Snow and Frost Make a Sorry Record.

Boise, Ida., June 5 .- This vicinity was visited by a severe frost last night, the like of which has not been known at this season for fifteen years. The

government weather bureau at Boise reports a temperature of thirty degrees, while places throughout the valley report temperature as low as twenty-six degrees. The fruit is damaged seriously,

though the extent of the loss s cannot yet be determined. The state i cultural inspector, McPherson hortiturned tonight after making a trip of fifty miles among the orchards, and it is his opinion that the loss will be very great. The cold sweep is from the
