Other affidavits charge that they were arrested and detained similarly without a criminal charge being proved against them. Several white citizens of the vicinity allege that the affidavits of the negroes are accurate as to the state-ments made in them,

INSURGENT ACTIVITY.

It is Showing a Special Renewal in the Philippines.

Manila, Sept. 26,-On Monday night vigorous insurgent attacks were made | Their Religious Views are Obnoxious upon the United States outposts in the district near Zapote bridge, Las Pinas, Paranaque, Bacoor and Imus, twelve miles south of Manita, the scene of the fighting last October. It is estimated that the rebels numbered 400 and they were armed with rifles. The inhabitants took refuge in the phabitants took refuge in the hurches, The Americans have since

energetically dispersed the enemy, kill-ing and wounding fifty, A party of scouts belonging to the Twenty-fifth United States infantry landed on the Island of Samar, the inhabitants and insurgents fleeing to the mountains. The Americans met with but slight resistance and burned a town, Last night there was outpost firing at Pacte, Pagsanjan and Santa

Cruz, in Laguna province.

It is reported that an American scouting party discovered a body of insurgents in the province of Nueva Ecija, two skirmishes ensuing, in which twelve of the natives were killed. Similar brushes have taken ice near Indang and Silang, in Ca te province and near Iba and Subig lying two-killed and three wounded. Advices from the island of Leyte say that Gen. Modica's band have been scattered and demoralized by Maj. Henry T. Allen of the Forty-third intarty, who has vigorously pursued the

surgents in the mountains, capturing nany and taking a quantity of money, rifles, ammunitien and stores.

Senor Arollay, the chief justice;

Many Immigrants Coming.

New York, Sept. 27 .- More than four thousand prospective American citizens were passed through the immigration bureau at the Burge Office yesterday. They came from all parts of Curope, and were passengers by six different steamers.
The Kaiser Wilhelm der Grosse, from

Bremen, brought 657, the Oceanic, from Liverpool and Queenstown, brought 1,-10, the Spaarndam, from Amsterdam, prought 857, the Furnessia, from Glas-gow, brought 275, the Friedrich der Trosse brought 1,050 from Bremen, and the Milano brought 190 from Hamburg.

Fatally Hurt at Football.

Chicago, Sept. 27.—Lawrence Piersen, Lexington, Mo., Lake Forest University track haif back, was probably fatally turt in yesterday's game with the south Division High School. Paralyzed, of conscious, he lies at the Presby-rian hospital near the North Shore College. During the game Pierson at-tempted a hurdle play, fell and struck full on his head. When picked up he showed that his spine had been so seriously injured in the scrimmage that almost total paralysis had followed the Pierson has a fighting chance of recov-

British Troops Coming Home.

New York, Sept. 27.-Lord Roberts has informed the lord mayor of Londor by telegraph that the city imperial volunteers will reach that city by November 5, says the Tribune's London correspondent. This news will give great satisfaction for it means that the volteers will be enabled to take part in civic procession on Lord Mayor's

Lord Roberts himself does not expect to return home so soon. He is certain to be the recipient of many honors in Natal and in Cape Colony, and prob-ably at least six weeks will clapse be-tween the time he quits the Boer upcountry and the day on which he again sets foot in England.

Indians Die of Starvation.

St. Paul, Minn., Sept. 26 .- A Winnepeg, Man., special says:

G. E. Stevens, a Methodist mission-ary at Oxford house, in the district of Wowateen, in a letter dated Sentember owateen, in a letter dated September 1900, states that during the late winer and early spring of this year, be-ween twenty and thirty Indians of the Sauiteaux tribe, residing near Andy Lake, died of starvation. Rabbits and deer have fed this people and although they eat even the bark of trees they were not able to sustain life.

The shock and strain of being fired from a cannon daily through a circus season, would seem to be extraordinary. But it is not nearly so wearing upon the average woman's nervous system, as the strain and drain of the every day life of the married woman, It great shock of is not the the storm which wears the

stone but the "continual dropping." life it is not So in woman's the great demands upon her out, but the interminable leakage of her strength through the diseases that affect the delicate womanly organs. To stop this ceaseless leakage of strength is as much the desire as the

duty of women. It can be done once and for all by the use of Dr. Pierce's Favorite Prescription. This medicine i not a cure-all but it is specially designed for a specific purpose, the cure of the chronic diseases peculiar to women. It dries up the drains, allays inflammations, heals the ulcerations and cures the displacements which are at the bottom of woman's

There is neither opium, cocaine or other narcotic contained in "Pavorite Prescription."

"For five years my wife was in an almost helpiess condition, suffering from female weakness," writes J. S. Everitt, Esq. of Haperman, Washington Co., Fla. "Last September I decided to try Dr. Pierce's Favorite Prescription. She took several bottles of the medicine and gave birth to a ten pound son on January sist, ites. She is now solund and well and doing her housework."

A gift. Dr. Pierce's Common Sense Medical Adviser 1008 pages, is sent free on receipt of stamps to pay expense of postage only. Send 21 one-cent stamps for the paper bound volume, or 31 stamps for cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y. The charges filed by Solicitor Ed-
