

PREST. EDWARD PARTRIDGE DEAD

Passed From This Life at an Early Hour Today—Regret at the Death of a Highly Respected Citizen—His Useful Career.

(SPECIAL TO THE "NEWS.")

Provo, Nov. 17.—President Edward Partridge of the Utah Stake of Zion passed peacefully away at 11 minutes after 4 o'clock this morning, at his home in the Fourth ward, Provo, surrounded by members of his family and friends. He has been confined to his bed for about three weeks, first suffering from pleurisy, and for a week past from typhoid fever. He has not spoken since 2 o'clock Wednesday morning, and has been unconscious most of the time. Previous to the illness which caused his death Elder Partridge had been in feeble health for some months, and when it became necessary for him to take to his bed he had little hope of or desire for recovery, even before his illness was considered fatal. He was ready and willing to leave this sphere of action and join the many friends who have passed beyond the veil.

President Partridge was a quiet, unobtrusive, sensitive man, whose whole life has been devoted to the furtherance of the work of God. He was earnest and sincere in all his undertakings, and merited and enjoyed the respect of the community. He had many friends in various parts of the State where he has lived. His life has been busy and well spent, and he leaves a record without blemish to be cherished and honored by his posterity through coming generations. He was an example of unselfish devotion to the Gospel, his course in life being worthy of emulation by all Latter-day Saints.

Edward Partridge was born at Independence, Missouri, June 25, 1832. His parents were Edward and Lydia Clisbee Partridge, his father being the first Bishop in the Church. The earliest recollections of President Partridge were of the mobbing of the Saints in Missouri. When eight years and two days of age he was baptized in the Mississippi river. He came to Utah with his mother and other members of the family in 1848, his father having died in 1840. In 1854 he was called to fill a mission to the Sandwich Islands, where he labored three years. On February 4th, 1858, he married Miss Sarah Loretta Clayton, a daughter of the late Wm. Clayton, and moved south at the time of the "Move." Shortly after

returning he was set apart as a member of the High Council of Salt Lake Stake, and lived for several years in Farmington, where he had charge of Apostle Amasa Lyman's farm. On February 15th, 1862, he married Miss Elizabeth Buxton.

In 1864 he moved to Fillmore, Millard county. On May 9th, 1864, he was set apart as Bishop of Fillmore, which position he filled for a number of years. In 1877 he was called to the office of counselor to President Hinckley, of the Millard Stake. On May 1st, 1882, he left on a second mission to the Sandwich Islands, taking a part of his family with him. He was president of the mission for nearly three years, returning in March, 1885.

After his return President Partridge located in Provo in order to take advantage of the educational facilities offered by the Brigham Young academy, for the benefit of his children. He was soon after called to labor as a home missionary, and to the office of alternate to the High Council, High Councilor, and in 1892 became second counselor to President A. O. Smoot in the Stake presidency. At the death of the latter, in 1896, President Partridge was called to fill the vacancy, and has since held that position.

Elder Partridge has filled many other offices of honor and trust in the Church and State. He served in the Territorial Legislature and was a member of the State Constitutional convention in 1895. He has filled every position with honor and integrity. He was the father of seventeen children, twelve of whom are living, and are men and women of high standing in the community in which they reside. He has twenty-four grandchildren and one great-grandchild living. He has been very diligent during his life in keeping his journal and genealogy, and much valuable historical data and reminiscences of prominent men and events connected with the Church are recorded in the former.

President Partridge's death caused a feeling of deep regret in our community, though it has been expected for several days. His upright character had won for him the friendship of all the people, who sincerely sympathize with the bereaved relatives. The funeral will be held on Monday next, at 1 o'clock p. m., in the Stake tabernacle at Provo.

Salt Laker Takes in the Town and Claims He Was Hobbed While He Slept—New Cracker Factory.

State of Utah vs John J. Ford and John Valentine. The defendants were arranged and each pleaded guilty to the charge of burglarizing the Smith Lodge house on Grant Avenue. Date of sentence was set for Monday, Nov. 19, 1900.

State of Utah vs August Johnson, charged with burglarizing the machine shop of A. W. Brown, entered a plea of not guilty. The court appointed Elijah Farr, Esq., to defend him.

State of Utah vs James Brady. The defendant appeared to receive sentence, for burglarizing the Bie's butcher shop to which charge he pleaded guilty. Court sentenced him to one year in the State prison.

In the case of Rose B. Miller, a decree of divorce was granted as prayed for and custody of minor child was awarded the plaintiff.

In the case of Brooks vs North, in which the plaintiff asked for judgment in the sum of \$150, the testimony of the plaintiff and defendant, and the case was submitted without argument, and the court dismissed the case at cost of plaintiff.

THE HERROLD ESCAPE.

The young man named W. T. Herrold, of Willard, who made for himself a bad record in Ogden during the past ten days, has now fixed up his various peccadilloes, and it is hoped, made a resolution to do better. The case against him for stealing the horse was dismissed, as he had not taken the animal out of the city and the case against him for drinking bootlegged whiskey was closed up by his brother paying the amount of the checks. He was given a hearing before Judge Wardleigh yesterday afternoon on the charge of stealing the gold watch from Miss Barker of Five Points, and fined \$25 and costs, which amount he paid, and was released. This closes up the young man's misdeeds, but he still owes \$100 to settle up for his few days' fun and save himself from imprisonment in the penitentiary.

ROBBED WHILE HE SLEPT.

E. M. Anderson, who stated that he lived on Grape street, Salt Lake City, reported to the police last night, that he had been robbed of \$670. He came up, he said, from Salt Lake yesterday morning with the intention of locating at Ogden. At the Union depot he met a friend from Aspen, Wyo. Together they went to a saloon, where they took very much to drink, and the friend said he was going to Salt Lake, and Anderson started out to take in the town. Some time during the evening he entered the Zang building, in course of execution at the corner of Twenty-sixth street and Lincoln avenue, and went to sleep. About 11 o'clock he awoke and discovered that his money, a roll of bank notes, was missing. He reported the matter to the police station, and Captain Browning began work on the case. An officer was detailed to accompany Anderson, but no clue could be discovered as to the identity of the thief.

TAX PAYMENTS.

Thursday was the last day for the paying of taxes for this year before they became delinquent, but yesterday and today a large number of taxpayers were hard at work at fixing up the taxes with the banks and railroad companies. Up to date there has been about \$225,000 paid into the treasury on the taxes, leaving a balance of about \$75,000 delinquent.

NEW CRACKER FACTORY.

There will be a new cracker factory open up in Ogden Monday morning to be known as the United States Cracker Factory. It will be owned and operated by George A. Craig. The old Ballantine building on Wall Avenue between Twenty-fourth and Twenty-fifth streets has been remodeled and fitted with the necessary machinery for the factory. Mr. Craig intends manufacturing some of the finest grades of crackers to be bought and put on the market at low rates. The brand of the crackers will be the "Star."

DIED.

November 16, Charles F. infant son of Charles and Jane Brown of West Weber, at the home of his grandparents, Mr. and Mrs. Charles Summerville, in Stewart's Lane. The funeral services will be held at Mr. Summerville's residence Sunday afternoon at 4 o'clock. Friends invited.

The funeral service over the remains of Mrs. Alice Blair Watkins was held yesterday afternoon in the Fourth ward meeting house. The attendance was very large. Bishop's Counselor G. W. Ham reaid. The ward choir furnished the music. The speakers were Elders Edward H. Anderson, G. J. S. Ables and Bishop Woolley, each speaking impressively of the noble God-fearing life of the deceased, and her usefulness in her sphere in the Church of Jesus Christ and in her home. The funeral cortege which followed her remains to their last resting place was very large, and the casket was covered with beautiful floral designs. The interment took place in the city cemetery.

The remains of George F. Driver, infant son of Mr. and Mrs. George W. Driver, were laid to rest yesterday afternoon in the city cemetery. The funeral services were held at the family residence. Very interesting and consoling addresses were delivered by Apostle John Henry Smith and Elder Ben E. Rich. The attendance was very large and there was a profusion of elegant floral designs.

JOHNSON-CHARLES NUPTIALS.

Marriage license was granted to J. E. Johnson, 28, and Miss Agnes M. Johnson, 20, both of Salt Lake City; they were married by Justice Hall.

The Ogden Sugar Factory made another payment to the best growers and employees, distributing about \$30,000, and the influence of the same has been felt by the merchants today.

Sheriff Cordon of Brigham City was in Ogden yesterday today subpoenaing witnesses in the case of the State of Utah vs Burke, charged with murder.

PROVO.

IN A MERRY FLIGHT.

Young People Held on a Serious Charge—An Afflicted Child.

Special Correspondence.

Provo, Utah Co., Nov. 17.—The Provo people, whose actions brought trouble on them when they visited Provo, Thursday, as noted yesterday in the "News," were disposed of by Justice King in the following manner:

Charles Groesbeck, charged with grand larceny, because he rode home in Mr. Kimb's buggy, without getting permission from the owner, said he knew nothing whatever about the affair, and had not taken nor used the buggy. He would, however, in order to save any further trouble, plead guilty to a charge of petty larceny. The county attorney accommodated him and changed the complaint, and Groesbeck was fined \$25, which he is serving out in the county jail.

AN AFFLICTED CHILD.

Elliott Sorenson, the 12-year-old daughter of Mr. and Mrs. Christian Sorenson of Provo, whose legs were amputated below the knees a few days ago, on account of gangrene, is in a very critical condition. The mortification has continued after the operation, and it is considered necessary to perform another amputation, which was to take place today. It is feared the child will not be able to survive the effects of the second operation.

PROCTER ANNIVERSARY.

The faculty, pupils and friends of the Procter academy will celebrate the eighteenth anniversary of the beginning of the school, next Tuesday evening, and evening. An artistic souvenir brochure, giving a brief history of the academy from its commencement with six pupils, has been arranged for the occasion. A program of music, songs, readings and speeches has also been prepared. Among the speakers are Judge Dusenberry, State Superintendent E. Smith, and Rev. C. T. Brown. It is the intention to organize an alumni association.

WENT TO SALT LAKE.

Warren Conrad, the young man who left Mercur Sunday evening on horse belonging to Berry Bros. of that place, with the understanding that he was going to Ophir, and whose failure to return caused considerable anxiety to his parents here, has been heard from after he left the mining town. It appears that he went to Lehi last Saturday night, and left the horse there at the city stable. Where he went to from there is not known, but it is thought he took the train for Salt Lake. He has been away from home the greater part of the time for several years, and it is felt he has become somewhat reckless in his conduct. His parents, who are highly respected citizens, are much worried over his unceremonious departure, and are trying to learn of his whereabouts.

GENERAL NEWS NOTES.

The Woman's Christian Temperance Union will meet Monday, at the home of Mrs. Mary M. Boyd.

Word was received here yesterday of the death of Bishop Andrew E. Nielson of the Fourth ward of Spanish Fork. A heavy rain set in about 8 o'clock last evening, and continued for a greater part of the night.

Martha Cook has petitioned for letters of administration in the estate of her husband, George E. Cook, deceased, of Provo.

LOGAN.

CACHE COUNTY RETURNS.

Logan and Lewiston Working for Site of Sugar Factory.

Special Correspondence.

Logan, Cache Co., Nov. 16.—Since the recent visit of Messrs. Nibley and Eccles to this county, the matter of the location of the Cache Valley sugar factory has been uppermost in the minds of the people of the various sections of the county. The above named gentlemen appointed Mr. Orson Smith of this city to look after the matter, and he has been visiting the site offered at Lewiston and Logan.

As a requisite to securing the location of the factory, 100 acres of land are asked, with right of way for a railway spur. The citizens of Lewiston, by popular subscription, have complied with these conditions.

Mayor Anderson of this city took the matter in hand and appointed a committee, consisting of Aaron F. Parr, J. Lorenzo Hansen, Henry G. Hayball, J. Z. Stewart and himself to act for the people of Logan. A mass meeting to consider the matter has been called at the court house this evening. It is understood the committee has secured an option on Mr. Mark Fletcher's farm, situated two or three miles southwest of Logan, for \$5,000, which tract is said to answer the purpose capitally. Thus far no proposition has been made by the southern portion of the county, the distance from the railroad probably making the undertaking too expensive for the citizens of that locality. But the people of Lewiston and Logan are earnestly working for the prize, with chances in their favor.

ELECTION RETURNS.

Following are the figures on the elec-

tion returns in Cache county, so far as compiled to date. The first named candidates in each instance being Republican.

NOTES FROM THE COLLEGES.

Art Exhibition and Lectures Attract Numerous Visitors.

Logan, Nov. 16.—This week has been a very busy one at the Brigham Young College. Many people of the city and county and of neighboring cities have thronged the gymnasium to view the beautiful works of art. Teachers and students have very much appreciated the presence of the exhibition which, with the excellent lectures that have been given, has created a lasting impression for the improvement of the fine arts. As a consequence of the exhibition the college has had many visitors this week.

In the biological laboratory, the advanced students have been following a very interesting line of research, ever since school started. This work has been a careful study of minute forms of plants and animals, and when one visits and looks over the results of their work, and sees the great magnifying they have represented by drawings, he cannot but conclude with the great scientist, that there is another world of life besides our own. The elementary students of biology have also done good work. The cross section of frog, pigeon and rabbit are among the animals they have dissected, and a large collection of marine animals are ordered for further dissection.

The scientific method of of, and are extending their congratulations to the college artist, A. B. Wright, whose designs are very highly spoken of by visiting artists.

Mr. Sears, a visiting artist, gave some very encouraging remarks to the students in chapel, Thursday morning, and Mrs. Horne, also one of the artists of the exhibition, addressed the students Friday morning.

The members of the faculty are practicing basketball every night, and they think they will no doubt take the game at the meet on Thanksgiving day.

AGRICULTURAL COLLEGE.

The trustees met at the college on Saturday. Messrs. McCormick and Adams were present, also Messrs. McCallister and Hanson of Logan, were present. Little business was done except to settle on the various sums to be asked from the legislature for the general maintenance of the college the next two years, and for improvements and repairs.

Professor Close is making a tour of the State with the officers of the State Horticultural society, under the direction of the board.

President Kerr has been absent from the college for several days, but returned on Wednesday.

Several members of the Art Institute, now holding an exhibition in the city, were present at chapel Tuesday and Wednesday mornings. Mr. H. L. A. Culmer, president, gave the students both mornings very suggestive and practical, as well as instructive, talks in matters connected with art. Among the topics discussed were colors in home decoration, and the use of color in costume, and in nature; and the most obvious principles for judging paintings.

A game of football is arranged between the college and University teams for Saturday, during the hour for military drill.

State Superintendent of Schools McKivier was a visitor at the college Tuesday, along with County Superintendent of Schools Thompson.

Dr. and Mrs. Jones of Provo were at the college during the week.

Mrs. Dr. Gowans has been seriously ill for several days, but is convalescent.

Professor Swendsen starts in a day or two on a month's tour of colleges interested in irrigation engineering, and during his absence will attend the irrigation congress at Chicago.

SPRINGVILLE.

FUNERAL OF CHARLES PARRY.

"Smallpox" Situation No Better—Schools Again Open.

Special Correspondence.

Springville, Utah Co., Nov. 17.—The funeral services over the remains of Charles Parry were held yesterday in the Latter-day Saints meeting house. Bishop G. R. Hill was in charge and remarks were made by Jas. E. Hall, O. M. Mowry and Bishop Hill. Elder Parry was an exemplary young man, an earnest worker in Church organizations. He was a counselor in the M. L. A. and ever found at his post.

The "smallpox" situation is not improved. There are some eight cases in the city but all are quarantined and care is exercised to stop its spread.

F. Boyer, returned to his home Thursday evening after an absence of six months in the employ of Deal Bros. & Mendenhall.

The schools are again in running order but there is not more than 50 per cent of the previous enrollment in attendance.

A concert was given last night to raise means to pay off a debt contracted in beautifying the meeting house. A good sum was realized.

Spread Like Wildfire.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Boiseville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years. You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nervous system. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, cures the various ailments. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price, 50 cents. Sold by Z. C. M. I. Drug Dept.

Rheumatism

This disease generally begins with a slight pain in the joints and, if proper treatment is begun in time the agonies that would otherwise follow can be averted. Even in cases that have become aggravated a remedy now exists that promises a certain and lasting cure, as will be seen by the following sworn statement. Mr. Frank Remmel, 709 Meigs Street, Elmira, N. Y., was laid up with rheumatism which resulted from standing during his work upon a damp floor. He says:

"About a year ago I was attacked with rheumatism in my feet and legs, chiefly in my legs. They swelled greatly and became very stiff and sore. Whenever I attempted to walk the pain was awful. I had been suffering in this way for about three months when someone handed me a pamphlet advertising Dr. Williams' Pink Pills for Pale People. I read it through carefully and made up my mind to give them a fair trial. Fortunately I was anxious to be relieved of my sufferings, but I knew that unless I could get relief I would soon have to give up work altogether and this I could not afford to do. I got two boxes at first and by the time the second one was used up I began to feel decidedly better. The swelling was going down, and the stiffness and pain were much less and I found I could get about much better. I got three more boxes and by the time the last one had been taken I was entirely free from the swelling, the pain and the stiffness. In fact I was cured, and I am glad to say that I have had no return of the trouble since."

READY FOR SCHOOL ELECTION

School Board Will Establish Two Polling Places in Each Municipal Ward.

A brief meeting was held last night by the school board to conclude preparations for the school election to be held on Dec. 5th. The board decided that one polling place in a municipal ward would not be sufficient, and it was therefore decided to have two polling places in each of the five city wards. The polls will open at 7 a. m. and close at 7 p. m. The members of the board were authorized to select judges of election in their respective precincts.

The contract to improve the drainage of the Franklin school was let to W. J. Tuddenham for \$1,307.

Appropriations were made, amounting to \$2,448.15.

OLD UNIVERSITY BUILDINGS

Secretary Groo of the State land board is in receipt of a communication from the University regents stating that on December 1st next they would give up possession of the old University building and grounds, pursuant to the law creating the funds for the erection of the new University buildings. Upon motion, the executive committee of the land board at yesterday's meeting was authorized to lease the old buildings and keep them in repair until such a time as the board shall offer the property for sale.

MARK CANNON HOME AGAIN.

returns from Canada With a Ruddy Glow on His Face.

Mark Y. Cannon, son of President George Q. Cannon, came down from Canada last night, after being in the north for over eight months. Mr. Cannon wears a very ruddy glow on his affable countenance, which indicates that he has enjoyed excellent health while away. He will only be here about six weeks, and they say that Mark will return with a female companion. His many friends are glad to see him and to hear that he has prospered in Canada. He thinks that is the best land that lies out of doors. The people there are prospering, the canal and railroad have been completed and the cattle are rolling in flesh.

Mark figured prominently in the railroad wreck in Beaver canyon the other night, having taken an aerial flight

the entire length of one of the cars, but he was not injured beyond some slight bruises on the body.

He says the sight of the two carloads of mangled horse was one of the most ghastly he ever witnessed.

TODAY'S RECITAL.

In spite of the stormy weather, something like 500 people attended the Tabernacle recital this morning, and listened to the rare program provided by Prof. McClellan. Where so many beautiful numbers were provided, it would be hard to select any special one for mention, but it is not too much to say that the Lemare selection "To My Wife" called forth the most rapturous exclamations on the part of the listeners. It is a divinely tender composition, and divinely was it rendered by Mr. McClellan. "The Lost Chord" and the exquisite "Traumerei" are also entitled to be specially named. As Prof. McClellan only received the music for the Lucia Sextette last yesterday, he did not have the opportunity of making all that was possible out of that selection. The tempo was a little hurried, and the expression marks somewhat lost sight of, faults which another rendition will easily correct.

The assisting artists were Prof. Giles, whose Norwegian number was particularly beautiful, and Mr. John Robinson, whose sweet baritone voice was heard to charming effect in two numbers.
