INDIANS WERE DEFEATED AGAIN

Visiting Players Could Not Hit Kimerer to Any Great Extent.

BIG ROW IN THE BEGINNING

The Game Almost Went to Shorts by Default, but Billy Trapp Saved It.

After St. John got through lunging at Kims' mysteries, Eubank sent a foul outside of third base line Kuran thought, or thought he thought it to be a fair ball and set his sails for second base. He soon discovered mistake and slowly began to reace his steps. Kimerer was in a liry to end the thing and gave Eu-inks another. The gentleman asted the offer and transported the all via the ground out to third. This where the fire and and powder came irst base from his return trip, but urned and got to second. This was all very nice so far as it went, but Mell Ramey, the auburn halred personage who holds the indicator and looks wise occasionally, knew that Kuran was in error and called him out. He will also give then the choice of distance for the race-either seven furlongs or a mile. In an interview he expressed himself as for

"Yes, I will match Ballyhoo Bey against Tommy Atkins or Commando just as soon as my colt is in shape to race. All I desire is a little time in race. All I desire is a may recover order that the injured leg may recover properly. Then we can decide which properly. Then we can decide which properly. properly. Then we can decide which is the better horse, Ballyhoo Bey or Tommy Atkins. I will race Ballyhoo Bey for any amount a side at seven furlongs or a mile, the latter preferred Just to show that I think Ballyhoo Ber was the best colt on Saturday last I will give to the winner the amount added to the flatbush stakes by the Coney Island Jockey club. To Grocers.

We have direct proof that peddlers of washing-powders say that the stuff they're selling is "made in the same factory" as Pearlineand that buying from them will save going to or ordering from, the grocery store. Do you want people "saved" that. You have these same washing-powders in stock. Possibly you are giving them out, whenever you can, in

place of Pearline. You are trying to push them into notice; they are trying to crowd you out. You think you are "making more money on them." But will it pay you, in the end?

Send Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, it Back and if your grocer sends you something in place of Pearline, be honest—rend it back.
