#### FRAGMENTS.

Home Missionary meeting tomorrow night.

GENERAL SUPERINTENDENT WELBY of the Home Missionary Society, is confined in his home with a severe cold.

Power & Hiltz, attorneys, are today busy receiving their "goods and chattels" from the dairy old rooms hitherto occupied by the firm into their new apartments in the Eagle block, which is at the corner opposite the dairy building.

A shipment of magnificent Japanese persimmons raised in California reached this city today and are on sale by the fruiterers. While the fruit is a native of the Southern States it is deciduous and it never grows so large and luscious in this section of the country as in California.

FRANK JENNINGS and Margaret Dwyer will be united in marriage by Bishop F. Walker tomorrow night. They will immediately leave for the East, where they will spend their honeymoon and their marriage in high life is also announced to take place in the near future.

THERE are several unpaired ordinances now lying on the council table. The City Council will endeavor tonight, however, to pass them in order that they might be embodied in the voters of the district to be put in the next future.

ARTICLES of incorporation of the Springfield Mining Company, which is a mining company, have been filed with the county clerk. The capital stock is \$100,000, divided into 10,000 shares. The company is to be organized in the month of January, 1910.

THE case of Mary Anderson vs. Thomas Vennard, an action for a debt of \$100, was argued in the district court today. The jury found in favor of the defendant, on the ground taken up by the defense that the plaintiff, Mary Anderson, was a minor at the time she signed the note.

REPORTER ROBERT J. JERRY, of the Tribune, says that the statement that he had "young" connections in the city is not correct. He is very much anxious to "call" and "call" and would have preferred to continue his professional work in this city, but circumstances over which he is not in control, such as the fact that he has a family, have caused him to leave Utah and take up his residence in the continental city.

Mr. JERRY, who is remembered by his brother newspapermen as one of the most persistent, uncompromising and indefatigable reporters of the country. They wish him success in whatever business he may choose to engage hereafter.

#### Contract Ratified.

The board of education held a special meeting last evening and ratified the sale by its finance committee of \$100,000 bonds to E. H. Rollins & Sons, of Denver. The vote on the sale was unanimous.

#### COURT PROCEEDINGS.

A Day of Small Doings in Chief Justice Kane's Quarters.

Nothing of any public consequence developed in Judge Kane's court today. Thursday morning informal matters were disposed of at the opening of the morning's session, and then a case part heard on Monday afternoon was again taken up.

In the case of John O. Smith et al. vs. A. P. Sippert et al., argued by counsel and submitted on Saturday last, the court now heard for the plaintiff's ruling that the assignment is void. On the application of Judge Kane a stay of thirty days was allowed in which to file statement on motion for a new trial.

In the case of John Southworth, et al. vs. four insurance companies, the finding of Judge Matherland, as referee, in favor of the defendants in each case, was sustained on Saturday.

E. Garner et al. vs. H. M. Free. In this matter judgment was entered for the plaintiff for \$121.10 on Wednesday last. A stay was granted till March 1st, 1910.

C. Schilling et al. vs. S. M. Free. Same order made.

The trial of the action of James W. Barclay vs. D. D. Monte, begun yesterday, was resumed today in a dispute over a real estate deal, and will occupy the attention of judge and jury most of the day.

#### THE OLD AND THE NEW.

E. S. Marshall Parsons Will Now Step Out and E. S. Marshall Benton. Will Step In.

Either tomorrow evening or first thing on Thursday morning the newly-appointed E. S. Marshall, Mr. E. A. Benton, will enter upon the duties of his office. The only thing that now remains for him to do is to go before Judge Kane and subscribe to the required oath. It is not thought likely that the present staff of deputy marshals will be very materially interfered with; in fact the incoming chief has already indicated several of the old hands that their services will be retained. Among these are Dan Swan (chief), Roman Cannon and Abe Dyer.

The retiring marshal, Mr. E. H. Parsons, intends on making the dust of office from his feet, to again devote his time and attention to stockraising, in which line he has previously made quite a successful mark.

Mr. Parsons is the owner of a big ranch in east Nevada, and will very shortly start there with a view of arranging his plans for the future.

With Mr. Benton's relinquishing of the reins at the position of marshal, Nash will find himself at that department.

#### A DISTINGUISHED PARTY

Expected to Arrive in This City on Saturday Next.

It is learned from a reliable source that Colonel John M. McKim and Major McKim, members of the Queen's Guards, and a number of other dis-

tinguished English gentlemen who recently came to this country and who are spending a tour of the United States, will arrive in this city about Saturday next. At Chicago they were met by Hon. F. P. Day (Republican), who is showing them over the West. The gentlemen are said to be very wealthy and it is reported that they are seeking to locate where they can profitably invest some of their surplus capital.

They are also good hunters and have just completed an expedition through the wilds of Arizona. They are also accompanied by a New York Herald correspondent.

#### Home Missionary Meeting.

The regular monthly meeting of the Home Missionary Society of the Salt Lake Stake of Zion will be held tomorrow (Wednesday), at 7:30 p.m. A full attendance of the brethren and comfortable seats of labor for the month past is requested.

#### J. D. BIRKING, Clerk.

#### IT WAS A FAILURE.

Only One Counselman Visited the Crematory This Morning.

The long expected and much talked of visit of city officials to the crematory this morning was a complete failure. Only one counselman who went out to inspect the operations of the new garbage consumer was Mr. Birking, who has after been the strongest advocate of the incineration process of getting rid of the city's garbage. He has worked long and hard to make the scheme a success and was very anxious of proving to his brother counselmen that all and more than he had claimed for it had been realized.

His failure to go today, it is said, greatly disappointed him and it will be some time before he will extend another similar invitation to them.

#### Within Our Gates.

Private Judge Henry Shields, of Park city, descended upon us from his snowy perch yesterday.

D. D. Hault, the grave digger of Blackfoot, knew where he was at for a while at least, he was discussing a California house which he would have preferred to continue his professional work in this city, but circumstances over which he is not in control, such as the fact that he has a family, have caused him to leave Utah and take up his residence in the continental city.

Mr. JERRY, who is remembered by his brother newspapermen as one of the most persistent, uncompromising and indefatigable reporters of the country. They wish him success in whatever business he may choose to engage hereafter.
