

FLORENCE Sewing Machine!

Has received the Highest Premiums at all important Fairs held in this country and Europe, where critical examination and Practical Tests have been made by Judges of the highest standing, capable of giving an intelligent decision.

In addition to this the FLORENCE has received the verdict of

POPULAR APPROVAL all over the World, as evidenced by its **IMMENSE SALE** and **Universal Favor**.

There are three hundred Florence Sewing Machines in Utah Territory, sold by former agents, and by Chicago and St. Louis Agents.

In answer to advertisement offering to attend to any not giving satisfaction, free of charge, three Machines have been presented, needing slight repairs, **JUST ONE IN ONE HUNDRED**, after four years of service.

MRS. JOSEPH BULL, in the 17th Ward, has just purchased a Florence Machine. We are permitted to refer to her, and esteem her recommendation a mark of superiority, as Mrs. Bull has had much experience in the use of various Sewing Machines.

MRS. SPIRING, Dressmaker, 14th Ward, says: "I have used a Florence Family Sewing Machine for several years past, having it almost constantly in use, and during that time, it has never dropped a stitch, or been out of order a minute."

CAPT. HOOPEE says: "I have a Florence in my family. For general family use, the Florence is the best."

MRS. PAXTON, living nine miles south on the State Road, says: "I have a Wheeler & Wilson. My neighbor, MRS. WESTER, has a Florence. When I go over and see how much she can do on her Florence, and how easily it is done, I feel like showing my Wheeler & Wilson away in the garage, so that none may know I have a Sewing Machine."

ALFRED BEST, after actual purchase, and fair trial of other first-class Machines, and the Florence, adopts the Florence as every way the best for general family use.

MRS. WARREN HUSSEY, after many years experience with various Sewing Machines, pronounces the Florence ahead of all others in all the requisites of a first-class Sewing Machine. Simplicity, reliability, quiet, and rapid motion.

MR. SMITH of W. F. & Co., purchased a Florence about two weeks ago. A few days after,

MRS. MORE, purchased one, and now another of Wells Fargo & Co.'s employees is about purchasing. Thus proving that the practical test of the Florence Sewing Machine is its own best recommendation.

MRS. SHURTLEIFF, of Mill Creek, says: "I am delighted with my Florence. I don't believe anybody would purchase any other Machine if they would once give the Florence a fair trial."

COL. JACKSON, brought a Sewing Machine up from St. George, for repair; could find no one in Salt Lake able to fix it; took a new FLORENCE home with him last week, as he was determined to have a RELIABLE SEWING MACHINE, before hauling it two hundred miles home.

MRS. STEVENSON and MRS. CRANDELL, of Springville, purchased Florence Sewing Machines, last week, after carefully examining into the merits and demerits of the various Sewing Machines on sale in this City.

DAVID MILLER, WILLIAM MILLER, MRS. SHURTLEIFF, and several others at and near Farmington, have within the last few weeks purchased Florence Family Sewing Machines, after satisfying themselves of their great superiority.

MR. JEREMY, WILLIAM SLOAN, MRS. STRABIDGE, and W. D. BROWN, of Salt Lake City, have recently purchased Florence Machines.

The Florence is the latest improvement in Sewing Machines, embodying the good qualities of the older machines with other new and eminently useful features, the result of years of careful labor, making it a most COMPLETE AND PRACTICAL machine, easily managed, and requiring but little skill and experience to operate it successfully.

The Florence will sew everything needed in a family, from the heaviest to the lightest fabric; and it is seldom if ever necessary to make any change in the machine for different kinds of work. It is the only machine that can sew in more than one direction, having a reversible feed. It is the only machine having a self-adjusting shuttle tension—a great improvement. It is the only machine making more than one kind of stitch. It is the only machine that ties the thread at the end of a seam, doing it better and quicker than a seamstress can.

The lock stitch of the Florence (both sides of seam alike) differs from the lock stitch made by other machines in elasticity. The seam will stretch as much as the cloth, never giving way in washing, which is of the greatest importance in the sewing for a family. The lock stitch of the Florence is more like good hand sewing. Both sides being alike, either side may be the right side, and the fabric can be sewed either side uppermost, as most convenient.

The Florence is warranted to give satisfaction. Many not succeeding with others have no trouble with the Florence. All who could do well with any sewing machine, or who know how to do good sewing by hand, cannot fail to be pleased with it.

Nothing can exceed the care taken by the Florence Company in the manufacture of their machines, every part receiving a systematic and most faithful inspection, saving all trouble afterwards, no purchaser having paid a cent for repairs in the five years since its introduction.

Its reputation as being reliable and durable, is established. So little attention do they need, that we will fix any machine sold by us, for nothing, and pay freight both ways from any place within a thousand miles of Salt Lake City, if informed that it don't work well.

A careful examination will fully substantiate all that we have claimed for it, and justify the assertion we now make, that it is the best Sewing Machine in the world.

We warrant every Machine to be all that we claim for it, and will give a written warranty if required.

GREAT CENTRAL ROUTE

THE MICHIGAN CENTRAL RAILROAD

AND CONNECTIONS.

Units in running **FOUR EXPRESS PASSENGER TRAINS DAILY** between Chicago and New York, Boston, and all intermediate points in New England, New York and the Canadas.

The renowned Pullman Palace Sleeping Cars are run on this line, exclusively, from Chicago east, and are supplied on all night trains.

The famous PULLMAN HOTEL CARS leave daily on evening trains, running directly through to Rochester, N.Y., without change.

The passenger equipment of this line is unequalled by any other in the country, and will be found by patrons to possess all the requisites of "SPEED, COMFORT and SAFETY."

Connected with the

GREAT CENTRAL ROUTE

IS ALSO

The Blue Line

Established January 1, 1867, for the carriage of

Through Freight without transfer.

This Line is owned and operated by the Michigan Central; Illinois Central; Chicago, Burlington and Quincy; Chicago and Alton; Great Western; of Canada; New York Central; Hudson River; Boston and Albany; Providence and Worcester; Worcester and Nashua; Housatonic; and Jackson, Lansing and Saginaw Railroads.

THE "BLUE LINE"

Is the only route that offers to shippers of freight the advantage of an **unbroken gauge of track** from Chicago and the Mississippi river to the Seaboard, and is of the

Same Gauge as the Union Pacific,

Over which these cars will run on completion of that road.

THE BLUE LINE CARS

Are ALL OF UNIFORM BUILD, thus largely lessening the chances of delay from the use of cars of a mixed construction, and the consequent difficulty of repairs while remote from their own roads.

The Blue Line is operated by the Railroad Companies who own it, without the intervention of intermediate parties between the Roads or Line and the public.

The facilities of the Line for making uniformly quick time are unequalled.

All claims promptly settled on their merits.
