PRICE OF LEAD IS FIXED.

Will be \$4 for Rest of Year—Preston Broughton Leaves—Silver Shield New Ore Chute—Notes.

Important Copper Strike.

An important strike is reported to have been made in the Coeur d'Alene district last Saturday. In recording it the Walla Walla, Idaho, correspondent of the Spokane Review says: A telephone message from array this morning stated that what is believed to be the biggest strike ever made in that district was made yesterday afternoon on a claim only a quarter of a mile up Priest-creek from the town. The new discovery is of copper, native copper, native copper, wire copper and copper in almost every known form is being thrown out with every shot.

Northern Light Mining.

The Northern Light Mining company derived \$1,800 from its last shipment of pyrites. At the present rate the secretary says the company will probably be able to continue its operations for some time longer.
