MINNESOTA CONFERENCE.

Minutes of a Conference held at Monticello, Wright Co., Minn.

Meeting convened in George W. Riggs Grove, Saturday, 10 a. m. Elders present from Utah: Prest. Wm. M. Palmer, of the northwestern States Mission, Prest. Denmark Jensen, of Minnesota Conference; Elders James L. Jensen, Gilbert R. Belnap, Christian Burger, Jacob Fisher, Harry M. Payne, Archibald W. Buchannan, Samuel Bryeon and Mons. Anderson and Prest. B. P. Wulfenstejen, of the Wisconsin Conference.

After the usual opening exercises Prest. Wm. M. Palmer said nearly all who are holding the Priesthood in the State of Minnesota are here this morning. If people understood this the banks of this river would be lined with people to hear the word of the Lord. Spoke of the judgments of God upon the nations; the fulfilment of the prophecies of Joseph Smith; compared the Latter-day Saints to the Children of Israel in the days of Moses.

Elder Harry M. Payne spoke of the predictions of the ancient Prophets and their fulfilment, and how God in His wrath would visit the fearful and unbelieving.

Elder Jacob Fisher expressed a feeling of gratitude for being allowed to come and preach the Gospel to an unbelieving world. Bore his testimony.

Elder Gilbert R. Belknap spoke of the organization of the kingdom of God in all ages of the world.

Singing, and benediction by Denmark Jenson.

Adjourned till 2 p.m.

2 p.m.

After the usual opening exercises.

Elder B. P. Wulfenstejen read from St. Mathew, referring to the fall of man and the curaings for transgressions. Bore his testimony to the truth.

Elder Wm. M. Palmer explained further on the same text, and testified to the truth of the Gospel.

Elder A. W. Buchannan read the 3d of Micah, said in this we find that there is spoken of an apostacy of the primitive church, brought forth reason to prove the falling away.

Elder Christian Burger expressed a desire to press on in the good work, said people are as rebellious now as they were in the days of Jesus and the Apostles.

Elder Reuben Farnsworth bore his testimony to what had been said, and expressed a desire to press on in the good work.

Singing and benediction.

Sunday 10 a.m.

After the opening exercises Elder Denmark Jensen read the 9th and 10th verses of the 2nd Epistle of John and showed that we cannot discard any of the principles of the Gospel. It is necessary for us to comply with all the ordinances that are made known to us.

Elder Wm. M. Palmer read 3 vs. 1st John and proved from this that it was by the Holy Ghost that we were to be raised from the dead. Referred to a great many other passages to sustain this. This Holy Ghost is the comforter in all things when we are working for the truth. Encouraged the Saints to faithfulness and to cultivate the Spirit of God.

2 p. m.

After the usual opening exercises the sacrament was administered.

The Church authorities were presented by the clerk of conference and were all sustained.

The following Elders were sustained: Wm. M. Palmer, as President of the northwestern States Mission; Danmark Jensen, as President of the Minnasota Conference; James L. Jenson, Gilbert R. Belnap, Christian Burger, Jacob Fisher, Harry M. Bayne, A. W. Buchannon, Samuel Bryson, Mons Anderson, as traveling Elders in the Minnesota Conference; George W. Riggs as President of the Monticello branch; Joseph Nokes, President of the Princeton branch; P. G. Pernelius, President of the King Lake branch; Jens Hanson, President of the Lindon branch; James L. Jenson, as Clerk of Conference.

Elder Christian Wallentine spoke of the authority the Apostles were empowered with anciently; said any one who goes forth to preach the Gospel of Jesus Christ must be empowered with the same authority.

Elder James L. Jenson spoke of the mission of Joseph Smith and compared his teaching with that of the scripture; referred to a great many Bible proofs; spoke on the divinity of the Book of Mormon.

Elder Wm. M. Palmer spoke of the persecution of the Latter-day Saints from their first coming forth and bore his testimony to the work of God.

Singing. Benediction by Mons. Anderson. Adjourned sine die.

A good spirit prevailed; a great many of the Saints were there from a distance; others came and listened attentively. Two baptisms were attended to. Other meetings were held, in which we all expressed ourselves as being well paid for attending conference. It was a time which will not be forgotten very soon by either Saints or sinners.

JAMES L. JENSEN, Clerk.

The contest between St. Jacobs Oil and rheumatism, was a walk-over for the former.

THE CASE

AGITATOR

Ahead of all Other Competitors!

SALT LAKE CITY, August 12th, 1882.

J. W. Lowell, Esq.,

Dear Sir.—The J. I. Case Agitator we bought of you last season is the best machine we ever saw or used; it will thresh more grain and thresh it better and cleaner than any other machine we have ever seen, and we can confidently recommend it to any persons wishing to purchase a good Thresher.

Yours, etc.,
G. W. LUFKIN,
W. A. BARRON.

ASHLEY'S FORK, UINTAH CO., Feb. 26th, 1882.

John W. Lowell,

Dear Sir.—The Agitator Separator and Woodbury Power that we bought of you, we can truly say give entire satisfaction. It beats anything that we ever saw to thresh and clean. We have run seven different kinds of machines, but this is the champion. The cleaning and the separating are perfect. We have not had a man find fault with it yet, and we believe that the people here will testify to our statement as being the truth. It comes as near being perfect as it is possible for a machine to be. We cannot tell you upon paper all its superior qualities or how much we think of it, but can say this, that could we not get another like it, no money would buy it.

Yours truly,
GEORGE BROWN,
S. J. CAMPBELL,
WM. P. REYNOLDS,
ROBERT BODILY.

CEDAR CITY, Sep. 23rd, 1881.

John W. Lowell,

Dear Sir.—Our machine, Agitator, is doing excellent work. Cleans the best and threshes faster than any Thresher we ever saw.

We remain,
CORRY & HUNTER.

LEHI, Utah County, February 7th, 1882.

To John W. Lowell, Esq.,

Dear Sir.—As our opinions have often been asked about the merits of the Agitator Threshing Machine we purchased from you last fall, we take pleasure in sending you the following as our experience with it. To answer the numerous inquiries, and perhaps others who would like to know, we recommend the following points of superiority over all other machines we are acquainted with—

1st.—Lightness of draft. Our team of five span of average native orses and mules, being fully equal to the work, and without crowding or hurrying them, they gave us all the speed and power we needed.

2nd.—Thorough threshing and cleaning, and that *without extra effort* on our part; such a thing as the sieves being crowded or clogged, or requiring the attendance of one person at the tail end of machine having never occurred or been needed.

3rd.—Lightness of wear. After having threshed 18000 bushels of grain, lucern seed, etc., the general wear on the machine being scarcely perceptible.

4th.—Lightness of running expenses. By comparing notes with our friends of other machines, we find ours have not exceeded half of theirs.

We also consider the capacity for threshing in quantity, superior to other makes of machines. Although the farms here are small, necessitating a great deal of moving, and often to distant points, yet we threshed as high as 800 bushels per day.

We also consider the Straw Stacker, End Shake, Elevator principle and many other points are *all* worthy of notice and examination of any and all persons who may contemplate purchasing a machine.

A. J. EVANS,
M. T. WOODHOUSE,
H. M. ROYAL,
M. B. BUSHMAN.

I have helped wear out four machines of other kinds, and I heartily endorse all of the foregoing points.

A. D. RHODES, JR.

CEDAR CITY, March 18th, 1882.

Mr. J. W. Lowell,

We bought one of the J. I. Case 32 inch Agitator Threshers last year and consider it by far the best Thresher ever brought to this country. It runs very light, saves all the grain and is a very durable machine. We threshed grain at the rate 2½ bushels per minute.

Yours, etc.,
CORRY & HUNTER.

I also take the liberty to refer thresher men to the following reliable people who have purchased the Agitator Machines:

Messrs. Robbins & Simmons, Kaysville.
Bishop Peter Barton and others Kaysville.

READ THE FOLLOWING TESTIMONIALS--

SALT LAKE CITY, June 29th, 1882.

This is to certify that we had Messrs. Simmons & Co. repair and paint our stables at the race track, in this city, which leaked badly. A few hours after the roof was painted there came a very hard rain storm, and we are pleased to say our roof did not leak a drop. We cheerfully recommend this paint as being both fire and water proof, and as a preserver of roofs it seems to us to be the very thing needed in this section of the country.

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 10th, 1880.

DR. B. J. KENDALL & CO., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.
