El Kalah Temple and Salt Lake
 Caravan Will Hold Cere-
 monial Session.

Sugar Industry Seriously Affected by
 Storm Weather—Funeral of Gor-
 don Grant—Thrilling Runaway.

Ogden, Oct. 21.—Tonight the keys to the city will be turned over to the members of El Kalah temple of the order of the Mystic Shrine, who journey across the hot sands (that are now covered with snow) to hold one of the ceremonial sessions at this oasis. The Ogden nobles have everything in readiness awaiting the arrival of the caravan from Salt Lake City, and will meet them with bands, full dress, fez, yellow cards, and a most welcome smile.

Immediately upon the arrival of the caravan in this city at 6:45 o'clock the Ogden band of 20 pieces will furnish music while the parade is forming.

The order of the parade will be as follows:

A noble mounted on a white horse, representing Abdul-Hamid, sultan of Turkey, dressed in full Turkish costume, followed by an Arab band in full Arab costume.

Ogden band.

El Kalah patrol in full uniform.

Officers of El Kalah temple.

Visiting nobles.

Twenty Arab warblers in full costume.

Ogden members of El Kalah temple.

The line of march will be east on Twenty-fifth street to Washington

avenue, thence north to Twenty-fourth street, thence east to march to the temple. Along the line of march will be fireworks and red fire.

Upon arrival at the hall will be held a reception, the ceremonial work, which will be followed by a banquet prepared by the ladies of Queen Esther chapter of the Order of Eastern Star. After the festivities the visiting officers and nobles will be escorted to the depot.

In preparation for the event the local members of the shrine have arranged for the illumination of the streets, and numerous other features for the entertainment of their visiting brothers.

OPENING OF LECTURE SEASON.

This evening at the Weber academy

auditorium will be given the first of the series of lectures of the academy's splendid lecture course, with Rev. Frederick E. Hopkins of Chicago as the lecturer. The lecture will be very largely attended, as Prof. Hopkins is regarded as one of the ablest orators on the lecture platform.

Monday afternoon the students, headed by the Academy band under the direction of Prof. E. W. Nichols, gave a parade in the city, advertising the opening of their lecture course. The demonstration was a notable one, and was the means of making the citizens realize that in their midst is an institution that is equal to any in the state. Success in everything is the watch word.

AT THE GRAND.

At the Grand Opera House this evening, Richard J. Jose, in the comedy of "Don't Tell My Wife," is the attraction. Jose is known as one of America's foremost singers.

RETURNS FROM STRENUOUS TRIP.

Detective James Pender, of the local police force, returned yesterday from New York, where, in company with Immigration Inspector McCabe and a trained nurse, Mrs. Crocker, they took a trip of foreigners back for deportation, namely, Alice Duval, a French girl; Ole Olson, an insane Swede, and Erenito Degiovanni, an insane Italian.

Detective Pender says that a most exciting time was had on the trip with the trio of foreigners trying to escape from custody. All were finally landed at Ellis Island, where they will be held until a ship arrives upon which they will be deported.

You May Enjoy Your Meals.

If You Will But Equip Your Stomach With the Right Means To Handle the Food

If you go into a restaurant, cafe or hotel, where all your environments, the lights, dazzling linen, silver, cut glass, music, chatting and laughing women, seem to foretell of a pleasant meal, your stomach should not revolt when you read the menu card.

Heavy steaks, soups, oysters, entrees, salads, etc., should hold no terrors for the healthy stomach and they do not.

A small box of Stuart's Dyspepsia Tablets placed in your vest pocket will be sufficient guard against the mad ravings of a voracious stomach.

A tablet taken a few moments after a copious meal will remove any ill effects of food from your stomach and you may eat as generously as those about you.

One of these little tablets will of itself settle all questions of indigestion for that meal and will place your stomach and digestive organs in a better condition for the next.

Your blood will be enriched, and the depleted gastric fluids will be rebuilt.

Stuart's Dyspepsia Tablets are natural, active, digestive agents who give to the gastric juices the elements they lack, which cause the stomach, remove irritation and enrich and stimulate the blood.

All of these statements may be verified if you will take but a little of your time to prove them.

Every druggist carries Stuart's Dyspepsia Tablets in stock and will tell you of their merit. These tablets sell for five cents each or send us your name and address and we will send you at once by mail a trial package free. Address P. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

Women Worry

More than men, says Dr. McComb, and one reason is that their nervous organizations are more delicate. True, and Hood's Sarsaparilla is just the nerve-builder, appetizer and blood-purifier they need.

Indigestion 3 Years.—I was troubled with indigestion for three years. I read of Hood's Sarsaparilla and tried it. After taking a number of bottles I was completely cured. Mrs. J. H. HALLEY, DeSoto, Mo.

Nervous, In Pain, No Appetite.—"Had poor health for years. Pain in shoulders, back and hips, with constant headache, nervousness, and no appetite. Took Hood's Sarsaparilla, gained strength and can now work hard all day, eat heartily and sleep well." Mrs. E. GIFFELS, Moose Lake, Minn.

Rheumatism.—"I had rheumatism in one of my ankles, but Hood's Sarsaparilla soon gave me permanent relief. I recommend Hood's Sarsaparilla." Mrs. ANN HUTCHINSON, Lafayette, Cal.

SUICIDE OF YOUNG WOMAN.

Mrs. Charles Sanford Takes Her Own Life by Poisoning.

Ogden, Oct. 21.—In a fit of despondency last night, Mrs. Charles Sanford, known as Lottie Wright, her maiden name, took a large dose of carbolic acid, and died in a few minutes in terrible agony.

The sisters of the unfortunate young woman immediately summoned Dr. C. E. Coulter, but the victim of the drug was dead before the physician arrived. Mrs. Sanford's act was brought about by despondency over the fact that she had been unable to secure a position, although her mother, widow of the late Sheriff Heber Wright, says that Mrs. Sanford had a good home, and that it was not necessary for her to work.

Mrs. Sanford was the wife of Charles Sanford, a bartender, who is alleged to have deserted her eight years ago. The separation of herself and husband also preyed upon her mind, it is said, and she was subject to fits of despondency.

The tragedy occurred at the home of Mrs. Sanford's mother, Mrs. Heber Wright, 2363 Adams avenue.
