and family saved only the clothes on their backs, while library and furni-

ture went up in flames. Scores of our church people are homeless. Many of

THE ELEVATION OF CARDINAL MARTINELLI.

The ceremony held Wednesday in the historic old Baltimore cathedral in connection with the creation of a new American cardinal was only the third of its kind to take place there. Count Colacicchi of the noble papal guards, who brought over the insignia of office, was a prominent figure at the exercises. Cardinal Gibbons, who conferred the red biretta on the new prince of the church, sails for Rome on Saturday.

Chinese empire. "As to the political program of Rus-sia," the official statement continues, that is to say, the immediate objects the had is view they were set forth in the first official declaration made in relation to Chinese affairs, and are tated as follows: The rescue of the Russian representain complete rest. Upon arrival here tives at Pekin and the protection of ussian subjects against the criminal the President and party were driven to the residence of Henry T. Scott, which tacks of Chinese insurgents, to render the residence of Henry T. Scott, which they will occupy during their stay here. Mrs. McKinley's condition is said not to be alarming, but she has not been well since the long journey began and the trip has fatigued her very much. Last night she did not respond to medical treatment and both the President and Dr Rivey considered it substance to the Chinese government gainst the insurgents, with a view, as ickly as possible, to re-establish law

President and Dr. Rixey considered it wise to take her to San Francisco where she could have complete rest for a few days at Mr. Scott's residence and where Dr. Hirschfelter, Mr. Scott's' physician, could be consulted if neces-eary

The maintenance of the agreement The sudden illness of Mrs. McKinley has caused an unexpected change in the litinerary of President McKinley. The state of Mrs. McKinley's health was such this morning that the President decided to leave Del Monte and bring his wife to this city immediately to the

church people are homeless. Many of them are destitute and must be helped. A majority of our members have lost their business. The well-to-do have become poor and are unable to assist. "Our church must be rebuilt, and to that end we are bending every energy. In our weakness and suffering, and to the depths of despair, we call on all Baptists throughout the country to as-sist us in rearing a temple to the Lord that his work may be carried on and that his work may be carried on and his name glorified. Please send your contributions to Dr. W. A. Hobson, pastor, or E. E. Cleveland, chairman Only a few hundred people greeted the President upon his arrival in this city. His coming was not generally known and only those who chanced to see the bulletins posted by the newspapers, anboard of deacons. builtering posted by the newspapers, an-nouncing that the President would reach the city at 4 p. m., awaited his train. The President. In order to avoid the crowd that was expected to assemble at the Southern Pacific depot at Third and Townsend streets, left the train with his little party at Valencia street a station in the southern east of OBJECTIONABLE BOOTH. The booth objected to is the only one It was the impression, however, of those who saw Mrs.McKinley that she is very ill and that her present state may result in an entire change of the President's any of the buildings manufactured in mills where non-union men are emoloyed, and as this is the only case of complaint that the union carpenters program.

Should his wife's health improve the President will carry out his intention to attend the celebration at San Jose FATAL END OF A STARLICHT RIDE Two Merrymakers Dead, Five in a Hospital.

## ON THEIR WAY TO A DANCE.

#### Were Struck by a Trolley Car-The Vehicle in Which Party Were Was Demolished.

New York, May 12 .-- Of twenty-slx young people who started from College Point, L. I., last night on what is locally known as a "Starlight ride," two were carried home this morning dead, five are in the hospital, four were allowed to leave the hospital after having their wonds dressed, and everyone of the remainder was more or less bruised. A collision with a trolley car caused the accident.

#### DEAD.

Michael Schneir.

Joseph Pickel. The merrymakers were on their way The merrymakers were on their way to a hotel ten miles away where they were to have a dance. They were all in one wagon, the bottom of which had been filled with straw. It was almost midnight when they reached Distier's hotel on the edge of Jamaica. When in front of the house the driver

of the wagon tried to cross the driver of a trolley line in front of an ap-proaching car, but the car struck the rear end of the wagon. The vehicle was demolished. Pickel was hurled into the air and fell thirty feet away, his head struking a fire hydrant his head striking a fire hyd Schneir was also thrown into th and landed head first on the macr pavement. Both died in a short Miss Mattle Debovise sustaine severe contusion of the chest and and was the worst hurt among th and was the worst hurt among it jured. The car itself was wrecked, but none of the twent passengers was injured.

The motorman was arrested, the claiming to be without blame matter.

#### TROLLEY CAR ACCIDEN

#### Car Dashes into a Hill, Hu Many Passengers.

New York, May 12 .- An open New York, May 12.—An open to car, In which were packed about persons, got away from the moto near Fort Lee, N. J., and dashed Leona hill. Every person on th was bruised and three were seri hurt, but only one of them is to die, Frank Sunstruck, the co tor, it is feared, may lose his life to count of internal injuries, and count of internal injuries, and Robinson and his wife of this cl the two others who were seriously hurt. The heavily loaded car had started down an incline a quarter of a mile in length when the motorman lost con-

a length when the motorman lost control. The cars were going so fast that no one dared to jump off. The road is a winding one. At the foot of the hill it curves sharply. When the front trucks hit the curve they started around it and made it. The rear ones followed part of the way. The wrench upon the car, however, as it swung about, was so great that the body was lifted and torn from the trucks and rolled over and hit the ground. The passengers were caught in and under the car and were piled in the service. officials are confident that

## A CALCULATION.

HEN you are ready to buy, stop and compute the cost of the soap used by your household in a day, a week or a month, and for the slight difference in price you will never forego the pleasure of using the purest soap made, that is, Ivory Soap.

It is the most inexpensive of pure soaps. You need no knowledge of chemistry to realize this purity, use it and you will know. It floats,

Troops from China.

"An agreement was reached upon hese points by most of the powers." The liberation of the diplomats and oreigners having been accomplished. Russia, in order to induce the Chinese ourt to return, withdraw her legation and troops to Tien Tsin. In the opinion Russia a military occupation of Pekin was not in accord with her previous

Anticipatory of the negotiations, Rusa suggested the matters which should considered, mentioning the advisabilty of a joint agreement as to the im-portations of arms, the punishment of chief promoters of the insurrection and the indemnification of government, corporations and private individuals had suffered losses in consequence

But, in order not to place China in a sition on which it may become abso-ely impossible for her to meet the uniary demands, and in order to atin some practical result," the note ld, "due moderation must be observed this regard." It was at this moment that Germany

reposed the adoption of coercive meas-res for the purpose of bringing the

Chinese court back to Pekin. "In the opinion of the imperial gov-ernment," the note states, "that object should be attained by peaceful means: for only under such circumstances could, the return to the counterland the return to the capital of the emperor of China and the empress regent prove effective, and consequently Russia refused to take part in any coercive measures against the Chinese court which might have resulted in fresh disturbances throughout

The differences of opinion among the ministers as to the penalties to be in-flicted upon the chief instigators of the Insurrection are referred to as follows: Having declared itself at the outset opposed to the death penalty, the im-perial government directed its repre-sentative, in view of the nature of the discussions which areas much that discussions which arose upon that point, not only not to enter into the bate relating to capital punishment but not to take part in discussing the punishment to be inflicted upon the Chinese dignitaries. Up to the present moment the conference between the representatives of the powers and the Chinese plenipotentiaries in regard to the demands formulated in the collec-tive note have not been terminated." PRESENT SITUATION IN CHINA.

Chicago, May 13 .- "Pekin is the present political capital of Christendom ent political capital of Christendom: there you can put your finger upon the pulse of the nations: all eyes are turned toward that great city. It is the greatest practical school in the world; there the nations are gaining an education and an insight into Chi-ness affairs which they have never nese affairs which they have never possessed before."

Thus said Dr. William S. Ament, the returned missionary, speaking at the First Congregational church last night upon "The present situation in China." Continuing, he said:

"It is a remarkable fact that in this "It is a remarkable fact that in this freat Chinese nation, one of the oldest among the civilized, the very home of conservatism, the natives are beginning to realize the need of new ideas, mod-ernism is fast gaining a footbold.

ernism is fast gaining a foothold. "Only a few days before I left China a prominent Chinese gentleman said to me: We Chinese know that we need many things, but first of all we need a new religion, and Christianity is thernew religion, and Christianity is thor-oughly adequate for the regeneration of the Chinese character. Christianity new has more friends among the Chinese than it ever had: thousands of Chinese appreciate the Christian reli-Chinese than it ever had: thousands of Chinese appreciate the Christian reli-gion more than they did a year ago: the church is by no means extermin-ated or even weakened; it is still full of vigor, and I look forward to a bright and glorious future for it in the Chi-buse empire."

home of Henry T. Scott. had been last night.

A FARMER'S AWFUL CRIME 1899 After a Quarrel He Stabs and Then in a Frenzy Brains His Wife. He Twice Unsuccessfully Attempts to Commit Suicide, His Son Pre-

# venting Second Time.

Bloomington, Ill., May 12 .- On a farm near here today Merritt Chism killed his wife. As she was starting to church in a buggy with the two little daughters of Chism, her step-daughters, a quarrel arose. Chism jumped into the buggy, and with a knife cut his wife's face and neck. He then threw her into the road, jumped upon her and stabbed

her repeatedly. Her son, Harvey Freeland, aged 12, struck at Chism with a ball bat Chism wrested the bat from the lad and struck his wife three times with it smashing her skull and dashing her brains out. Then he tried again to stab the wo-

man. Harvey caught the hand in which was the knife. Chism drew the knife through Harvey's hand, almost severing the fingers, and stabbed Harvey in the arm. Chism then fled across the field and

tried to drown himself in a well. The water was not deep enough, and he climbed out and went to the house of a son, where he tried to kill himself with a revolver. The son prevented this and took Chism to Bloomington, where he gave himself up to the sheriff. Chism is 49 years old and one of the wealthiest farmers in the county

Wade had been here Chicago paper. Wade had been here about six months and was employed on one of the Metropolitan water hoard's contracts. Wade showed great fear when confronted by the Ohio men, but said he would return without making any trouble. They started for Akron at

#### Biggest Bridge in the World.

New York, May 12,-The World will say tomorrow: William J. Amend, counsel for the North River Bridge company and one of its directors, yesterday made the definite announcement that the Pennsylvania railroad is back of the company's scheme to build a bridge from Hoboken to Manhattan. He said that contracts were now being negotiated between the bridge pany and the various railroad com-panies whose traffic will be accommo-

dated by the bridge. As soon as these could be executed, he said, work on the structure would be commenced. It is estimated that the bridge can be completed within four years. The bridge is to be only for the trans-portation of passengers, and the plan involves the erection of an enormous ierminal, bounded by Sixth and Seventh avenues, Twenty-fourth and wenty-eighth streets. The bridge will be the largest in the world. There will be sixteen tracks world.

world. There will be sixteen that of for railroad trains, and the strength of the structure will be such that they can the structure will speed. About them will be run at full speed. About them w be trolley tracks, driveways, bicycle paths and footways. The estimated cost of the bridge. with its approaches and the passenger termnial, is \$80,000,000.

## A Comet with Two Tails.

Lima, Peru, May 12 .- The comet which was first seen from South America about two weeks ago and has been invisible from here for the last three nights, reappeared last night. It has two tails, one visible more than when first seen.

#### For Forty - three Hours Physicians Could Not Tell if Patient Was Dead.

Detroit, Mich., May 12 .- Miss Dora McDonald of 'this city, who apparently died last Friday and whose condition was such that her physician, Dr. George S. Field, refused to pronounce her dead, late yesterday, after thirty hours suspended animation, owing to uncertain signs of life about the body, died today, after being in a cataleptic state for forty-three hours. From the time when it is supposed

death took possession of the body there were signs which completely and the watchers were startled to observe twitching of the muscles of the body a twittening of the muscles of the body, beginning at the neck and continuing to the lower part of the abdomen. It was hoped that she would regain con-sciousness, but the convulsion lasted but a short time, the warmth left the body and unprisonable converting the body and unmistakable signs of death appeared

Several hours later Dr. Field pro-nounced her dead, and ascribed the immediate cause to paralysis of the heart.

KING EDWARD THANKS THEM. Grateful to British Community in

New York for Sympathy.

New York, May 12.-King Edward VII., through the Marquis of Lansdowne, secretary for foreign affairs, has sent his thanks to the British community in New York for the mes sage of sympathy sent to him by them on the death of Queen Victoria. Sir Percy Sanderson, British consulgeneral, today made announcement of the fact in the following message:

In obedience to the king's com-mands, signified to me by the Marquis of Lansdowne, I have the honor to convey to the British community in New York his majesty's sincere thanks for the highly-appreciated message of sympathy and good will contained in

sympathy and good will contained in the address of the community on the occasion of the great loss which has been sustained by the king, his royal house and his subjects throughout the world, by the lamented death of her majesty, Queen Victoria, empress of

His majesty has noticed with much interest and appreciation that ex-British subjects, now paturalized American citizens, were by their desire included in the address from the Brit-ish community in New York,

### LIBERAL FEDERATION.

#### Number of Papers Will Refer to the South African Question.

New York, May 13 .- A special to the Tribune from London says:

A number of resolutions dealing with various matters of public interest will be considered by the council of the Na-tional Liberal federation at Bradford, this week. Three of the motions on the Agenda paper refer either directly or indirectly to the South African ques-

tion. The general committee of the federation adopted a resolution last February favoring such a measure of safe government for the Transvaal and Oragne River colony as could be hon-Oragne River colony as could be hon-orably accepted by a brave and high spirited people, and this resolution the council now will be asked to confirm. Unfortunately for the liberal party, opinion on the question of the future government of the conquered Boer re-publics is far from unanimous and it is only too probable that the meeting of the council, instead of giving encouragement to the opposition in the house of commons, will provide material for sarcestic articles in the unionist press.

in and under the car and were piled in a heap.

#### Vellow Fever Suspect.

Chicago, May 13.-A special to the Tribune from Springfield, Ill., says: A message received by Dr. J. A. Egan, secretary of the state board of health, from Gardner, Grundy county, stated that a stranger recently arrived from Jascksonville, Fla., was ill at that place with symptoms of yellow fever. Dr. Egan answered that it would be well to keep the suspect under surveillance during developments, but says he thinks it probable that the case is dengue.

#### South Australian Census.

Melbourne, May 13 .- The census of South Australia shows the population to be 362,595, an increase during the last decade of 13 per cent.

ers' hall is the most prominent feature, promises to be on a scale hitherto quite unsurpassed. There will be a reception by the lord mayor in the house. Both men are colored.
