CONGRESSIONAL.

SENATE.

WASHINGTON, 19. During the debate on the Louisiana affairs, Bogy said the character of Packard in New Orleans was that of an infamous robber. (Great applause, followed in the gallery on the right of the Chair, and on motion of Edmunds, the sergeant-at-arms was directed to clear the galleries on the right of the Chamber.) The order was executed immediately, and the galleries designated were closed without trouble.

Cooper presented petitions from the southern conferences of the Methodist Episcopal Church in favor of paying the claim of the Methodist Publishing House, Nashville; referred.

West, from the committee on railroads, reported, with amendments, the Senate bill recently introduced by Gordon to create a sinking fund for the liquidation of government bonds advanced to the Central Pacific Railroad Company of California, the Western Pacific Railroad Company, and the Union Pacific Railroad Company under the act of July 1st, 1862, and the acts amendatory thereof, and for the settlement of the claims of government on account of said bonds; placed on the calendar.

Paddock introduced a bill for the relief of settlers on the public lands under the pre-emption laws; referred.

Sherman said Bogy's ex-parte testimony did not show that violence did not exist. He refuted his denunciation of Packard and defended that gentleman's character.

Several spirited passages occurred between Bogy and the republican members.

Windom, from the conference committee on the House contingent deficiency bill, reported an appropriation of $40,000 for the transportation of government notes, bonds, etc., $24,000 for the investigating committees of the House, and $25,000 for the Senate elections committees.

HOUSE.

WASHINGTON, 19.—The House went into committee of the whole on the private calendar. When the committee rose Foster submitted the report of the conference committee on the bill to supply the deficiency in the contingent fund of the House; agreed to.

Holman, from the appropriation committee, reported the legislative appropriation bill, which was made the special order for Tuesday next.

EASTERN

Sudden Death.

DENVER, Col., 19.—Dr. M. Meyer Marx, a well known physician of this city, died suddenly this afternoon. The *Evening Times* states that it is probably the result of suicide, the deceased having been indicted for abortion.

Wool Market.

PHILADELPHIA, 19.—Wool is in fair demand; fine grades are scarce, with an upward tendency; medi ums firm, moderate supply. Colorado washed 18 @ 22; unwashed 16 @ 17½; extra, and merino pulled 35 @ 38; No. 1 and super pulled 33 @ 38; Texas fine and medium 20 @ 25; coarse 16 @ 20; California fine and medium 12 @ 28; coarse 15 @ 25.

Disastrous Fire.

ST. LOUIS, 10.—The German Protestant Orphan Asylum, ten miles from here, was burned last night. One child, six years old, perished in the flames. Loss $50,000, insurance $18,000.

The Murderer of "Wild Bill."

YANKTON, 19.— The Supreme Court, to-day, affirmed the decision of the court below in the trial of McCall for murdering "Wild Bill," and McCall will be hanged on March 1st.

The Compromise Bill—Individual and Newspaper Comments.

WASHINGTON, 19.—The joint commi tee's compromise bill continues to be the all-absorbing topic of conversation here. The Washington newspapers, the organs of both parties, to-day, denounce it vehemently, and there are indications that it will encounter greater opposition in Congress than was supposed yesterday.

The *National Republican* calls on the Senate, as a bulwark of freedom, to stand by the Constitution and established precedents, which give its presiding officer the right to open the certificates and count the votes. Compromise with wrong, says the *Republican*, means and deserves defeat, and 4,000,000 loyal voters will cry out in indignation against the proposed mixed tribunal, which means nothing else than making the President by a toss-penny dice-box arrangement.

The *Chronicle* argues that whether the power of the count ng of the votes belongs to the President of the Senate, or is lodged in Congress, this plan is unconstitutional and trifles with the intelligence of the nation.

The *Union*, a democratic organ, in a two and a half column editorial, reviews the bill and arrives at the conclusion that the plan is tantamount to declaring the November election a draw and ordering a new election by fifteen men instead of by the people. It constitutes a tribunal nominally to decide, virtually to elect. The *Union* furthermore opposes the bill on the ground that this unwarrantable compromise is surrendering the right of the House to an equal and independent voice in deciding what votes shall be counted.

Articles like these, and similar utterances of partisan newspapers elsewhere, are evidently producing considerable effect upon congressmen; but nevertheless, it still seems certain that the bill will pass both Houses by handsome majorities as a matter of expediency, although it will be protested against as a matter of principle.

Representative Page says he is unalterably opposed to the bill, and he finds no authority in the Constitution for the creation the proposed commission, and is not willing to admit of any doubts being thrown upon the fact that Hayes and Wheeler are already elected. If the democratic party believed they had elected Tilden they would not consent to a compromise, and he considers it a very significant circumstance that the democratic members of the committee propose to confer upon the fifth judge practically the same controlling power which they strenuously object to being exercised by the Vice-President. He, therefore, believes that they either feel sure of securing three democratic judges out of the five, or that they feel hopeless of success, except by the arbitrament of chance, and on either supposition it is both the duty and policy of the republican party to stand firm.

Woodburn says it is perfectly clear that Congress cannot go behind the constitution and select five men as arbitrators of the presidential questions. All such matters must be determined by Congress itself. The utter want of constitutional authority for the proposed tribunal was apparent to him from the conceded fact that any or all of the Supreme Court judges could refuse to serve upon it, and could not be compelled to act, for he considered the whole proposition a giving way and weakening on the part of the republicans without justification or necessity.

Piper is not willing to express an opinion concerning the measure until he shall have had time to examine and reflect upon it.

Luttrell is non-committal on the subject.

Wigginton regards the bill as seriously objectionable and says he cannot vote for it. He believes the right to determine the validity of the electoral vote is vested in Congress and cannot constitutionally be delegated, and even if such powers were transferrable they should be delegated without the general consent of the people which, in this instance, has not been obtained. He also objected to the bill because it brings the Supreme Court into politics, from which the framers of the constitution intended to keep the judiciary aloof, as the liberty of the people and perpetuity of the government depend, not only on their purity, but their ability to retain the confidence of all parties.

Female Lawyers, etc.

The House judiciary committee, to-day, reported a bill providing that any woman who shall have been a member of the bar of the highest State or territorial court, or of the Supreme Court of the District of Columbia for three years, maintaining good standing, and who has a good moral character, shall, on motion and production of such record, be permitted to practise before the Supreme Court.

Wigginton left for Wisconsin, tonight, on the receipt of a telegram announcing the illness of his children. He expects to be back in about six days, and bring his family to the warmer climate of Washington.

Adolph Sutro returned here, today, from a short visit to London and Paris.

The Murdock Testimonia'.

BOSTON, 19.—The Murdock testimonial entertainment at the Boston Theatre this afternoon netted $3,400.

A Sixteenth Amendment—National Democratic Committee—Committee on Indian Affairs.

CHICAGO, 19.—The *Times'* Washington special says the women's suffragists, to-day, matured a sixteenth constitutional amendment, giving women the right to citizenship. They have petitions from twenty-six states. One hundred delegates were present, including Mrs. Stanton and Phoebe Cozzens.

The national democratic executive committee will call a full meeting of the committee here on February 2nd. If the compromise bill passes the committee intend to call a national convention.

In the committee on Indian affairs, to day, the sub-committee reported a bill recommend by the Sioux commission, providing for the removal of the Sioux o the Indian Territory, but the commission voted to recommit, with instructions to report the bill striking out that portion providing for transfers.

Counterfeit Bill.

A counterfeit $1,000 bill, said to be a very perfect imitation, has appeared.

Small-pox Cases.

NEW ORLEANS, 19.—Since the first of January 117 new cases of small-pox have been reported to the board of health, including one case from the State House. Several cases are reported among the troops in the custom house.

Arrested.

NEW YORK, 19.—Maxwell, the broker who bought the $64,000 check of the forger of the Union Trust Company's check, was arrested, to-day, charged with complicity.

$100,000 Fire.

The fur and straw hat factory of Wm. Heath, Hull Street and Park Avenue, Brooklyn, was burned tonight. The damage to stock, machinery, building and adjoining residences is estimated at $100,000, partially insured.

Burial of the Ashtabula Victims.

ASHTABULA, 19.—The unidentified dead, nineteen in number, were buried, to-day, in the cemetery here, with the Methodist Episcopal services. Three are still here, waiting identification.

A Mob Riot.

ST. LOUIS, 19.—The *Globe-Democrat's* special from Carthage, Missouri, gives a brief account of a riot at Webb City, yesterday. It appears that a somewhat notorious fellow named Bud Blunt, was arrested for violation of the city ordinances, and not being able to pay the fine assessed, was lodged in the calaboose, and subsequently released. In a spirit of revenge he, with his brother and a large number of followers, procured guns and pistols and opened fire on the citizens promiscuously. Some 200 shots were fired. Several persons were badly wounded, including two of the rioters. Several houses were fired into, two horses killed and two men severely beaten. Great excitement prevails. The citizens rallied and ten of the rioters were arrested; they will be prosecuted to the extent of the law.

Consumption can be Cured.

Standard Steam Laundry Office,
Cleveland, O., Oct. 30, 1876.

DR. FRAZIER. Dear Sir: I feel it a duty I owe to suffering humanity to write you, stating the wonderful benefit I have derived from the use of your Life Syrup and Strengthening Root Bitters. For some time I was sorely afflicted with a cough, raising bad stuff, with every symptom of being a confirmed consumptive. I tried different medicines and cures, without finding relief; I also consulted three of our most prominent Cleveland physicians, the last one of which pronounced my case serious and informed me I could not live more than a few months. About this time, hearing of your wonderful success, I commenced taking your Life Syrup for the lungs, in connection with your Root Bitters, and at once was benefitted, and after using the medicine some two months, I find myself entirely cured. If this statement of my case can be of any service to you in bringing your medicines to the notice of the suffering, my object in writing this note will be attained, for I firmly believe my life has been saved by your treatment.

Signed, TORRENCE DUNN.

MEDICAL.

Judgment of the People.

During the past eight years the public have carefully observed the wonderful cures accomplished by Allen's Strengthening Cordial. From its use many an afflicted sufferer has been restored to perfect health after having expended a small fortune in procuring medical advice and obtaining poisonous mineral medicines.

Its medical properties are alterative, tonic, solvent and diuretic. There is no disease of the human system for which Allen's Strengthening Cordial cannot be used with perfect safety.

Allen's Strengthening Cordial

WILL CURE

SCROFULA!

SCROFULOUS HUMOR.

It will eradicate from the system every taint of Scrofula and Scrofulous Humor. It has permanently cured thousands of helpless cases where all other known remedies failed.

ALLEN'S STRENGTHENING CORDIAL

Is the great blood purifier, cures Syphilis and removes Pimples and Humors on the face.

Reason should teach us that a blotchy, rough or pimpled skin depends entirely upon an internal cause, and no outward application can ever cure the defect.

Tumors, Ulcers, or Old Sores

Are caused by an impure state of the blood; cleanse the blood thoroughly with Allen's Strengthening Cordial and the complaints will disappear.

Allen's Strengthening Cordial cures Constipation, Dyspepsia, Faintness of Stomach. It is not a stimulating Bitters which creates a fictitious appetite, but a gentle Tonic, which assists nature to restore the stomach to a healthy action. No person suffering with Sour Stomach, Headache, Costiveness, Palpitation of the Heart, Indigestion, Low Spirits, &c., can take three doses without relief.

Allen's Strengthening Cordial cures Female Weakness; it acts directly upon the causes of these complaints, invigorates and strengthens the whole system, acts upon the secretive organs and allays inflammation.

Allen's Strengthening Cordial has never failed to cure mercurial diseases, pain in the bones, as it removes from the system the producing cause. Salt Rheum and Scald Head readily yield to the great alterative effects of this medicine.

Allen's Strengthening Cordial has never been known to fail in giving immediate relief in all diseases of the Kidneys and Urinary organs. This medicine challenges the most profound attention of the medical faculty, many of whom are prescribing it to their patients.

Allen's Strengthening Cordial acts as delightfully on the tender babe, the most delicate lady, and infirm old age, as on the strong man; imparting health and vigor to the nerves and brain, blood vessels, heart and liver. When taken you can feel its life-giving power course through every artery, destroying all diseases in the blood and giving health, elasticity and strength to the whole organization.

Allen's Strengthening Cordial is acknowledged by all classes of people to be the best and most reliable blood purifier in the world. It is a never failing remedy and can be relied upon. How many thousands upon thousands have been snatched as it were from the brink of the grave by its miraculous power. Who will suffer from Liver Complaint, Dyspepsia, Disease of the Stomach, Kidneys, Bowels or Bladder when such a great remedy is within reach?

Volumes might be filled with proof from all parts of the civilized world to prove that no remedy has ever been discovered in the whole history of medicine that acts so rapidly in the worst cases of Scrofula a good appetite, complete digestion, strength and a disposition for exercise are sure to follow its use. If the bowels are costive, or headache accompanies the disease, the use of Allen's Liver Pills will remove it. Over eight years experience and the increasing popularity of Allen's medicines are conclusive proof.

Price $1.00 per bottle, or six bottles for $5.00. If your druggist or store-keeper does not have it, we will forward half a dozen to any address on receipt of the price.

Thousands of persons have used these Pills, we have yet to hear the first complaint from one who has tried them. They always give relief.

ALLEN'S LIVER PILLS

Regulate the organs of the system, restoring functional harmony and securing the secretions of the proper constituents of each organ. By their action the liver secretes its allotted portion of bile—the lungs carbon, the skin sweat, the kidneys urine, etc., and are always reliable as a purgative.

The aged, and persons subjected to Constipation, Paralysis, and Weakness of the Bowels, Kidneys and Bladder, etc., that have to resort to Injections, by taking two or three of Allen's Liver Pills, will enjoy natural discharges, and by the occasional use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the Bowels, Liver, Kidneys, etc., that may be worn or depleted by age.

In these Pills, a want that science has ever failed to supply is secured, and this is a thorough purgative that can be given in safety in cases of eruptive fevers, as Smallpox, Erysipelas, Yellow Fever, Scarlet and Typhoid Fevers. When the Mucous Membrane becomes ulcerated, these Pills act thoroughly, yet heal ulcerated and excoriated parts. They are made from extracts—from new ingredients—entirely vegetable, superior in every respect to the ordinary powders and substances of the common advertised Pills, and have a safe, certain, and uniform action.
