## Special Business Notices EVENING NEWS. Enthusiastic in its Favor.

All housekeepers who have even used the Charter Oak Stoye are enthusiastic in its favor, and say that for all purposes of cooking and baking this stove cannot be equaled. The large flues and heavy castings exposed to the fire, make the Charter Oak especially adapted to our soft coal, which is destructible on cast iron. The Reservoir is pronounced perfect in its arrangement and operation, heating water just right. d 305
