NEW TIME CARD, APRIL 1, 1886. PASSENGER TRAINS LEAVE SALT LAKE DAILY, AS FOLLOWS:

** Passenger Trains Arrive in Salt Lake, daily as follows:

FRANCIS COPE, General Freight and Passenger Agt.

JOHN SHARP.

CHICAGO, ROCK IS SHID & PACIFIC RAILWAY

reason of its central post of the observation to all principal lines East and est at initial and termin obta constitutes the most important mid-continual link in that system of the foliant transportation which invites and facilities travel and trained to the favorite and obtained the favorite and correspon of the Atlantic and Pacific Coasts. It is the favorite and correspon of the Atlantic and Pacific Coasts. It is the favorite and contest, and correspon of the favorite and form points East, Northeast and cottest, and correspondent which into and branches, Chicago, let Ottawa La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; venport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West early, Iowa City, Des Moines, Indianola, Winterest, Atlantic, Knoxville, anton, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, and and Atlantic of intermediate cities, towns, villages and stations.

THE CREAT ROCK ISLAND ROUTE ranatees its patrons that sense of personal security afforded by a solid, coughly ballasted road-bed; smooth tracks of continuous steel rail; subnatally built culverts and bridges; rolling stock as near perfection as nan skill can make it; the safety appliances of patent buffers, platforms air-brakes; and that exacting discipline which governs the practical connecting points in Union Depots, and the unsure used comforts and unies of its Passenger Equipment. The Fast Express Trains between Chicago and the Miscouri River are comsed of well ventilated, finely uphoistered Day Coaches, Magnificent Pullman ace Sileopers of the latest design, and sumplificus Dining Cars, in which corately cooked meals are leisurely eaten, good Digestion waiting on petite, and Health on both." Between Ch cago and Kansas City and chison, are also run the Celebrated Reclining Chair Cars.

THE FAMOUS ALBERT LEA ROUTE s the direct and favorite line between Chicago and Alimeapolis and St. Paul.

The connections are made in Union Depots for ad points in the Territories of British Provinces. Over this route, Fast Express Trains are run to the large places, summer resorts, picturesque locatides, and hunting and fisherounds of Iowa and Minnesota. It is also the last desirable route to the huneat fields and pastoral lands of interior I mode.

Still and the DIRECT LINE, via Seneca and Rankakee, has been opened tween Newport News, Richmond, Cincinnati, incremapolis, and Lafayette and Juncil Bluffs, Kansas City, Minneapolis and St. Faul at I intermediate points. For detailed information see Maps and Foncers, obtainable, as well as the Contractions.

is the reason, however, there is no dis-puting the fact that not one-tenth of

the patients in the hospitals never come out alive. Dr. Sano, Chief of the Medi-cal Inspectors of Kobe, is trying

cholera experiments with several

A laberer who was working under the ruins of the late fire in Canton struck his pick in a shell, which exploded and blew him to pieces. The shell, which had penetrated a foot or two into the ground, is supposed to have been fired by the English over 40 years ago, when they bombarded and took the city. It was probably fitted with a Moorsom fuse, many of which falled to explode, most likely from the shell striking the ground obliquely. The French commission for the de-limitation of the Tonquin-Chinese frontier, says the China Mail of July Editor Descret Neros:

purpose.

It is not often that a Latter-day Saint can thank the Lord for anything that Mr. Dickson does, but positively after reading his effusion at the rink, I feel that way, and feel encouraged to per-severe in the work in which we are en-gaged. The whole of his tirade could be summed up in the word "defeated With a pliant judge, a packed jury with whom it mattered little what evidence A vigorous impulse has now been given, says L'Acenir du Tonkin, to public works in the towns of Hanoi and Haiphong, At the latter place improvements of the value of 200,000 francs are to be immediately undertaken. These improvements include the construction of quays, public buildings and the causewaying and maintenance of streets. At Hanoi, the might be offered, the verdict would be the same, with every rule of evidence reversed, with no legal rights allowed to anyone who opposed him, he has to acknowledge himself beaten. He re-minds me of an individual who kept a store for some time, and then when he failed was bewaiting his bad fortune to one of his clerks. Said he, "With all our short weight, cheap goods, and with maintenance of streets. At Hanoi, the Government has bought large grounds situated on the banks of the river, where they are to build houses for the all our lying and swindling when yer The importation of arms, powder and all ammunition and weapons of war has been prohibited in Anam and Tonquin by order of the King. French merchants established in the country

The parsons tried us at one time but they have learned to let us alone, knowing that they will only be beaten. They have called for laws and the lawyers, and these after trampling on the Constitution and proving themselves traitors to the Government they profess to represent, acknowledge their defeat and call on the soldlers. What next? What a pity it is that W. D. has not the power of Torque-mada, I have no doubt he would aim King has also passed an ordinance allowing any private property which has been declared by him or the Council of the Protectorate to be of public interto rival him and have roast "Mormon" for breakfast. Bishop Bowen is said to have enjoyed the scent of roasted

A Macao correspondent of the Hong Kong Mail of July 12th says: "On July 9th the Hong Kong steamer Kiu-Kiang brought to Macao a Chinaman who was brought to Macao a Chinaman who was recognized by a detective on the steamer whart as the man suspected of being the leader of the pirates who robbed the English steamer Greyhound. The detective tried to arrest him, but the suspect jumped on board a tanka boat, which pulled toward the Lapa hill, on the opposite side. The police steam launch gave chase to the tanka boat and arrested the suspected man.

Change his place with Mr. D. if they had the power? They at least have the respect of themselves and their friends Mr. D. seems to have neither.

It was certainly pushind in that lady whom he mentioned that she did not inquire into the paternity of her daughter's child, but perhaps she thought like a man who was called as a witness in a case of assault but in an opposite direction.

Salt one of the laws the man suspected of themselves and their friends Mr. D. seems to have neither.

It was certainly pushind in that lady whom he mentioned that she did not inquire into the paternity of her daughter's child, but perhaps she thought like a man who was called as a witness in a case of assault but in an opposite direction.

SALT LAKE CITY.

Manufacturers of PLAIN AND FANCY CINCLES CALLED CONTROLLED CONTR witness in a case of assault but in an opposite direction.
Said one of the lawyers to him after

some other questions, "How far were you from the complainant when the accused struck him?"
"Six feet ten inches and three quarters." "Indeed, said the lawyer," thinking he had him in a corner, "and how came you to know so exactly as that." "Why," said the witness, "I says to myself, I had better measure this for I expect some d—fool of a lawyer will ask the question and I just took my rule out and measured it." trouble and hard work, the appropri-ations should be cut down as they have

It seems unkind that after all the been. It seems like a want of appreciation of the great and glorious (?) work of the fee flends and their assistants, such as fetching parties from Springville and Provo to Sait Lake City for the benefit of the ialiroads, pet anti-"Mormon" U. S. Commissioners and others. Cheyenne, August 10th, 1886.

U. S. Minister to France, Hon. R. M. McLane, recommends Red Star Cough Cure.

The Canton correspondent of the North China News of June 30th says: I hear that the naval review held near The Grape Cure. I hear that the naval review held near the Bogue Forts a few days ago by the Viceroy was simply to try the four new native-built gunboats. These boats are something in appearance like the French Avisos. They were built at Whampoa, and I believe have been fitted with old engines of former steamers. Besides a large gun in midships, they have several smaller guns and some machine guns in side towers. There is also a fighting top, in which a couple of machine guns can be mounted and worked. These boats may probably answer well enough for service against smugglers, pirates and

In America WITHOUT THE EXPENSE OF AN EUROPEAN JOURNEY

The crystalized saits as obtained in a pure state from grapes and choice fruit in a portable, palatable, simple form, are now presented to the public of America as the grandest resolvent of impure blood, corrector of the liver and regulator of the buwels—the natural promotor of
