IT IS reasonable to conclude, that Benson's
Caprine Pastilles, having secured the high-
est award at the Continental Ex-
position, over all other remedies, re-
ceived the approval of the highest
authorities in the world, most pos-
sible. Benson's Caprine Pastilles
were invented to overcome the
slow action of the ordinary medi-
cines, and to relieve the sufferer of
all kinds of ailments, such as
rheumatism, neuralgia, sciatica, etc.,
and to cure the most obstinate cases
of chronic constipation. They are
entirely harmless, and are a sure
preventive of all diseases of the
bowels, etc.

THESE ARE
FRAUD-BEWARE! FRAUDULENT
imitations of Benson's Caprine Pastilles
are in the market, some of them contain-
ing dangerous poisons. The only genuine
Benson's Caprine Pastilles have the word
"Caprine" cut through it. Take no other.

New Edition of the Book of Mormon.
With foot notes, in several styles of
binding; also a great many other
Church Publications, just received
at the JUVENILE INSTRUCTION
Office.

The scarcity of Diamonds, Gold
and Silver, and the difficulties met
with in securing them, is a sure in-
dication of their value.
Thus it is with a valuable medi-
cine: Dr. Aug. Kaler's Celebrated
German Pulmonic Effluvia, through
the jealousy of rivals, has met
with the most bitter opposition, and
apparently almost insurmountable
obstacles to its success. But its
benefits are so manifest, that it will
try to change the course of the
current, and bring it back to its
source, or put out a prairie fire with
a tear.

For the cure of Throat and Lung
diseases, such as Croup, Croup,
Consumption, and Bronchitis, and
all other ailments of the throat and
lungs, it is unequalled. Its effects
are truly magical. Ask your Drug-
gist for it. The genuine bottle has the
Frusian Coat of Arms, the fac-
simile signature of Dr. Aug. Kaler,
and has his name blown on every
75 cent bottle. Trial bottle, 25
cents.
