GOV.CUTLER WITHDRAWS SUNDAY LID ON TIGHT U. S. Marshal William Spry is Now Only Republican Candidate for **Gubernatorial Nomination**.

United States Marshal William Spry As a result of the order issued by s now the only Republican candidate Chief of Police Pitt, the "lid" was on for the gubernatorial nomination in the tight yesterday. The announcement of Marshal Spry as a definite candidate was made last week, and it was followed very short-ly by a determination on the part of Gov. Cutler to retire from the race. There was much wailing and groan-ing, and also some strong language heard at Saltair yesterday from those thirsty for strong drink. There was a large crowd at the resort, and upon the arrival of each train there was a rush for the bar. Those who made the rush started for the dispensary with happy expressions on their faces, but when they came out of the bar room, all wore a disgusted expression. The Anti-Saloon league had got in its work, and not a drop of liquor was sold. "Good roads and temperance," are twin platform planks that found their way in the Sixth district senatorial and judicial Republican convention. They are welcome echoes to the campaigners on both subjects who are prominently present in Salt Lake.

OVER THIRTY-FIVE YEARS.

OVER THIRTY-FIVE YEARS. In 1872 there was a great deal of diarchoea, dysentery and cholers infan-tum. It was at this time that Cham-berlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thir-ty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign coun-tries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medi-cines that pay them a greater profit. It can always be depended upon, even m the most severe and fancerous cases. For sale by all druggists.
