Deseret Telegraph Line.

The Board of Directors of the Deseret Tele-
graph Company being desirous of making the
line available for all the citizens of the Terri-
tory, have determined to reduce the tariff for
messages sent over said line to the following ex-
ceedingly low rates, to wit:—

For all messages sent from G. S. L. City to
Nephi City, south, and Brigham City north, in-
cluding intermediate offices, for each message
of ten words or less, fifty cents; each additional
word 2½ cents.

For all messages sent from G. S. L. City to all
other offices than above mentioned, for each
message of ten words, one dollar; each addition-
al word, 5 cents.

All other offices of the Line will be gov-
erned by the following rates:

For all messages sent from the respective offi-
ces to the next nearest office each way, each
message of ten words or less, fifty cents, each
additional word 2½ cents.

For all messages sent from the respective offi-
ces to all other offices belonging to the Com-
pany (Salt Lake City excepted as above) for each
message of ten words or less, one dollar; each
additional word, 5 cents.

It is hoped by this arrangement to place the
benefits and advantages of the line within the
reach of every citizen. It will at once be seen
by every reflecting mind that prompt payment
for business done by the line will be a matter of
necessity. We trust all will appreciate this
change of prices and prove their appreciation
by increased patronage.

It is designed at an early day to furnish each
operator throughout the Territory with a print-
ed tariff of prices to be charged at his office, as
the above is a temporary arrangement.

By order of the Board of Directors,
WM. CLAYTON, Secretary.

G.S.L. City, May 20, 1867.
