The Blue Line
Established January 1, 1867, for the carriage of
Through Freight without transfer.

This Line is owned and operated by the Michigan Central, Illinois Central, Chicago, Burlington and Quincy, Chicago and Alton, Great Western, or Canada; New York Central, Hudson River, Boston and Albany, Providence and Worcester; Worcester and Nashua; Housatonic; and Jackson, Lansing and Saginaw Railroads.

THE "BLUE LINE"

is the only route that offers to shippers of freight the advantage of an unbroken gauge of track from Chicago and the Mississippi river to the seaboard, and is of the

Same Gauge as the Union Pacific,

Over which these cars will run on completion of that road.

THE BLUE LINE CARS

Are ALL OF UNIFORM BUILD, thus largely lessening the chances of delay from the use of cars of a mixed construction, and the consequent difficulty of repairs while remote from their own roads.

The Blue Line is operated by the Railroad Companies who own it, without the intervention of intermediate parties between the Roads or Line and the public.

The facilities of the Line for making uniformly quick time are unequalled.

All claims promptly settled on their merits.
