LOCAL AND OTHER MATTERS.

THEATRICAL.—Last night there was a good house to witness the second performance of "A Day After the Wedding," which was followed by "Handy Andy," the entertainment to conclude with "Solon Shins." Miss Lockhart will appear in the piece, Mr. Herne in all three. From what the public have already seen of this gentleman's abilities as a comedian they had better get prepared to-night to laugh till they are tired, for in the role of "Handy Andy," the very verdant Irishman, with his ludicrous "bells," and mistakes they may be sure of seeing something that would provoke a stolid to laughter.

THEATRICAL ENTERPRISE.—Our theatre-goers may now confidently look forward to entertainments of more than ordinary excellence at the Theatre. The completion of the railroad greatly facilitates the acquisition of first-class talent of this description from the East, and Salt Lake City is very likely to become a point of attraction to theatrical "stars." To meet the wants of the times the lessees of the Theatre, Messrs. Clawson & Caine, have already secured a combination of talent rarely to be met with except in first-class metropolitan theatres. In addition to their excellent home-made stock company, they have Miss Lockhart, Mr. Herne and Miss Lucille Western, all three being acknowledged as artists of great ability. Next week this talented trio will appear in combination, when performances that have never been equaled here, and which would be hard to excel elsewhere, will surely be presented. Should the enterprise evinced by the Management meet with a fitting response on the part of the public, the services of the "great lights" of the theatrical armament will no doubt be secured for their delectation.

LEFT OGDEN.—By Deseret Telegraph (and we learn that President Young left Ogden to witness the interesting operation of track laying this morning, and returned to Ogden about half past 2 this afternoon. President Geo. A. Smith was at Beaver City, Iron Co., this morning.

President Young and party, who left this city yesterday morning for Ogden, will arrive home to-night. They left that place at half past three this afternoon.

DEATH.—At 2 o'clock this afternoon, of inflammation of the brain, William Alfred, son of John and Martha Needham, aged fifteen months and twenty-two days. The funeral obsequies will take place at the home of his parents at 10 o'clock on Sunday morning. Friends are invited to attend.

DEATH OF A NOTED CHARACTER.—There was a rumor last evening of the death of Bro. John Sanderson, of Springfield, but it was not at all authentic. Since hearing the rumor we have learned that Bro. Sanderson died of lung fever at his residence in Springfield, in the early part of the present week. This takes from our midst a somewhat singular character. In his early days he became an earnest student of the so-called science of astrology, having studied at the same time an under the name of teacher as the individual who now goes under the name of "Zackiel" in London. Bro. Sanderson has been a resident of Utah Territory for quite a number of years, and has obtained some notoriety among the credulous portions of the community by his professions and pretensions with regard to astral and other mythical occult matters.

DIED.—In this city on the 8th ult., in her 39th year, Lydia, wife of Elder George B. Wallace, and daughter of Edward and Sarah Davis. She was born in London, England. She embraced the gospel in that city in the Spring of 1849, and emigrated to this country in 1852. She has been a true and faithful saint and wife. She leaves five children and numerous friends to mourn her loss.

MIL. ST. PLEASE COPY.

PAYSON.—Bro. H. W. Barnett writes that the weather at Payson is fine, that the farmers are sowing grain, and that peace and prosperity is general. On the 26th ult., a party was held to further the objects of the Female Relief Society; it was well attended and was a very pleasant affair. The citizens of Payson have commenced business on the Co-operative principle, and had opened their store a few days before the date of our correspondent's letter.

HARD ON THE FELINE RACE.—Much, without doubt, may be truthfully said in favor of Montana, but according to some of the papers from that region, through some climatic peculiarity a good, healthy cat cannot be raised without much care and nursing. The disease seems to be almost epidemic, and generally terminates the career of "poor puss" in three or four days. The following are the symptoms of this feline malady as the symptoms of cure according to the Helena Herald:

"The afflicted quadruped becomes all at once stupid, refuses to eat, begins vomiting up dark green bile, sometimes knots of small worms, and, without prompt medical treatment, soon stretches out and dies. Having tried the remedy, we can recommend to all who wish to save their pet from this fatal malady, if attacked, give about three doses of castor oil—a teaspoonful at a time—say once every six hours. This proves an unfailing cure if taken in season; and we deem the fact worth publishing in view of the excessive amount of vermin in this latitude, and the intrinsic value of a good mouser."

SUDDEN.—By telegraph from Ogden city we learn with great regret that bro. Chas. Widerborg, late President of the Scandinavian mission, died very suddenly about 2 o'clock this afternoon. This will be a great shock to his family and friends. It was only a few days ago we saw him in this city apparently in good health.

BASE BALL.—The third, or test game, at Base Ball, between the Eureka B. B. Club and Independent, (picked nine) will be played to-morrow afternoon, Saturday, March 13th, on the 8th Ward square. The game to commence at 2 o'clock. As a large attendance is expected seats will be provided for the ladies.
