

MINING, BUSINESS AND STOCKS.

MINING STOCK MARKET STRONG

Demand for Various Issues Heavy
And Prices Recovered.

NEW YORK WAS A FEATURE

Engot and California Also in Big Demand and Higher-Daily-Judge Quite Active.

The condition of the mining share market continued to improve this morning and prices recovered much of the losses of earlier sessions this week. A very heavy demand for all the better class issues was noticed, while reports from the different mining camps continue most favorable.

New York furnished the feature of the session advancing with great rapidity to 78 and being held strong at figures higher than 76 at the close. Daily-Judge was traded in as low as 11.75, and Daily-West at 50.50 changed hands. Wabash was rather firm at figures under 2.50, while Century advanced several cents and California climbed from 42 1/2 to 43, closing a trifle weaker.

Lower Mammoth on rather large selling tabograned over 2 cents, while Engot on large buying orders was advanced from 11 1/2 to 13.

The session closed with stocks generally strong at nearly the highest figures of the call and on the following market:
