad-  
mitted to representation in the electoral  
college to vote for the President and  
Vice President of the United States, and  
that no electoral votes shall be received  
or counted from any of such respective  
States, unless as prescribed by law for  
the choice of electors, the people of such  
States shall, pursuant to acts of Congress  
in that behalf, passed since the fourth  
day of March, 1867, have adopted the  
Constitution under which the State  
government shall have been organized  
and shall be in peaceful operation, and  
that such State shall also have become  
entitled to representation in Congress  
pursuant to acts of Congress in that be-  
half.

GENERAL.

San Francisco, 1.—Reports of the  
grain crops are remarkably favorable; a  
rainstorm yesterday may do some dam-  
age to the hay.

Lancaster, 1st.—James Buchanan  
died at Wheatland, to-day, in his 77th  
year.

Washington.—Schofield took posses-  
sion of the War Office to-day; the Presi-  
dent accompanied him and remained a  
few minutes. Gen. Grant subsequently  
had a short interview with the new  
Secretary.

Gen. Schofield arrived to-day; he will  
assume the charge of the War Depart-  
ment on Monday. He will not resign  
his position in the army, but will re-  
ceive leave of absence while he remains  
Secretary of War.

Rear-admiral Turner has been or-  
dered to relieve Admiral Dahlgren,  
now commanding the South Pacific  
squadron.

Washington.—Business in the depart-  
ments, generally, was suspended to-day  
throughout the country; the day was  
spent in decorating the graves of the  
Union soldiers.

Seward, on Friday, informed a lead-  
ing diplomatist that he had tendered  
his resignation; information from other  
quarters confirms this statement.

Boston.—The committee of the city  
council met to-day to invite Mr. Burl-  
ingame and the Chinese embassy to  
visit Boston to accept the hospitality of  
the city.

Chicago, 1.—Specials say that Stone-  
man, now commanding the district of  
Petersburg, being the next officer in  
rank to Schofield will be placed in  
command at Richmond. Rousseau's  
friends are strongly urging him for the  
command. Gordon Granger is trying  
to have Howard sent there so that he  
may have himself placed in command  
of the Freedman's Bureau.

San Francisco, 2.—The election in  
Oregon, June 1st, resulted in a Demo-  
cratic triumph. The Democratic Con-  
gressman was elected by 1,000 majority.  
All the county tickets are Democratic  
except Marion, which gives a Republi-  
can majority of 300. Portland city gives  
21 Democratic majority. Legislative  
and county officers nearly all Demo-  
crats. The nomination of Grant and  
Colfax excited much enthusiasm.

A dispatch from Gold Hill, Nev., an-  
nounces the election of the entire Re-  
publican ticket, of the local officers, by  
40 to 50 majority.

A dispatch from Washington Terri-  
tory reports shocks of an earthquake at  
several points. The new mission  
church at Tulalip was badly shaken.

Detroit.—A convention of the Fenians  
of Michigan, was held to-day with closed  
doors. Large amounts in money and  
men were pledged. An immense mass  
meeting was held in the evening, four or  
five thousand persons being unable to  
gain admission. Generals O'Neil and  
Spiers addressed the meeting.
