LOCAL AND OTHER MATTERS.

THERMOMETER 58 degrees F. in the shade, at 1 p. m. to-day. Pleasant, breezy.

Stock Reports. — The western line being down, we have received no stock reports for this morning.

Warmer.—Like Spring weather to-day. Nearly thirty degrees warmer than a few days ago. Plenty of mud underfoot.

Struck It.—A fellow bragged of having "struck a soft thing"—he had been walking across the street outside the regular crossing.

Police Court.—The Clinton-Loeber assault and battery case was up before Alderman Felt and again adjourned until Tuesday, January 27th.

Released on Habeas Corpus.—Thomas Butterwood, who was indicted in the Probate Court for perjury, was taken before Chief Justice J. B. McKean on a writ of *Habeas Corpus* yesterday, and was discharged.

Emporium Clock.—The new dials have been put in the clock on the Emporium corner, and those among the throngs who habitually sojourn on the sidewalks of the adjoining streets, and are hard pushed for cash or its equivalent, can now pawn their timepieces without serious inconvenience, for they will still be able to note the march of time.

Change of Time.—By referring to our advertising columns it will be seen that a few changes have been made in the time of running the trains on the Utah Northern and the Utah Southern Railroads. On the Utah Northern road, trains will hereafter leave Logan at seven o'clock in the morning instead of as heretofore at 7:30.

On the Utah Southern road, the freight train No. 4, which heretofore left Sandy station at 9:45 o'clock in the forenoon, now leaves at 10:05, and arrives in this city at 11:20 a.m.

Seventh Ward Concert. — Last evening a vocal and instrumental concert was given in the Seventh Ward school house by the choir and a number of others, under the conductorship of Mr. W. W. Foster. The attendance was good and the audience appreciative. The songs and choruses were excellently rendered, the instrumental pieces well performed and the recitations elicited great applause. During the evening the choir was agreeably surprised by receiving a handsome Mason & Hamlin Organ, the gift of some gentlemen of the Ward. The concert will be repeated on Saturday night, when a change of programme will be presented.

Theatre.—The powerful drama of "Carlotta" was again well played at the Theatre, last night. It is a piece in which Misses Walters and Adams, especially, appear to decided advantage, and some of the scenery is uncommonly beautiful.

This evening, for the benefit of Mr. Jas. A. Herne, the thrilling play, dramatized from Lever's celebrated novel, of "Charles O'Malley, the Irish Dragoon." Mr. Herne will appear as "Mickey Free," Mr. Sawtelle in the title role, Mr. Vinson as "Dr. Mooney," Mr. Crosbie as "Frank Webber," Mr. Thorne as "Captain Powers," Miss Newton as "Mary," Miss Adams as "Inez," Miss Cogswell as "Lucy Dashwood," Mrs. Crosbie as "Katarina."

The performance will conclude with "Solon Shingle," in which Mr. Herne will personify the Yankee teamster.

This is a great bill, and no doubt will be well patronized.

To-morrow the last grand Herne matinee.

To-morrow evening, last night of the engagement of Mr. Jas. A. Herne.

Legislative Assembly.

FOURTH DAY, Jan. 15.

COUNCIL.

The Council met pursuant to adjournment.

Mr. Hooper presented a bill for "An act to amend an act entitled 'an act providing for incorporating associations for mining and other industrial pursuits,'" approved February 18th, 1870, which, after being read, was referred to the Committee on General Incorporations.

Mr. Caine presented a bill (C. F. No. 3.) for an act supplementary to said incorporation act, which was also referred to said committee.

On motion of Mr. Hooper, Mr. Young was added as a member to the Committee on General Incorporations.

The freedom of the Council Chamber was extended to Hon. J. G. Sutherland, Bishop Edward Hunter and his counsellors, H. S. Eldredge, Esq., and A. Majors, Esq.

The Committee on Judiciary were instructed to inquire whether the commissioner appointed by the last Legislature to select, arrange and compile such laws of Congress as are applicable to or in force in this Territory had performed his labors.

The Committee on Municipal Incorporations were instructed to consider the subject of a general incorporation act for small towns.

Mr. Caine gave notice that he would introduce a bill for "An Act concerning conveyance," next Friday (to-day).

Council adjourned till to-day at 2 p.m.

HOUSE.

Mr. Mann, chairman of committee on elections, reported a bill providing for the election of probate judges, county assessors and collectors by the legal voters of the respective counties; ordered printed.

The financial reports of Beaver and Kane counties were presented, read, and referred to the committee on revenue.

A bill was presented for "An Act defining the mode of procedure at elections, and for other purposes." Read and referred.

The Sergeant-at-arms was instructed to provide further accommodations for newspaper reporters.

A message was received and read from the Council, announcing that they had authorized the Sergeant-at-arms of each house (the House concurring) to supply the members and officers with newspapers, postage stamps and pen-knives.

The House, by vote, concurred with the Council in said motion.

Adjourned till to-day at 2 p.m.

Mammoth Copperopolis. — The men working on the celebrated Mammoth Copperopolis mine on the Tintic mining district are said to have attached the mine for back wages. A car load of bullion belonging to said company, is also said to have been attached at Ogden a few days ago, at the suit of some of its creditors. The mine is a very valuable property, and the company have expended considerable money in erecting the smelting works and in developing their property, and it is to be expected that they will soon raise funds sufficient to pay off their debts.

Since the money panic a great number of the mining and smelting companies in this Territory have been under considerable embarrassment, as witness the many suits and attachments which have been issued against and made upon their mines and smelters. But it is expected that general confidence will be restored soon, and that when money gets easier money will flow into the Territory both from original investors in the mines, and from the rise in bullion which is confidentially expected will take place.

WASHINGTON NOTES.

Bishop Cannon, Delegate from Utah, was before the House Committee on Territories, this morning, in opposition to the bill introduced in the House by Mr. McKee, providing for sweeping reforms in the judicial system of that territory.—*Washington Star, Jan* 9.

In the House of Representatives, Jan. 9, Mr. Mellish (N. Y.) presented the memorial of the New York Woman's Suffrage Association, asking that in the enactment of any laws for the Territory of Utah, nothing shall be construed as depriving the women of that territory of the right of suffrage. Referred to judiciary committee.

The Washington correspondent of the Cincinnati *Commercial* says: "The Sergeant-at-arms of the House is entitled by law to a messenger at an annual salary of $1,650. For some years Ordway has had his son's name carried on the rolls as holding the position, and has drawn the salary for him with cheerful and healthy regularity. During all the time, however, the boy has been attending college in New England."

To-day is what is known as "Buncombe" day in the House of Representatives, and there were not over fifty members present at the session. According to usage or Parliamentary law, "buncombe" day is a period of time specially set apart to afford an opportunity to modest members who do not care to encounter the din of a full House to read a batch of manuscript, and have it printed in the official record of debate, and then done up in pamphlet form for distribution among their constituents. The usual dignity of a parliamentary body is set aside on this day, and members stretch their legs upon the vacant chairs of their side partners, and smoke fragrant Havanas, or probably some brand not half so good.—*Washington Star, Jan.* 10.

WASHINGTON, Jan. 9.—A memorial was filed in the House to-day by Mr. Shanks, from the Indianapolis Women's Suffrage Association, in opposition to the repeal by Congress of the right of female suffrage in the Territories. They oppose such a measure because it contemplates a step backward in the progress which this nation has for nearly a century been making toward the ideal of a just government, whose powers are derived from the consent of the governed, as foreshadowed in the Declaration of Independence, "because it will be an act of gross injury to nearly one-half of the pioneers of civilization, who have braved the hardships and dangers of frontier life, and who justly claim a voice in the government which may dispose of their lives, their liberty and property, and because such a repeal proposes a return to the barbarous usages of the Dark Ages—a step wholly unworthy the intelligence and refinement of the nineteenth century." The memorial was referred to the Judiciary Committee.—*N. Y. Herald.*

WASHINGTON, January 12.—At a meeting of the House Committee on Territories this morning, Cannon of Utah continued his argument against anti-polygamy. McKee, chairman, stated that J. H. Wilcox, delegate from the New York Woman's Suffrage Society, was present, and would like a hearing on that part of the bill which abolishes woman's suffrage. A memorial on this subject from that society was presented by Mellish and read to the House. Carey, District Attorney of Utah, stated that he would be against woman suffrage in Utah. The committee decided to give each gentleman a hearing for half an hour on Wednesday. McKee stated that the bill to unite certain parts of Wyoming with Colorado had been assailed by the woman suffragists on the ground that it designed to disfranchise the women of Wyoming, but that in fact it had not occurred to him that the bill, which was intended to reduce expenses, would have that effect. Wilcox explained that this point could be adjusted by providing that nothing in that bill should operate to deprive any person of the right of suffrage. This suggestion met with concurrence.—*S. F. Chronicle.*
