#### SEVENTIES' CONFERENCE.

Pursuant to previous appointment, there was a conference of the Seventies of American Fork, Lehi, Pleasant Grove and Alpine, held in the meeting-house, at American Fork, on Saturday and Sunday, July 31st and August 1st, at 10 a.m., 2 and 7.30 p.m. on Saturday, and 10 a.m. and 2 p.m. on Sunday.

The meetings were well attended on Saturday, and on Sunday the building was crowded to its utmost capacity, with eager and attentive listeners.

The remarks that were made on Saturday, while more particularly directed to the Seventies, were also of a character that all might profit by them. On Sunday, the instructions were of a more general character, upon the every day duties of the Saints to each other and their God. The importance of obtaining and retaining the Holy Spirit. The necessity of extending the benefits of the gospel to all who came within our influence in acts as well as words; of being charitable to our fellowman, serving the Lord in truth and sincerity, not being so tied down to forms as to "strain at a gnat and swallow a camel."

The Speakers were Jos. Young, sen., and Wm. W. Taylor, of the First Presidents of Seventies, Elder Aurelius Miner, of this city, and a number of the Elders of American Fork and the surrounding settlements.

An excellent spirit pervaded the assemblage and the Saints went home feeling renewed in their spirits, as the flowers of the field from the refreshing dews of heaven.

An especially pleasing feature of the occasion, was the singing rendered by the American Fork choir, under the efficient leadership of Elder Warren Smith.

The visitors both from this City and the surrounding settlements were hospitably entertained by the Saints of American Fork, making the occasion, where so many good things were combined, one to be long and pleasantly remembered.
