DR. PRENTICE.

RECENTLY FROM LONDON, ENG

Eye, Ear & Catarrh SPECIALIST,

Now at the CONTINENTAL HOTEL where he can be seen until July 5th.

Dr. Prentice arrived in New York City from London, England, the latter part of February, on the steamer *Etruria*. The doctor spent the seven previous months in visiting the hospitals of Europe. During this tour he visited Ireland, Scotland, England, Holland, France, Principality of Monaco, and in Italy the cities of Genoa, Pisa, Rome, Naples, Ruins of Pompeii, Florence and Venice.

The doctor operated on several hundred cross-eyes during his visit last year to California and Nevada, and in no case required over one minute to perform the operation, and in some cases straightened cross-eyes in fifteen seconds.

SHE SAID SHE WOULD SCREAM.

Hearing of the remarkable operations being daily performed by Dr. Prentice, our reporter called up, and arrived just in time to be introduced to Miss Agnes Reedy, whose mother lives on the corner of 19th and Eureka streets. The Doctor was about to straighten her right eye, which turned outward instead of inward. The young lady emphatically declared to Dr. Prentice that she would scream just as hard as she could. She failed to scream, as the operation was successfully accomplished before she was aware of the fact. The time was forty five seconds by our reporter's watch. Upon arising from her chair Miss Reedy exclaimed, "Why, I would rather have my eye straightened again than have a tooth pulled."—*Daily Report, S. F.*

VIRGINIA CITY, March 28, 1888.—Dr. Prentice—Respected sir: Your operation on my daughter Amelia's eyes is quite a success. You are at liberty to refer to us, as her eyes will testify for themselves. MRS. J. ELKIN.

VERY GRATEFUL.

Mr. D. McIntyre of Battle Mountain, Nev., called on Dr. Prentice on June 2d to have the cross eyes of his 7 year-old daughter made straight. The operation was done in less than thirty seconds. The little girl did not utter a word during the operation and after said it did not hurt.

The following are a few of the many operations done in less than a minute by Dr. Prentice:

Louisa Bocklich, Plymouth, Cal., has been troubled with defective vision all her life; has consulted many physicians in visits to Geneva, Switzerland; was treated there by eminent occulists. Dr. Prentice restored her sight in a few days.

DEAFNESS CURED.

Madame Emma Seaman, the widow of the late Baron H. Seaman, has been deaf for some time; could not hear a watch when pressed hard against her ear. She has been under Dr. Prentice's treatment for only two weeks, and can now hear the same watch three feet from her ear. She is not only delighted but greatly astonished at the speedy and perfect results of Dr. Prentice's treatment. The Doctor says the cause of the deafness was catarrh of the internal ear. Professor Seaman will be pleased to answer any question concerning her case at San Francisco Lodge of Elks, S. F., Cal.

Chat Roberts cured of deafness. Many more cases could be referred to but space forbids. Those wishing to see the Doctor should do so at once at Continental Hotel, Salt Lake City. Send one cent P. O. stamp for Dr. Prentice's Journal on diseases of the head.

EVENING NEWS.

Friday, - June 22, 1888.

AN ELDER'S TRAVELS.

Sketch of a Missionary's Labors and Experience.

OGDENSBURG, N. Y., June 8, 1888.
Editor Deseret News.

I last wrote you from Shannock, R. I., Feb. 9, 1888. Afterwards I visited some of the oldest cities of the state, in search of genealogies. I returned along the shore of Long Island Sound by rail to Stonington, Conn., where I took boat for New York City. This voyage was made in the night, and was made still has agreeable, because of the ice that would stop the boat at times.

I visited a little branch of Saints out at Oceanville, near Rockville Center, L. J., where I spent some time holding meetings. Upon this beautiful island are yet living some of the Saints that embraced the Gospel in an early day, even in the days of the Prophet Joseph. One sister was at Nauvoo and saw the dead bodies of the Prophet and his brother Hyrum after their martyrdom. Like many others of that time, she did not know where to look for a leader, and has been living in

FEAR AND DOUBT

ever since, fearing for her own situation and doubting everybody else's.

These people have been favored in hearing the Gospel preached by Orson and Parley Pratt, Brigham Young, Heber C. Kimball, Wilford Woodruff, John Taylor and others of the Apostles of this dispensation. Elder Joseph Felt visited this place last summer and awakened anew the desire of some of these good people to learn more of the Gospel, and Elder Short and others of our Elders had visited them, ordained Elbert Sopen an Elder, and organized a branch of the Church; also as there were a number of sisters here there was a relief society organized, with Sister Sopen as president. In both of these organizations the Saints rejoice and much good has already been done. All our meetings were attended by the neighbors and a feeling of toleration by most of the people and of inquiry by some was manifested. A number applied for baptism, but at that time the great blizzard of March 12 swept across the island, filling all the inlets to the bay with snow and the streets and lanes were also filled with the beautiful, so that it was thought best to postpone this ordinance until a more favorable time. The Saints here are

GERMANS AND HOSPITABLE,

giving me money (unsolicited) to take me on my journey.

From here I went to Elizabeth, New Jersey, thence to Washington, D. C., where I had the pleasure of meeting our esteemed Delegate Hon. John T. Caine and his amiable wife; also Hon. F. S. Richards and wife, with others from our own Mountain Home.

I had the pleasure of attending the Women's International Congress and was well pleased with the grand sentiments of many of the speakers and can but hope that the whole world will learn what the Saints have long since learned, that woman was destined by her creator to be the helpmeet of man, and that she has been, and is now deprived of many rights that belong to her.

After spending a pleasant week in this beautiful city I went to Mity, West Virginia, where I met the President of the North Western States mission, and other Elders assembling for Conference, which was held on the 14th and 15th of April. The people in these parts are very hospitable and tolerant.

OUR CONFERENCE

was a splendid success. Seventeen Elders were present, meetings were well attended and much valuable instruction was given by the President and other Elders.

While holding conference we were challenged for a debate by a couple of Campbellite preachers, but they did not want to champion their own cause, but would bring their man. We did all that we could to avoid holding a debate, but they brought their man, Rev. Mr. Oaks, who called us cowards, or words that had the same meaning, if we would not defend our cause. So finally it was arranged that he affirm that "Mormonism" (so called) was a delusion. Elder Heber Bennion, President of the Pennsylvania Conference, was selected to defend. The discussion lasted until the Rev. Mr. Oaks was like the boy that embraced the bear, and wanted help to let go. However there was one thing that he did not let go of, and that was big fees. He had been hired to come and drive the "Mormons" out by debating with them.

THE RESULT

of this protracted debate was the baptism of four persons, while many others are quite favorable, and are investigating. At this conference Elder Samuel Stewart, of Washington, Utah, and myself were appointed to go to Ogdensburg, N. Y., to labor in the spread of the Gospel. We consequently went to Pittsburg, Pa., and visited the branches of the Church in those parts, that were raised up in 1886, during my labors in that State. From here we went to Kirtland, Ohio; called upon Mr. Carpenter, a Free Thinker, living about two miles out of the village, who treated us kindly, and gave us, and any of our Elders a standing invitation to call upon him at any time; "For," said he, "you are the only ministers that will talk with me, for they are so soon confounded. But you Mormons have so much good sense in your religion that I can't overturn it; and sometimes I almost believe that you may be right."

We stayed over night with Mr. Carpenter and the next morning went to see

THE TEMPLE.

The feelings that filled our bosoms as we came in sight of, and viewed this fameus place, cannot be expressed in words. The history of the past, as we had read, and in childhood heard our parents and others relate it, came so forcibly before our minds as to be almost real.

We went to Mr. Wm. Kelly's, who lives near the Temple (an apostle of the Reorganized Church) who procured the keys of the building and went with us and showed us through. He left us alone there for some time, which we enjoyed in going through the building from cellar to the top of the dome, from which a good view of the surrounding country is had, but as this has been so often described through the NEWS, I will only say it is a most delightful country.

The Temple has been repaired by the present claimants at a cost of about $3000. The inside is very neatly painted, etc., but not finished. The outside looks patched, as the plaster put on in repairing is darker than the rest of the walls.

Mr. Kelly was very courteous to us, but with the intuition of his class, was anxious to attack us on our authority, and to prove his points he produced a copy of the decision of the Ohio District Court, when, in the suit brought before the court for

THE TITLE

of the Temple, the court said that the defendant's name not appearing, etc., the property was awarded to the plaintiffs, and that it appeared that the defendant's name was not the Church originally owning the said building, etc.

On these matters we said but little, but while standing upon the stair steps of the Temple, he assailed the doctrines of the Church, and slandered some of its most worthy men and women, when we were constrained to deny his pretentions to authority, correct his false accusations, and bear a solemn testimony to the doctrines that he denounced.

From here we went to Niagara Falls, spending a few hours at this great wonder of the world, and on the following day we visited Rochester, N. Y. We found some Saints there and had the pleasure of adding one more to the fold of Christ by baptism, viz. Prof. Richard Hausch, a man of extended ability, being master of several languages and a professor of music also.

On May 21 we visited the

HILL CUMORAH,

and as it has also been described so often we will not undertake to do so, only will say that it seems to be wonderfully adapted for the use to which it was put at the time of the great struggles of the ancient inhabitants of this land viz.: a battle ground. The country around on three sides is level for quite a distance. Many stories were told us of this hill, which is called "Mormon Hill," "Gold Hill," "Bible Hill" and "Gold Bible Hill." This spot is reached by rail to Shortsville, which is about four miles from the famous hill, which is now owned by a man named Sampson. We made this journey on foot, passing through the little village of Manchester. From here we went to Ogdenburg via Syracuse, Philadelphia and Shammond. We found that the enemy had been at work here, but most of our old friends remained true, and we held some meetings, baptized two persons, and others are investigating. We are feeling well in our labors.

We have not visited Canada yet, where I left a woman enquiring for the Gospel last fall. Since I left home April 21, 1886, I have traveled in sixteen states and territories, and in Canada. I have walk three thousand miles, traveled by railroad and otherwise nine thousand miles, held 386 meetings, baptized 32 persons, and blessed 65 children, assisted in organizing 5 branches and in the baptizing of 48 others, besides the ones mentioned above. I have had good health most of the time, and have enjoyed my labors very much.

Your brother in the Gospel,
P. W. I.

BRIGHT'S DISEASE.

The following statement from Mrs. Emeline F. Misner of Burg Hill, Ohio, will be of great interest to those who suffer from Bright's Disease or Gravel.—I have long resolved that I would apprise you of the deep sense of obligation which I feel. There is nothing which I now enjoy that I do not owe to the happy chance of having used Dr. David Kennedy's Favorite Remedy at a time when I was suffering all that a human being could endure. My troubles began in my Kidneys over nine years ago and from which

I Never Expected to Recover.

I was compelled to use a cane when I walked, and I finally got so weak that I could not stand alone. In a few months my physician said I had Bright's disease, which was indeed alarming information. To add to my affliction after I had been ill about two years, I had a bad attack of Gravel. Six years ago, last June, how well I remember the day, I saw Dr. David Kennedy's Favorite Remedy of Rondout, N. Y., advertised in our paper. After using one bottle I threw away my cane and went to New York on a visit, and three bottle cured me. This was six years ago. I have never had a return of gravel, nor of the pains or weakness in the back, and though I am over sixty years of age

I am Now Vigorous and Strong

as I was in my prime. I do all my own work, and rarely know what it is to be tired. I keep the medicine in the house and give it to my grandchildren, and recommend it whenever I can. What physicians and all of the many remedies I had taken could not do, Dr. Kennedy's Favorite Remedy did; it stayed the disease and made me a strong, vigorous woman.
