

COURT NEWS

SEEK HOME FOR CHILD.

Pretty Helen Hall, aged 3 years, who was taken away from her mother, Ione Hall, in a Greek coffee house yesterday on West Second South street, was adjudged a delinquent in the juvenile court today. Her mother will be cited to appear tomorrow on the charge of contributing to her delinquency. It is probable that the officers of the juvenile court will attempt to find a home for her.

JUDGE MUNGER COMING.

Judge Thomas C. Munger of Lincoln, Neb., has been assigned by Circuit Judge Walter H. Sanborn of St. Louis, to take the place of Judge Marshall in the United States district court during the April term. The appointment of Judge Munger is the first made, not owing to sickness in the family, Judge Munger has been excused from service here. It is expected that Judge Munger will be here on Sunday so as to take up the work in the court which opens on Monday, April 12.

VERDICT IS SET ASIDE.

Judge Fitch set aside the verdict of \$250 in the case of J. Boyd Gordon, administrator of the estate of S. R. Landmann, against the Utah Light & Railroad company and granted a new trial. The suit was brought to recover \$50,000 for the death of Landmann, who was killed on May 17, 1901.

DISTRICT COURT NOTES.

Mrs. Beatrice E. Nichols seeks a \$1,000 divorce from her husband, George E. Nichols, in a complaint filed late yesterday afternoon charging him with non-support. They were married in Salt Lake Sept. 17, 1904, and in August 1906 he left her and since that time has not provided for her in any way. She asks for suitable alimony and \$75 attorney's fees.

In his answer filed yesterday to the complaint of his wife, Mrs. Vere O. Powell, who seeks a divorce on the grounds of desertion and cruelty, John R. Powell denied the paternity of Margaret, their 2-year-old daughter. They were married on Dec. 18, 1906, in Salt Lake and a short time afterward, he said the child was born. He denies also that he is worth \$1000 and has an income of \$100. He says that he is willing to allow her a decree of divorce and the custody of the child, but that there ought not to be a division of the property.

In a suit filed yesterday in the city court against the Royal Laundry company, J. A. Ertch, seeks to oust them from his building at 125 and 129 East First South street and asks for \$20 a day for every day the company has occupied the premises since March 21, and the restitution of the property. The Royal Laundry company is seeking a new building and agreed to vacate the present location on March 21. Because the company's new building has been delayed, the laundry has been unable to move out.

RAILROAD NEWS

ARE NEARER TOGETHER.

Harriman and Hill Agents Hold Conference Over Situation at Portland.

Portland, Ore., April 8.—The long-expected terminal conference between the Hill and Harriman interests occurred here today. No settlement of the issues of the controversy was reached, but a number of details in dispute were disposed of, the nature of which was not revealed.

Statements made by both President Louis Hill and Gen. Manager O'Brien following the session, agreed that the two great rival railroad powers are nearer together than they have been in this matter before.

FIGURES STAGGERING.

Cost of Electrifying Illinois Central Railroad Runs Up Into Millions.

Chicago, April 8.—In view of the fact that the Illinois Central is making an honest effort toward electrification, I think that the attempt to get a measure passed, such as the Gardner bill, in the state senate is ill advised and unfair.

This statement was made by J. T. Harriman, president of the Illinois Central road, when asked his view upon the latest phase of the contest against smoke, giving cities the right to prescribe the railroad motive power within their corporate limits.

"If Mayor Bume is back of the move," he continued, "I am not surprised, because in all our conferences he has seemed to be satisfied with the position taken by the road—settled him at least, that we are making honest investigation of the question."

It was suggested that possibly the statements by Edward H. Harriman that electrification was a good deal of a luxury and that it might cripple the road financially had influenced the legislative move.

"Possibly so," replied Mr. Harriman, "but I think that a too serious import was placed upon his statements. Just before making them he had been given an estimate of the cost of electrifying the lines and I guess he was somewhat staggered by it."

One figure which startled Mr. Harriman was \$5,000,000 which is the estimate of the cost of electrification of the passenger tracks alone.

ern officials of the Pennsylvania lines was concluded yesterday afternoon, and General Manager Dawson, N. P. Kenney, Spokane agent, Leon Engstrom, Salt Lake agent and F. L. Borton, western superintendent of the line left for Little Rock evening.

J. H. Harvey, traveling passenger manager of the Colorado Springs & Chippewa Creek district railway, is in Salt Lake for a few weeks in the interest of his road.

E. J. Stoll, traveling freight agent of the Nickel Plate line, with headquarters at Omaha, is in the city. Mr. Stoll expresses his belief that the business of the coming summer will show at least one-third increase over any previous year for western travel.

Major S. K. Hooper, general passenger and ticket agent of the Denver & Rio Grande railroad, returned to Denver this afternoon, after attending the meetings of the passenger department heads in this city during the last three days.

T. C. Peck, general passenger agent of the Salt Lake route, and A. T. Lewis, chief rate clerk, left for Los Angeles last evening, after the closing session of the passenger rate conference.

J. H. Hornung, general agent of the Denver & Rio Grande at Mantle, is in the city today on business.

UNIVERSITY NEWS

At the John R. Park debate held at the U. of U. last evening, J. M. Carlson, H. A. Hartley and H. B. Anderson were chosen to form a team to debate with the Colorado College two weeks hence. The debate will be held in this city. Mr. Carlson was in the team that met the University of Colorado last year, but not Mr. Hartley nor Mr. Anderson have participated in interstate debate. Both, however, are prominent in local debating circles.

The fourth and fifth year normal girls will entertain at the next meeting of the Woman's league. A reception is to be held in the library hall Monday, from 3 to 5 o'clock.

Next week the senior normal students will spend all week visiting schools, Monday, Tuesday and Wednesday in the schools of the city and county; Thursday and Friday at the training school. This will be the final preparation for practice for the last term, beginning the following week.

For class day the senior normals have selected a play called "School," by T. W. Robbins, an English playwright. Changes in characters and settings have been made to meet local conditions.

Week after next the junior class will edit the University Chronicle, and the book is expected to be a "red letter" number.

L. D. S. UNIVERSITY

Arrangements have been made for the usual summer course in connection with the business college, to begin May 21 and to continue till Aug. 7. Several of the regular teachers will conduct the work.

The authorities of the school have authorized the publication of a unique catalogue for the business college this year. It will be a work of art as well as an announcement of courses. Paper, typography, and illustrations are to be of the highest order.

President E. H. Snow of the St. George stake is speaking at the devotional exercises. His subject was the cultivation of the sense of propriety in life. Elder John Henry Smith was the speaker yesterday morning.

It is understood that the list of graduates this year, including those of the high school and the business department, will number about 40. It will be the largest graduating class in several years.

The frame work of the new gymnasium is nearly completed. No building in course of erection in the city is being watched by so many eager eyes as this one. It is understood that the main floor, the swimming pool, and running track will be ready by the fall opening of school.

WARD ENTERTAINMENTS

Thirty-first Ward.—At the Thirty-first ward an entertainment will be given tonight in honor of Miss Marion Lyman and Caleb Squires, who will shortly leave on missions, the former to the Sandwich Islands, the latter to the Eastern States. McFarland, Irene White, Margaret Summerville, Lillie McFarland, Walter S. Lamoreaux, the Onega Juvenile orchestra, the Hawaiian Troubadours and the Eleventh ward ladies' double quartet.

Sixteenth Ward.—The Religion class of the Sixteenth ward will give a dance and musical entertainment in the hall tomorrow afternoon, commencing at 3 o'clock, the proceeds of which will be devoted to the Land School for Boys. The young people to take part on the program are the following: June McCune, George and Stella Lund, Magdalene Mackintosh, Victoria McCune, Marie Lund, Florence Oremaster.

Sugar House Ward.—There will be a farewell reception this evening, to the Sugar House ward meetinghouse in honor of Elder Clinton Alston, who is about to leave on a mission to Great Britain. A fine program has been arranged in which will appear Miss Nellie Keddington, Miss Thelma Baskard, Miss Ida Morris, Charles O. Hakosio, William Holmes, Walter J. Burton, A. K. Houghton, J. C. Smith, Clinton Alston, the Mandolin and Guitar club, and the Schubert Men's quartet consisting of J. Moncarr, D. M. Burt, H. J. Christensen, W. L. Richardson.

LATE LOCALS

Jacklin For Hatchers.—Fred W. Chastain, fish and game commissioner, announced yesterday that Elna S. Jacklin, superintendent of the Government hatchery at Murray, will retain his position, after visiting the hatchery. It is estimated that 500,000 fry will be planted in the next few weeks in streams throughout the state.

Locan Bank Clearings.—Today's local bank clearings amounted to \$1,162,211.64, as compared with \$867,285.36 for the same day last year.

WEATHER REPORT

A high barometric pressure prevails all over the United States today so that the precipitation is reduced to its lowest terms. Beautiful weather appears to be everywhere, including this valley, and with the barometer in its present status, with the local weather office in predicting "fair and warmer" for tomorrow, with a strong probability of the same condition obtaining Monday.

The temperature has fallen, as a rule, over the eastern, middle and southern states with frosts in the middle Mississippi valley. Over the west and northwest portion of the country the temperature has risen generally. Low barometric pressure prevails over the eastern and southern states, causing rain or snow over a large area. Over the middle west the barometer is higher.

METEOLOGICAL REPORT.
