The case against loyal is one that will be vigorously measured by the railroad officials as all as the city authorities. Yesterday, while walking along the

alload tracks in the local yards of he Blo Grande western, Royal saw he skely woman walking along the sak picking up coal. He immediately schought himself of an idea to secure some money. Approaching the woman he demanded that she pay him \$3 for he coal she had in the bucket or he ould arrest her and at the same time informed her that he was a railroad stective. The woman was frightened ad paid the money. The would-be gent was kind enough to give the meman a receipt for the coal, signing and paid the he railroad company's name to the

The matter was finally reported to the police and Royal was taken to the police station, where he was interviewed by Chief Browning, at the conclu rios of which Royal was placed under arrest pending an investigation.

SPANISH-AMERICAN WAR VETER-ANS

In your blood are the millions of corpuscles that defend you against attacks of disease.

To make and keep these little soldiers healthy and strong, is simply to make and keep the blood of the right quality and quantity. This is just what Hood's Sarsaparilla

does-it helps the little soldlers in your blood to fight disease for you. It cures scrofula, eczema, eruptions,

catarrh, rheumatism, anemia, nervousness, dyspepsis, general debility, and ness, dyspepsia, general debility, and builds up the whole system. It effects its wonderful cures, not simply because it combines the utmost remedial values of more than 20 differ-ent ingredients.
