

MORE DIFFICULTIES EAST.

From information furnished us by Mr. Stickney, of the Telegraph Office, we learn with regret of additional difficulties on the mail route, about twelve miles east of the Pacific Springs.

The difficulty commenced on Saturday afternoon, in a fight between a small company of the United States 6th Iowa Volunteers, under Lieut. Glenn, and a large number of Sioux and Cheyennes, variously reported from four hundred to a thousand. In that brush, Lieut. Glenn lost two men, and the Indians one, on the field. A company of emigrants were afterwards permitted peaceably to pass over the scene of strife, to whom the Indians declared their intention of cutting down the telegraph line, which threat has evidently been put into execution, as the line has not worked further east since that time.

Col. Collins, in command of the Iowa Volunteers got up to the scene of difficulty on Sunday morning, and tried to cross to the Indians, on the mountains on the opposite side of Sweet-water; but his command could not swim the river.

The operator at the Springs left yesterday morning, under escort, to repair the wire if possible; but, up to going to press, we have heard nothing further. It is hoped that this will not be a lengthened interruption of either the telegraph or mail.

THE LETTER LIST.—In consequence of the interruption of mails on the eastern line, and a great rush of letters within a few days, the postmaster publishes a lengthy letter list in to-day's paper.

GOOD ENOUGH TO BE TOLD AGAIN.—A certain Mr. B. Thompson belonged to a Lazy Club, one of the rules of which was as follows: Any person caught out before eight o'clock in the morning, should be fined five dollars. Thompson was caught out one morning, before eight o'clock, sitting on a log, contrary to the rules and regulations. He was taken to the Clubroom to see if he could make any excuse for his conduct. He said he was out the night before and was too lazy to go home, so he sat there all night. Thompson was excused and elected President of the Club at the next regular meeting.

LIST OF LETTERS
