

LOCAL AND OTHER MATTERS.

PRESIDENT AND PARTY.—A despatch per Deseret Telegraph line, from Elder A. M. Musser, dated Scipio 13th, says:

"It is snowing and blowing hard. The President and party go to Nephi to-day. All well. We have had meetings at all places on our return. The company left this morning at 8, 10.

INDIAN TROUBLES. of a very general and formidable character are anticipated in Wyoming Territory, and in preparation for an outbreak Governor Campbell has issued a general order organizing the Territory into three military districts, and the mustering in, in each district, of one regiment of volunteers. The sentiment of the people of Wyoming is said to be unanimously in favor of the Governor's policy.

WEATHER ITEM.—By Deseret Telegraph. Logan, snowing and cloudy. Wellsville, snowing; snow about four inches deep. Kaysville, stormy; snow about five inches deep and still snowing. Payson, wind blowing, snowed all morning; about two inches deep. Nephi, been snowing since about 4 o'clock this morning; melts almost as fast as falls. Mount Pleasant, snowing, about two inches on ground. Scipio, snowing; been snowing almost incessantly since last night. In this city it commenced raining last night, and from midnight snow and sleet have fallen freely. The weather is cold and uncomfortable.

MASS MEETINGS IN THE SETTLEMENTS.—We have received more reports of mass meetings from American Fork, Smithfield, Franklin, Brigham City and other places, to protest against the passage, by the U. S. Senate, of the Cullum Bill. In several instances full copies of the remonstrances and resolutions, adopted at those meetings, have been forwarded, which we should be most happy to publish; but as they are all lengthy, and exactly similar in character and sentiment, we are compelled to decline doing so, fearing the repetition would become tedious to the majority of our readers. We notice one peculiarity in the proceedings at Smithfield—that the speakers were of both sexes, ladies and gentlemen joining in denouncing the passage of the bill.

GUNNISON.—Bro. H. Thunnesson, writing from Gunnison, Sanpete County, on the 10th inst., says:

"The people are busy putting in their grain. Our cooperative store does a good business; the stockholders have, in the average, had about \$1 to a share of \$3 for each quarter, which is very good in a little settlement like this, and considering that we had a capital stock of \$300 to start, about three quarters of a year ago. The capital stock is now increased to \$1,500, while our goods, in many instances, are retailed at about as low a figure as in Salt Lake City."

DIED.—In this city, April 12th, 1870, Priscilla Charlotte Clive, daughter of Claudius and Mary Ann Clive, aged fifteen years and two days.

The news of the death of this promising young lady will probably give the community as great a shock as it did us when we heard it. It was entirely unexpected to us, for we had not heard of her illness, though we learn this morning that she has been rather feeble for some time past. She was widely known and unusually respected, and her parents will have the sympathy of a large circle of friends in this their great bereavement.

The funeral ceremonies will be held at 1 p.m. to-morrow, at the 13th Ward Assembly Rooms.

FINED.—James Camp was brought before Alderman Clinton at 2 p.m. this afternoon on complaint of Mr. T. W. Ellerbeck, charged with assault and battery. The charge was sustained and Mr. Camp fined ten dollars for the offense. During the investigation Mr. Camp grew eloquent and charged the witnesses with falsehood, the judge in vain called upon him to desist and take his seat, which Mr. C. refused to do until his honor assessed a fine of five dollars for contempt of court. Mr. Camp said finally he had done nothing more than say other "philanthropists" under the same circumstances, would have done and in default of the same he would have done as best he could. The case of T. W. Ellerbeck, for breaking a window light in the store of J. Silver, was called. Mr. Ellerbeck was discharged, no one appearing against him.

F. M. SOCIETY AT EPHRAIM.—The ladies of the Ephraim, Sanpete county, Female Relief Society, send us an account of their first yearly meeting, held on the 7th inst., from which we learn that during the year the members have done 331 days work, the results of which are seen in quilts, jeans, linsey, lace, various articles of ladies wearing apparel, cheese, &c., &c. The total receipts of the society during the year were \$48.40; total disbursements to the sick, needy and P. E. fund \$312.

We are glad to hear that the society is in such a live and flourishing condition, and pray that its members may be blessed in their labors of love.

"THE UTAH POMOLOGIST."—We have received the first number of *The Utah Pomologist*, published on the 1st inst., by J. E. Johnson, Esq., of St. George, at one dollar a year. It will be devoted wholly to the interests of fruit culture in Utah. The cause it advocates is one of great worth, and we hope to see this journal well supported by the pomologists of the Territory, and become very useful in disseminating knowledge of the principles of the science of agriculture.

FELL ASLEEP IN JESUS at 6, 30 a. m., Wednesday April 13, 1870, Mrs. Loretta J. Hussey, wife of Warren Hussey, aged 29 years, 8 months and 24 days.

The demise of Mrs. Hussey is very sudden and unexpected, she having been in her usual health until Sunday morning last. At that time a very severe headache set in, which continued until yesterday morning, when she became much easier. During the day she was considered to be greatly improved. Towards evening she fell asleep, her slumber seeming to be natural and comfortable. While asleep those attending her suddenly noticed that she was very much prostrated, and it is believed that she was then seized with apoplexy, that in the opinion of the medical gentlemen who attended her, being the cause of death. From that time she gradually sank until death closed the scene.

The funeral services will take place at Independence Hall at 1 p.m. on Friday next. The friends of the family are invited to attend.—Cor.

BIRD'S EYE VIEW OF THE CITY.—We had a call this morning from Mr. Koch, who has been engaged for some weeks past in taking a bird's eye view of the city, with the intention of having it lithographed. The view was not quite finished, but it will be to-day. It is Mr. K's intention to commence soliciting subscriptions to the drawing to-morrow. The view is taken from the south-west part of the city and is very accurate. Several gentlemen were present who examined the drawing carefully, and every house that they sought for they found. We presume there is not a house in the city that is not sketched in its proper position. It is the finest piece of work of the kind that we have seen, and no doubt Mr. K. will obtain numerous subscribers for it.
