## IMPRESSIVE OBSEQUIES

Mark the Laying to Rest of Mr. And Mrs. Joseph Stanford.

## BARTENDER'S NARROWSCAPE

Funeral of Mrs. Anna Thomas—Tomb Home Burial—Grey News Co. Contract Extended.

## Special Correspondence.

Ogden, Feb. 17.—Most impressive were the funeral services held at the tabernacle yesterday afternoon over the remains of the late Hon. Joseph Stanford and his beloved wife, Elizabeth Y. Stanford, and which were presided over by Bishop H. W. Williams of the Sixth ward, of which the departed couple were residents.

Long before the hour set for the services the vast auditorium was crowded to the doors, and several hundred people remained in the halls and around the doors who had met to pay their last respects to the aged couple, who had gone through life together and who were not parted even in death.

The tabernacle choir, under the direction of Prof. Joseph Billings, rendered "They Were Beloved" and several other selections; Mr. Jed Ballantyne and Mrs. Velma Marriot sang "Count Your Blessings," Mrs. E. D. Hamilton rendered "Garden of Sleep," Miss Maud Behn sang "Softly and Tenderly," Miss Ruby Giddens with the accompaniment sang "Calvary." The speakers were Bishop James Taylor, Joseph Parry, Mrs. Mary Stevens, President L. W. Shurtliff, C. R. Hallingsworth, Mrs. Mary Fry, President Anthony H. Lund, John L. Herdick and Bishop Williams. The speakers extolled the grand life and work of the couple, and referred to their great love for each other and children.

A funeral cortege more than a half a mile in length followed the remains to their final resting place in the city cemetery, where the graves were decorated by Apostle David O. McKay. The floral offerings were many and beautiful.

## FUNERAL OF MRS. THOMAS.

The funeral of Mrs. Anna Thomas was held yesterday afternoon at the Lyman ward tabernacle, Bishop George Turquist presiding. The music was furnished by Mrs. Sherwood, Miss Sherwood and Miss Leavitt in a number of duets and solos. The speakers were Senator William N. Williams, Elder Joseph Parry, Walter Crane, Bishop Turquist and Patriarch G. W. Larson.

## SUIT FOR RIGHT OF WAY.

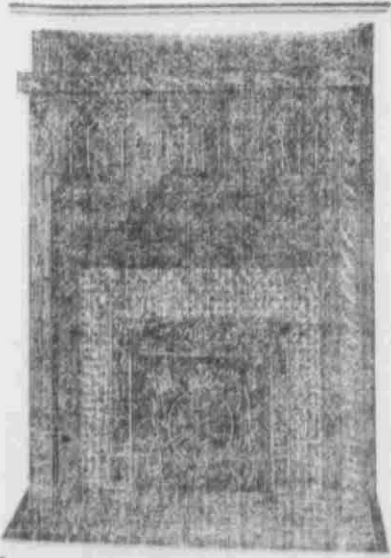

The Ogden Rapid Transit company, which is extending its line through Ogden canyon, has filed suit for condemnation of land in the canyon near the lime kiln against Orson Badger, Esther M. Parr, Valence Farr and Thomas Farr. The complaint of the company alleges that there is no means of transportation over the property in question, and asks the court to fix a reasonable consideration for a 60-foot right-of-way over the property.

## JAP FINED.

T. Hoogshu, a Japanese barber who conducts pool tables in connection with his business, at 16 Twenty-fifth street, and who was given a hearing in the police court before Judge Murphy upon the charge of disturbing the peace, was fined \$15 yesterday at the conclusion of the taking of testimony in the case. It appears that a number of small boys were in the place and one of them had a game of pool with the proprietor, when a controversy arose. The Jap in trying to collect for the game threw the boy to the floor and then bit him upon the hand to get the money; later the boy was kicked into the street. The arrest and conviction of the Jap followed.

## NARROW ESCAPE FOR HIS LIFE.

Bartender Poulson of the Oxford saloon and cafe, on Twenty-fourth street had a very narrow escape for his life last evening when "Kid" Allen, a rail-

Splendid variety of genuine piano finished mantels; also a well line of wrought iron and hammered brass and metal trimmings and andirons.

## ROAD EMPLOYE, TOLD Poulson that if he did not give him a drink he would blow the top of his head off, and he pulled the trigger by shooting the man's hat off his head.

Owing to the fact that an effort was made to suppress the story and as no arrests were made it was with some difficulty that any of the particulars could be learned. It was about 10 o'clock when things were very quiet in the cafe the young chap who is known as Poulson, entered the saloon and walking up to the bar brought a drink and invited Bartender P. Poulson to join him, which the latter readily did.

After the drink Allen, it is stated, asked Poulson to "sit up," but Poulson said, "Nothing doing." "If you don't," threatened Allen, "I'll blow your head off." No sooner were the words out of his mouth than he drew a revolver and fired at Poulson's head and tore along the hat band and knocked it off his head. The drink was thrown to the city yesterday. Allen apologized and the two shook hands and laughed. After another drink Allen bid Poulson good night and left the place. No arrests were made and an effort was made to hush the matter up.

## NEWS CONTRACT EXTENDED.

Contracts have been signed between the Southern Pacific company and the Grey News company of this city and Salt Lake giving them the news service on that road between Ogden and Sparks, Nev. This gives the local company about 1,300 miles of additional lines besides the Oregon Short Line which it now has.

## TOMB HOME BURGLARIZED.

The home of Fred Tait, on Shotton avenue was entered by burglars early last evening. Every room and all the cupboards and chests were ransacked and even carpets torn up but nothing of value was taken.

## HAGS A WILD CAT.

H. A. Boyer, residing in the eastern part of the city on the Sanitation Road, brought to the city yesterday a large wild cat that he killed near his home. For several days Mr. Boyer has been missing sheep from his flock and decided to lay in wait for the thief. His diligence was rewarded by bagging the wild cat.

## SAD DEATH OF YOUNG MOTHER.

Mrs. Fletcher Victim of Meningitis—Perilous Trip of Rescuers.

Logan, Cache Co., Feb. 15.—The rescue party, headed by Sheriff Crockett, returned home yesterday from Logan canyon, where it went to bring to Logan the Netherlander children who were snow-bound in a cabin 25 miles from here. The trip was a hard one, and the party reached the cabin with much difficulty. They had to make the trip on snowshoes from the forks of the canyon and pulled the children out on hand sleds. Mr. Netherlander remained in the canyon to take care of his livestock. The snow is six feet deep in the vicinity of the cabin.

The R. V. C. and the U. A. C. basketball teams are preparing to meet the university team in Logan Friday and Saturday evenings of this week.

## SEA STORIES FOR CHILDREN.

The city schools have arranged for an afternoon matinee and evening concert March 2, at Nibley hall, with Captain Bill, who comes highly recommended as an entertainer of sea stories, having been a sea captain for many years. His stories pertain wholly with life on the sea, and when such stories are told in a humorous way it is felt by the city school officials that such entertainment is highly beneficial to the pupils here.

## SAD DEATH OF YOUNG MOTHER.

Mrs. Sarah Ann Fletcher, wife of Prof. Fletcher of the U. A. C., died on Sunday from cerebral meningitis, following the birth of a child two weeks ago. The remains were sent to Provo this morning for burial. The relatives of the deceased live at that place and her parents and the parents of Prof. Fletcher were here at the time of the sad death. Deceased was but 23 years of age, and leaving two children, one two weeks old and the other 14 months of age.

For the second night in Logan a large house greeted the U. A. C. students in "Rabbits" last evening in the Thatcher Opera House. The play was pleasingly rendered and reflected considerable credit on the promoters.

Paul Gilmore will appear at the opera house on the evening of Washington's birthday in "The Boys of Company B."

A \$50 fine was imposed by Justice William Brannan yesterday on Frank Ishibashi for "disturbing the peace" and threatening to kill T. H. Cutler. The trouble arose over the transfer of stock in the Cutler Mercantile Co. at Tremonton. The case will be appealed.

The quarantine has been raised and City Attorney Snodden is again at his office after a siege of smallpox.

Mrs. J. P. Hansen is reported to be seriously ill.

## RICHFIELD.

JOINT TEACHERS' INSTITUTE.

Sevier and Sanpete Pedagogues Meet—Wall Collapses—Heavy Snowfall.

## Special Correspondence.

Richfield, Sevier Co., Feb. 12.—Another snowstorm struck this valley last night and has continued to fall steadily all day today with no apparent prospect of a let-up.

## WALL COLLAPSES.

A peculiar accident happened to the People's Emporium Furniture building about 9 o'clock this morning. As a consequence of a faulty foundation and adobe being placed too close to the ground where they crumbled from the effects of wet weather, nearly the entire north wall of a new addition about 15 feet high by over 20 feet in length, collapsed and tumbled into the alley.

Wooden posts in the center of the building held the upper floor, which was not heavily loaded. From coming entirely down, which otherwise would have resulted in greater damage to the goods below. By good fortune the roof also held in until props could be placed under it and the goods protected from the storm. The proprietors, Messrs. Lauritzen and Cowley, estimate their loss at about \$1,000. No one was hurt.

## TEACHERS' INSTITUTE.

The joint teachers' institute of Sanpete and Sevier counties convened in this city on the 11th inst. and adjourned this evening. At the session, state superintendents of public instruction, and Prof. William M. Stewart and Mesdames Hall of the state university, have been in attendance and delivered a series of very instructive lectures along educational lines. About 90 teachers were present from Sanpete county and nearly the same number from Sevier county.

The Richfield school faculty entertained the visitors in a splendid manner.
