The eye of the luxury loving com-mercial man or the swell tourist, always rolling a favoring glance towards a very centrally located and elegant, first class hotel, rests with complacent satisfaction upon this palatial hostlery. The Kenyon with all its luxurious appointments is as much ahead of the ordinary so-called modern hotels as the Pullman sleeper is ahead of the coaches of long ago.

The new hotel has been leased to Mr. Don Porter. The enviable reputation and unqualified success attained for the Kenyon is the result of that favorable impression always made with each guest. The excellent table and homeeach like air that pervades is invariably praised by all.
