THE "TRIBUNE" WILL SAY

Editorially: The election of Hewitt as Mayor of the chief Republican city in the country is the work of the Republican voters. After misgoverning so shamefully, that mighty revolt of the Democratic voters was brought about and the President's party and his especial friends and advisers were forced to make piteous appeals to the Republican voters in order to beat George. It is not to the credit of the thousands of Republicans that they chose to elect a candidate of the Democratic party when they might, as the result now shows, have elected a practical reformer and Republican. Had the 20,000 or more Republicans who voted for Hewitt chosen to give Roosevelt their support, he would have been first in the race and George would have been last.

THE "HERALD" WILL SAY.

It is not necessary to say that we think the voters of this city have acted a sensible part in preferring Mr. Hewitt, for Mayor to either of his competitors. It is what the *Herald* advised them to do. A united County Democracy has stood together and its victory yesterday goes nearer to decide the next Presidential contest favorably to the Democratic candidate.

The returns indicate that the State Assembly will stand: Republicans 75, Democrats 53.—Democratic gain of 2.

Utica, N. Y., 2.—James S. Sherman (Rep.) is elected to Congress, defeating Spriggs (Dem.) by 1,800 or more. Davis (Rep.) is elected to the Assembly from the Third District.

Albany, N. Y., 2.—The probabilities are that the Democrats have carried the county and elected the entire ticket, including Congressman.

Troy, N. Y., 2.—The Democrats elect the Mayor.

OHIO.

TOLEDO, 2.—There was a heavy vote in this Congressional District. The contest is close, with the drift of feeling in favor of Komeis' election over Hurd by a majority of less than 500.

The Democrats concede the election of Komeis over Hurd (Dem.)

The chairman of the Ohio Republican State Committee claims the State by 12,000, and 15 Congressmen sure, with two districts doubtful.

Williams (Rep.) for Congress, carried the Soldiers' Home at Dayton by 500 majority.

Seven hundred and twenty Ohio precincts show a net Republican gain of 2,258.

Cleveland, 2.—Returns from one-third of the wards in Cleveland, including the Twenty-first Congressional District, show gains which, if kept up throughout the district, will elect Foran, Democrat, by 500 to 1,000 majority.

The chairman of the Ohio Republican Central Committee claims the State by 1,200, and fifteen Congressmen, sure.

Columbus, 2.—The Republican State Committee claims the election of 16 Congressmen, a Republican gain of six, and concede the election of five Democrats. The Democratic Committee claims the election of six Congressmen.

PENNSYLVANIA.

PHILADELPHIA, 2.—The weather here to-day is all that could be desired. The same report comes from all parts of the State, and with the beautiful clear sky and warm sunshine, a very heavy vote is being polled.

The figures on the State ticket come in slowly, but show an invariable plurality for Beaver (Rep.) for Governor. His plurality in this city will not fall below 25,000. The other candidates on the State ticket are well up with the head.

Bingham (Rep.) is elected to Congress in the First District; O'Neill (Rep.) in the Second; Randall (Dem.) in the Third; Kelly (Dem.) in the Fourth; Harman (Rep.) in the Fifth; Ermentrout (Dem.) in the Eighth; Helland (Rep.) in the Ninth; Snowden (Dem.) in the Eleventh; Bond (Rep.) in the Fourteenth; Marsh (Dem.) in the Nineteenth; Dalzell (Rep.) in the Twenty-second; Bayne (Rep.) in the Twenty-third.

The Democratic State Committee concede the election of Beaver for Governor by a large majority.

Chairman Cooper estimates Beaver's majority in the State at 40,000.

Only twenty-eight out of the sixty-seven counties in the State have been heard from. These show a net gain for Beaver (Rep.) of 57,253. This wipes out Patterson's plurality of 1832, and gives Beaver a plurality in the State of 17,051. The counties yet to be heard from will increase this largely. Beaver's plurality will reach close upon 40,000.

Pittsburg, 2.—Allegheny County returns are coming in slowly and are badly mixed, owing to the unusual amount of scratching. However, at 10:30 p.m., the probabilities are th

Republican State and County tickets, with the exception possibly of the Judge of the Common Pleas Court, are elected by a large majority.

SOUTH CAROLINA.

CHARLESTON, S. C., 2.—The weather is due, the voting light, and quiet reigns everywhere.

Reports from all parts of the State show a quiet election and a very light vote. There is no opposition to the Democratic State ticket or the Democratic candidates for Congress, except in the Seventh district. The vote in Charleston is ridiculously small.

The latest news as to the elections shows that in the greater part of the State the Democrats have suffered reverses. The returns are meagre, but indicate that the Legislature is largely Democratic, though the Republicans and their allies (the Independents) have made gains.

TENNESSEE.

NASHVILLE, 2, 11 p. m.—Returns up to this hour show Democratic gains all over the State, though a light vote has been polled. Bob Taylor (Dem.) for Governor is elected by between 20,000 and 25,000 majority. The Democrats gain one Congressman in the Tenth District. All the former Democratic districts return Democrats, with slightly increased majorities. The Republican Legislative ticket (Davidson) in this county has been elected.

At this hour sufficient returns are in to insure the election of the following Congressmen: The Democrats gain one in the State and reduce Houck's majority nearly 400; First District, Roderick R. Butler (Rep.); Second, L. C. Houck (Rep.); Third, J. R. Neal (Dem.); Fourth, Benton McMillen (Dem.); Fifth, Jas. B. Richardson (Dem.); Sixth, J. E. Washing (Dem.); Seventh, W. C. Whitborne (Dem.); Eighth, B. A. Enlee (Dem.); Ninth, P. T. Glass (Dem.); Tenth, James Phelan (Dem.)

TEXAS.

GALVESTON, 3.—Meagre returns received indicate the election of the entire Democratic Congressional ticket. All are members of the Forty-ninth Congress except C. B. Kilgore, of the Third District, Silas Hare, of the Fifth, Joseph Abbott of the Sixth, and L. W. Moore of the Eighth.

NEW HAMPSHIRE.

CONCORD, N. H., 3.—There has been no election of Governor by the people. Sawyer, Republican, and Cogswell, Democrat, for Governor, are running remarkably close. Wentworth, Prohibitionist, polled upwards of 2,500 votes, his strength being sufficient to defeat a choice. McKenney, Democrat, is elected to Congress in the First District, over Haynes, Republican. Gallinger, Republican, is re-elected to Congress in the Second District. In the State Senate, the Republicans will have fourteen members and the Democrats ten; in the House, the Republicans probably have twenty to thirty majority. This insures the election of a Republican United States Senator to succeed Pike.

LOUISIANA.

NEW ORLEANS, 3.—Indications point to a solid Democratic delegation to Congress from Louisiana.

NEW YORK.

NEW YORK, 3.—The *Times* says: "Returns from all the counties in this State give Rufus W. Peckham for Associate Judge of the Court of Appeals, a plurality of 10,252. These figures are, of course, subject to revision, but it is improbable that the official vote will materially change the result indicated."

The *Times* estimates that the Fiftyeth Congress will stand—Democrats, 171; Republicans, 153; Labor, 1. In the present House the Democrats have a majority of 43.

Eighteen out of the 24 Aldermen elected are Democrats.

New York, 3.—When, late last night, it was made known at the headquarters of the Central Labor Union that George was defeated, the crowd there assembled gave voice to expressions of disgust. George came into the hall at eleven o'clock and, mounting a table, addressed his supporters, saying he felt prouder than if he held in his hand the official returns making him President of the United States. Their devotion to the great cause was shown and he felt certain that under a fair count of the ballots he would be the next Mayor of New York. "If the official returns do not give me that office," he said, "it is because of the money and intimidation used, of the rum shops, of the State and National administrations, and of an unscrupulous press, the unreasonable fear of the ignorant rich and the degradation of the miserable poor. What we sought we accomplished by bringing a principle into politics," he went on to say, "and I congratulate you on the greatest of victories that we have won. Thank God we have demonstrated the political power of labor. Never again will politicians look upon the labor movement with contempt. You men who have worked night and day, without a penny, know under what disadvantages this struggle has been made; you know what enthusiasm has enabled us to do. If this is the beginning, what will be the end? I thank you from the bottom of my heart, for I feel prouder than if you had given me the highest office in the land."

The last figures for Pennsylvania give Beaver a plurality over Black of 40,240.

NEW YORK, 3.—Returns so far received point to the election of Peckham by a majority of from 5,000 to 7,000.

MICHIGAN.

DETROIT, 3.—The *Free Press* this morning concedes the Legislature to the Republicans, and says the result on the State ticket is still in doubt, with the chances in favor of the fusion candidates.

PENNSYLVANIA.

PHILADELPHIA, 3.—With the counties of Elk, Fulton, Millin and Union still to hear from, the State gives Beaver, Republican, for Governor, 46,830 plurality. The full Republican State ticket is elected by about the same figures. The Legislature will be overwhelmingly Republican in both branches, and they will have close upon 100 majority on joint ballot.

The *Tribune* claims the State for the Republicans by a plurality of from 7,000 to 10,000 and a Republican majority on joint ballot in the Legislature of 30 to 60.

INDIANA.

INDIANAPOLIS, 3.—Returns from this State indicate the election of the Republican State ticket. The Legislative ticket is still in doubt, and owing to the diversity of the interests involved, it may not be definitely known until to-morrow what the result is. The Congressional delegation probably stand six Republicans and seven Democrats, a Republican gain of three.

Indianapolis, 23.—At the Democratic headquarters at noon, it was stated that their private advices corroborated the figures indicating the Republicans had elected the State ticket. They will claim the Legislature by three majority on joint ballot. Senator Harrison says the Legislature is undoubtedly Republican. Congressman Steele, according to latest advices, has carried the Eleventh District. This makes seven Congressmen for the Republicans to six for the Democrats, a gain of three for the former. This (Marion) County has elected the full Democratic ticket with the possible exception of two judges of the Superior Court.

ILLINOIS.

ST. LOUIS, 3.—Dispatches from the Eighteenth Illinois Congressional District, printed this morning in the *Globe-Democrat*, indicate the election of Baker (Rep.) over Morrison (Dem.), but the returns are very incomplete and many Morrison precincts have not been heard from at all. In the Thirtieth Illinois Congressional District the indications from very incomplete returns point to the election of Springer (Dem.) over Connelley (Rep.) by a majority of about 600 votes.

St. Louis, 3.—Latest returns from the 18th Illinois Congressional District indicates that Morrison (Democrat) has been defeated by John Baker (Republican). The returns are still incomplete, but that Morrison's stronghold went for Baker, and it is generally thought that he will be the next Congressman from the 18th District. A dispatch was received on 'change this afternoon purporting to come from Morrison, stating that he conceded his defeat.

MISSOURI.

ST. LOUIS, 3.—Returns from yesterday's election are still incomplete, but enough has been received to show that the entire Democratic ticket has been elected.

KANSAS.

TOPEKA, Ks., 3.—The chairman of the Republican State Central Committee says: Safe estimates based on the official returns and other sources from nine counties give Martin for Governor 5,000 plurality. Should the remainder of the State vote in the same ratio, Martin will have about 35,000 plurality.

CONNECTICUT.

HARTFORD, 3.—With very few towns to hear from, the Senate stands 14 Republicans and 10 Democrats, a Republican gain of one. The lower house, with four towns to be heard from and reckoned as voting the same as last year, stands 134 Republicans, 113 Democrats, 1 Labor and 1 tie, a Republican majority of 19 or 20, and on joint ballot of from 20 to 25. The vote for Governor is Lounsbury (Rep.) 53,869; Cleveland (Dem.) 53,965; Forbes (Prohibition) 4,273; Baker (Labor) 2,410. The Legislature will elect a Republican Senator and State officers.

NEW JERSEY.

JERSEY CITY, 3.—Later returns received by the Democratic State Committee give the Democrats two majority on joint ballot in the Legislature. The Legislature is also claimed by the Republicans. McAdoo has a plurality of 2,000 for Congress in the 7th District.

MASSACHUSETTS.

BOSTON, 3.—Three hundred and thirty-five cities and towns give Ames (Rep.) 120,567, Andrews (Dem.) 111,467; Lothrop (Pro.) 8,104, giving Ames a plurality of 9,100, with 13 towns missing. These will swell Ames' vote. The Legislature will probably stand, Senate 26 Republicans and 20 Democrats, a gain of five for the Democrats; House, Republicans 154, Democrats 84, with six districts to hear from.

COLORADO.

DENVER, 3.—From meagre returns received up to noon, the indications

are that Adams (Dem.) has been elected Governor by a small majority and possibly Reid for Congressman. On account of the great amount of scratching, returns are coming in very slow. Full returns are received from only 26 precincts in Arapahoe County out of 69. They give Reid (Dem.) a majority over Symes (Rep.) of 487.

MINNESOTA.

ST. PAUL, 3.—Returns from the election are coming in slow. There is more scratching than in any gubernatorial election ever held in the State. Party lines were broken down, the labor and farmer elements combined and voted for a mixed ticket. The result is that Ames (Dem.) for Governor runs way ahead of his ticket in many places, especially in the Fifth Congressional District, where a great Republican majority has heretofore been given. In Minneapolis, McGill will probably have 1,000 majority, where the Democrats two weeks ago claimed 5,000 for Ames. This great change is attributed to the political riot of Monday night, many Democrats cutting Ames' name from the ticket and voting for the other Democratic candidates.

KENTUCKY.

Cincinnati, 23.—Speaker Carlisle concedes his defeat.

IOWA.

Des Moines, 3.—Returns received up to this time by the *State Register* show the Republican majority on the State ticket at 11,000 and probably 12,000; also show election of Republican Congressmen in eight of eleven districts. The Democrats concede the State by 10,000, and claim four Congressmen.

New York, 3.—A schooner arrived to-day from Chargres via Key West reports that on October 14th, fifty miles south of Dry Tortugas, she picked up the captain, mate and four seamen of the bark *Tres Américas*, from Barcelona for Havana, on a piece of the cabin house, they having been five days in that condition without food or water. The captain stated that the bark broke up and sunk on October 10th, during a hurricane; the balance of the crew, seven men, are supposed to have gone down with her.

KANSAS.

TOPEKA, Ks., 3.—The Chairman of the Republican Central Committee says: Safe estimates, based on official returns and other sources from nine counties, give Martin for Governor 5,000 plurality. Should the remainder of the State vote in the same ratio, Martin will have about 35,000 plurality.

Chairman Bonebrake of the Republican State Central Committee has full returns from 44 out of 96 counties of the State. Forty-one of these give Republican majorities aggregating 20,093, and three give Democratic majorities aggregating 2,900. The majority for Martin in these 44 counties is 17,125. Estimating the remainder of the State at the same ratio, Governor Martin's majority will be 37,500.

The Congressmen elected are as follows: In the First District, Merrill (Rep.); Second, Funston (Rep.); Third, Perkins (Rep.); Fourth, Ryan (Rep.); Fifth, Anderson (Ind.); Sixth, Twener (Rep.); Seventh, Peters (Rep.).

KENTUCKY.

CINCINNATI, 3.—The startling fact of the defeat of Speaker John G. Carlisle was foreshadowed in the returns received last night. From returns received to-day Speaker Carlisle himself this afternoon concedes his defeat. His successful competitor is George H. Thoebe, a native of Kentucky though of foreign parentage. He is an artist in wood carving, and has been engaged in a furniture manufactory in this city. He is described as an aquarist fit to be a leader among workmen. There was so little general knowledge of the extent of his popularity that no one dreamed of his election. It was said by the Covington *Commonwealth* a few days before the election that Thoebe had a strong following among the workmen based largely upon their objection to the free trade leaning of Carlisle and it was intimated that something of a surprise was in store. The other papers indicate that Carlisle suffered seriously from Democratic disaffection growing out of his course in relation to the Government appointments in his district.

Louisville, 3.—Reports from all the Congressional Districts show a Republican gain of at least two Congressmen in this State. It is asserted here that the Protectionists sent money in the Sixth District to defeat Carlisle. Despite Mr. Carlisle's wailing hopes this afternoon, encouraging returns have begun to come in. Kenton and Campbell Counties give 1987 majority against him. The *Sun* has special indications the following majorities for Carlisle in the remainder of the district: Pendleton county, 401; Grant, 400; Gallatin, 350; Carroll, 300; Tremble, 300; Boone, 300; total, 2,051. This showing leaves Mr. Carlisle a majority of 64 in the district, and it can readily be seen that the official count, which occurs on Friday, will have to decide it.

The city and State have been in a fever of excitement all day over the close and doubtful election results, and the *Courier-Journal* and *Times* buildings have been surrounded all day by anxious crowds who eagerly read the hourly editions.

The receipt of the announcement of John G. Carlisle's defeat was a great surprise, and for a long time was not credited. Expressions of sorrow and regret were heard on every side that

the Speaker's district had not returned him to Congress. Some even went so far as to say that they had rather lose every district in the State than John G. Carlisle.

A *Courier-Journal* special at 6 o'clock, stating that later returns would elect Carlisle by 800 majority, was received with great cheering, and there is yet a cherished hope that Carlisle is elected.

In this [the Louisville] district there was disaffection in the party, 25 per cent, of the registered Democratic voters stayed away from the polls, and it is asserted that many of Willis' friends worked and voted for the Republican nominee.

Full returns are in to-night, and the supervisor's count gives the Democratic candidate 40 majority. The *Courier-Journal's* figures make his majority 103.

MINNESOTA.

ST. PAUL, 3.—The entire Republican State ticket has been elected in Minnesota by majorities of 10,000 to 13,000. On joint ballot the Republicans will probably have a safe working majority in the State Legislature, though it is possible the farmers' alliance may hold the balance of power. The alliance vote has been one of the most serious influences affecting the Republican vote. The vote for the Prohibition State ticket, while larger than ever before polled for Prohibition in this State, is still too small to cut any figure, except in isolated districts. The bulk of it has come from the Democrats not in sympathy with the low license platform of their party. It is yet too early to forecast the vote of the Legislature on high license or United States Senator. The reduced vote of the Republican party on the State and Congressional tickets is, it is claimed, quite as much due to the broils and discussions of the party in the State Convention, as to the vigorous fight made by the Democrats. For the first time in the history of the State the Democrats are greatly elated over the election of three Congressmen, and are hardly yet willing to concede the defeat of Ames.

Late returns to-night have so cut down the Republican majority on the State ticket that the *Pioneer Press* now claims McGill's election by only about 5,000 majority, though asserting that the rest of the State ticket will have 10,000 or 15,000. It concedes the election of three Democratic Congressmen.

The editor of the *Globe*, a Democratic newspaper, while not prepared to concede the election of McGill, admits that the indications now point to his having about 3,000 majority.

MASSACHUSETTS.

BOSTON, 3.—Three hundred and thirty-five cities and towns give Ames (Rep.) 120,567, Andrews (Dem.) 111,467; Lothrop (Pro.) 8,104, giving Ames a plurality of 9,100, within 13 towns missing. These will swell Ames' vote. The Legislature will probably stand: Senate: 26 Republicans; 20 Democrats, a gain of three for the Democrats. House: Republican, 154; Democrats, 84, with six districts to hear from.

Returns from all but two towns in the State give the following vote for Governor: Ames (Rep.) 121,764; Andrews (Dem.) 112,360; Lothrop (Pro.) 8,148. For Lieutenant-Governor: Brackett (Rep.) 118,211; Foster (Dem.) 114,310; Blackmer (Pro.) 8,340. The election of Donovan (Dem.) in the Eighth District over Allen (Rep.) was erroneous, Allen having a fair plurality. Corrected returns from the Ninth give Burnett (Dem.) a plurality of only 25. Russell is elected in the Tenth.

MARYLAND.

BALTIMORE, 3.—Full returns from the State do not change the result as announced last night; five Democratic and one Republican Congressmen were elected.

NEW HAMPSHIRE.

CONCORD, 3.—There has been no election of Governor by the people, Sawyer (Rep.) and Cogswell (Dem.) for Governor, racing remarkably close. Wentworth (Pro.) polled upwards of 2,500 votes, his strength being sufficient to defeat a choice. McKenney (Dem.) is elected to Congress in the First District over Haynes (Rep.) Gallinger (Rep.) is re-elected to Congress in the Second District.

In the State Senate the Republicans will have 14 members, and the Democrats 10. In the House, the Republicans probably have 20 to 30 majority. This insures the election of a Republican United States Senator to succeed Pike.

Returns from all but 40 towns and wards in the State give Sawyer (Rep.) for Governor, 33,423; Cogswell (Dem.) 33,174; Wentworth (Pro.) 1,878; Carpenter (Greenbacker) 11. The towns to hear from will increase Cogswell's vote so that it will exceed Sawyer's total. The vote of the State for Governor will be less than 60,000, a falling off of nearly 14,000 as compared with 1884.

The result in the First Congressional District is somewhat in doubt, with the chances favoring McKinney (Dem.) although the Republican State Committee do not yet concede Pain's defeat.

Gallinger (Rep.) in the Second District, is elected by a reduced plurality.

The Council will stand: Republicans 4 to 1. The Senate is Republican 14 to 10, though there is some doubt in one or two districts, and the House is Republican by a good working majority. The Republican majority in the Legislature insures the election of Sawyer as Governor and a Republican United States Senator.
