SOUTHERN MAN FOR PRESIDENT.

Congressman Gaines Says the Idea Takes Like Wildfire,

HE MENTIONS MANY NAMES.

Among Them Are Morgan, Cockrell, Bailey, Bacon, and Justices White and Harlan.

New York, June 21 .- A special to the Tribune from Washington says: Congressman John Wesley Gaines of Tenpessee in an interview favors the nomination of a southern man for President in 1904. He says :

"My proposition for the nomination ef a southern man for President in 1904 is taking like wildfire. Since I made it a week ago I have received stacks of letters from all parts of the country ommending me. For more than fifty years this country was ruled by the south and I am satisfied we can regain control if we go about it in the right way. The first step in this direction shortd be the nomination of a straight, old fashioned southern Demograt for President in 1904. The man who says that the South does not now possess an abundance of presidential material is a fool. I can name a dozen men or more, any one of whom would make us a winning candidate."

Then Mr. Gaines mentioned these names

Senator Morgan, of Alabama; Senator Cockrell, of Missouri; Senator Carmack and ex-Senator Turley of Ten-nessee; Senators Culberson and Balley nessee: Senators Cuberson and Clark Howell of Georgia: Associate Justice White, of Louisiana. "And," said Mr. Gaines, "you might add to this list the name of John Marshall Harlan of Kentucky, who, though appointed to the United States Supreme Court as a Republican, has enunciated fine old Demeratic doctrines from the bench more than once.

"The war is over and the South is an integral part of the Union, and not an insular possession or a Porto Rico, nd besides have not numerous ex-con federates served on the bench of the Supreme Court and in other positions of the federal judiciary by appointment of both Democratic and Republican Presidents? Also, haven't several ex-confederates served in the cabinets both Republican and Democratic esidents? Congress has been full of Presidents? x-confederates for thirty years. Sure-y, if ex-confederates can be trusted to make and interpret laws they can be rusted to execute them. Therefore trusted to execute them. Therefore my voice from this time on shall be for southern man for President."

"I do not go to the Russians to look for flaws but to master their charac-ter and their system of living, socially, politically and economically. I believe my findings will be of value to both this country and to theirs. I go to see the people as they are and I have confi-dence that what I shall learn will be cratifient to me and the all theory who pratifying to me and to all those who want to have Russia and the United States come into closer relation with each other." CASSINI ON STUDENT TROUBLES. New York, June 21.- A special to the Tribune from Washington says: Count Cassini, the Russian ambassador, had his attention called to an article, en-s fitted "The Russian situation from the inside," which appeared in this week's number of the New York Independent, After reading the article, Count Cassint said: "I never before heard of the author of this article. I spend about two months every year in Parls and am well accualited with our ambassador there. I shall cable to Paris immediately to learn if there is any such person on the staff of the ambassador as legat ad-viser or in any other capacity. I can-not believe that a servent of his majes-ty the czar would make such gross mbrepresentations of his government and of Russian affairs in general as sint said:

MUST AVOID HELL GATE.

Battleships Must Not Go Through Except in an Emergency.

New York, June 21 .- The recent order of the navy department to the ef-fect that hereafter no battleship shall pass through Hell Gate except under conditions of exceptionable emergency the successful passage of this channel by the Massachusetts have attracted unusual attention in marine and naval circles here. Just before starting Capt. Manney in command of Massachusetts sald: "I do not ot see where there is any danger. They talk about no battleship ever gothrough. The Maine went through course, she was not a battleship of first class. I do not think there is danger. If I did I would not atot the passage."

special pilot was taken by the Massachusetts. Capt. Bell, the veteran havy yard pilot, proffered his services ot. Manney said: "I have been " waters a great many times be-I never took a pilot yet and I tot see why I should now."

Capt. Bell also made little of the dan-

Rear Admiral Barler, the commandant at the navy yard, denies that he has ever termed Capt. Manney's ven-ture "foolhardy." He did say this ture "foolhardy." "Considering the risk however: property, I would not take a vessel of her class through a narrow passage, es-

pecially when there is no need for it. I went through there on the Philadelphia myself but they made a great time about it because they thought I did not have a pilot. I did have a pilot though. Of course, if the battleship gets through it is all right, but if anything

happens the captain would be responsi-ble for it." KILLED IN A PRIZE FIGHT. Walter Selph and L. L. Bailey Met to Settle a Quarrel.

New Orleans, La., June 20 .- Walter Selph, a young drummer, son of Col. Dudley Selph, state inspector of rifle practice and former rifle champion, was killed tonight in a prize-fight at

Audubon 1 ark. He and a young man named 1. L. Balley had a quarrel at a military ball and agreed to fight it out with bare fists. They had no seconds and pounded each other until Selph fell from a blow, which broke his neck. Bailey was arrested and said he did not know how the fatal result came about. He made no attempt to escape.

CUBAN CONSTITUTION. Framed on the Same Lines as that

of the United States. Washington, June 20 .- Secy. Root today received a letter from Gov. Gen. Wood, containing the official announcement of the adoption of the amendment

by the Cuban constitutional convention. Like the constitutions of most of the South American republics, the Cuban constitution has been framed with the constitution of the United States as a model. The adoption of the Platt amendment makes it sufficient for all the purposes of this government in its relations with Cuba.

When a doctor, who has been the victim of the coffee habit, cures himself by leaving off coffee and taking Postum food Coffee, he knows something about what he is advising in that line. A good old doctor in Columbus, Ohio, who had at one time been the victim of the coffee habit, advised Mrs. Carrie Moran, 162 N. 6th St., Columbus O., to off coffee and take on Postum leave

Food Coffee. She suffered from indigestion and a weak and irregular heart and general nervous condition. She thought that it would be difficult to stop coffee abrupt-ly. She says, "I had considerable hesitancy about making the change, one reason being that a friend of mine tried Postum and did not like it. The doc-tor, however, gave explicit directions that Postum must be boiled long nough to bring out the flavor and food

ារារ His suggestions were carried out and the delicious beverage fascinated me, so that I hastened to inform my friend who had rejected Postum. By the way, she is now using it regularly, after she found that it could be made to taste

and found that it could be made to taste as nice as it does. I observed, a short time after using Postum, a decided change in my ner-vous system. I could sleep soundly, any my brain was more active. Mv complexion became clear and rosy, whereas, it had been muddy and spott-ed before, in fact all of the abnormal symptoms disappeared and I am now

feeling perfectly well. Mrs. David McDonald, a friend, was troubled much as I, and she has recov-ered from her heart and stomach trouble by leaving off coffee and using Pos-tum Food Coffee. I know of several others who have

had much the same experience. It is only necessary that the Postum be well boiled and it wins its own way."

rate of making the manipulation of a corner a much more difficult matter than it is at present-have decided to all a public meeting of the grain tradfore finally submitting their report This meeting has been announced for June 25. Its purpose of to allow the trade to submit sugg stions in order that all interests may be carefully considered before the new regulations are inally drafted.

The plan of those responsible for the current agitation in favor of a change is to increase the number of grades de-liverable upon contracts by establishing According to Senator Warren, an efarbitrary differences in prices so that if the present contract grades are "cor. nered then buyers may deliver othe legitimate grades by paying the dif-ference in price as officially promulgated. These differences are not to repre-sent the actual differences in the usual selling prices of the various grades. They are, in fact, to represent premiums which the seller must pay for the privilege of delivering grades lower than the present contract grades,

FIRED ON UNION MEN.

Mine Superintendent Protects His Property and Employes.

Matewan, W. Va., June 20 .- Strained relations between the union and nonunion miners bere have resulted in bloodshed. Today several hundred union miners who are on strike, marched in a body against the Maratime mines of this place, where non-union men were at work. They tried to effect an entrance, but the operators with twenty guards, armed with Win-chesters, blocked the entrance,

The non-union miners were headed by Supt. Lambert, and when the union men persisted in their attempt, he gave the command to fire. Fully fifty shots were fired. Boyd Martin and Riley Johnson were fatally shot and Sam Artrip was dangerously wounded. The union men did not return the fire, but dispersed.

All the union miners throughout Mingo are collecting to get here tomorrow. Serious trouble is expected when they again try to effect an entrance to the Maratime mines. Sheriff Hatfield is on the scene, with fifty Sheriff deputies, and says he proposes to do his duty.

Pan-American LAKE Exposition @ Buffalo, N. Y., May I to Nov. I.

In its court settings, architectural, fountain and electrical effects, sculptural adornment, horticultural and floral embelishment, and color decorations this exposition will surpass all others.

To enjoy its charms, with the added attraction of Niagara Falls will be a most delightful privilege.

As the only double track railway from the West to Bullalo (meaning greater safety and dispatch in traveling) and by reason of its furnishing the most complete and frequent service of any line, the Lake Shore & Michigan Southern with its eight through trains daily, including the only daylight train, will prove the most desirable route for exposition travel.

In making it your choice you will travel well. It takes you through the richest and fairest portion of the Middle States, including the beautiful Western Reserve country with nearly 300 miles of ride along the picturesque south shore of Lake Erie.

All tickets over this route afford use of steamers either way between Cleveland and Buffalo, also stop at Chautauqua on return trip within limit of ticket. "Book of Trains" containing full information about Lake Shore service free on application to F. M. BYRON, G. W. A., Chicago.
