UNDER THE FIRE OF WORKMEN—FIGHTING AS NEVER BEFORE SINCE WE WERE BORN. YOU WILL HEAR CANNONS PEEL FORTH. IT'S THE BATTLE OF OUR LIVES—THE VERY WALLS OF THIS HISTORIC CITY WILL SHAKE FROM CENTER TO CIRCUMFERENCE

Saturday Morning, April 29th.

AT DAYLIGHT WE COMMENCE THE BATTLE of our lives, and up to the midnight hours of May 29th the battle goes on that will be remembered for the next 100 years by those war-priced vets. If they get in front of the big guns the shells will fall thick and fast for the next thirty days—but cash we must have, and that quick. We want a bar'l of it—and not a small bar'l either. We are going to send word to all of the people and not the favored few, and tell 'em what's going to happen here next Saturday, April 29th. \$89,643.19 worth of the highest grade merchandise within the walls of this city thrown to the fourwinds to get cash. Fire, water and smoke, backed by the sheriff, could not make the prices we do for the next thirty days. It's the golden opportunity of a lifetime to lay in your wants for the next six months. Nothing like it ever happened before. Wholesale prices and less on hundreds of items. The call is here, and the cash we must have—you get the benefit. All Dress Goods in this big store go at the most ruinous prices you ever heard of—two dress patterns at about the price of one elsewhere. Nothing but fashion's latest, korrek in every particular. Our prices are on the inside for the people. Thirty days of red-hot selling. We expect the other fellow to get warm under the collar to see this big exclusive stock thrown on the market for the next 30 days. We can't help it. You know the reputation of this store—you know the R. K. Thomas Dry Goods Co., and you know their word is to be their bond. Nothing held in reserve. It's for all of the people and not the favored few. Your dollar here will have the same purchasing power as the millionaires; in fact \$1.00 here will do about the work of \$2.00 elsewhere. Ruinous prices throughout this big store. The Big Red Mark of Destruction will stare you in the face as you enter the door. Over 49,000 items to cut loose to the people.

YOU WILL SEE SIGNS AND HEAR OF SIGNS—YOU WILL SEE SALES AND HEAR OF SALES, BUT THEY WILL ONLY BE SIGNS OF SALES IN DISTRESS. THERE WILL BE ONLY ONE SALE IN THIS GREAT AND GRAND CITY FOR THE NEXT THIRTY DAYS, AND THAT WILL BE UNDER THE CONSOLIDATED ROOF OF THE WELL KNOWN R. K. THOMAS DRY GOODS COMPANY.

THE BOMBARDMENT IS ON!

All Dry Goods, all Piece Goods, all Tailor Made Suits and Skirts, all Underwear and Hosiery as well as Corsets go in this Sacrifice Cash Getting Sale. All Salt Lake will be alive to the situation we expect multitudes of people at this store for the next 30 days. It's a harvest for the people right in the profit making season for these War-Priced Vets. All Utah will be awake, they will be kuming a foot, a hoss back, some in wagons and karriages and aughtmobeals as well as the vanished kars. Write your friends and relatives and tell 'em. What's going to happen in Salt Lake at the R. K. Thomas Dry Goods Co., commencing next Saturday, April 29th, winding up at midnight, May 29th, 1905. They will appreciate it, profits a thing of the past. We want kash, and kash only. It's the only thing that will komfort us. Every lady in this city and surrounding country should come to this great sale and buy a dozen or two Dress Patterns at the price we have them marked down. Skirts, Tailor made Suits and Wrappers at prices never before heard of in all Utah. It's the Kold Kash we want and we want it quick.
