EVENING NEWS. Published Dally, Sundays Engepted, AT FOUR O'CLOCK. PRINTED AND PUBLISHED BY THE DESERET NEWS COMPANY. CHARLES W. PENROSE, EDITOR. Oct. 31, 1884, Wednesday, PEOPLE'S TICKET. TERBITORIAL ELECTION, NOV. 8, 1680. FOR DELEGATE TO CONGRESS, JOHN T. CAINE. MORE FALSIFICATION.

YESTERDAY we drew attention to some of the false statements incorporated horse shoe. Near the centre of this it may, it was no doubt a part of the in the report of Governor West to the space stood a tree, in the branches of programme that he should seal his tes-Secretary of the Interior. It is one of the which were lodged baskets of sand in most unreliable and untruthial papers such a manner as to form a protection will remember the remark Joseph

tense awall, however, being wide

Even the products of the Territory forces here from the various islands, have, in this official document, been and it appears that each had an army misrepresented. That this is the case of about 5000 men when the ameng the great cities of the millendees not require a close investigation, battle took place. The men on both but is apparent at a casual glance. The Jucern crop for the present year is quoted at 500,000 tons. A men

tal calculation without recourse to statistics ought to be sufficient to show that this is necessarily an underestimate. The product in proportion to the population is enormous in this great agricultural community, where the common yield on farms ranges from 59 to 500 tons. Further still from the mark is the statement of the present year's yield of apples-200,000 bushels. It would not be far from the mark to say that them vessels of water, with which several counties of Utah each come several counties of Utah each come they refreshed themselves. This was went down like all the ether settle pretty close up to that figure. In some in accordance with a Sam an custom ments of the Saints, but since the parts of this county, a short distance Meanwhile, however, the defeated Canal, at the upper end of which it is south of this city, parties have had it forces of Tamasese constructed an- so pleasantly located, it has rather announced in public meeting that other line of entrenchments similar to three hundred souls. those who wanted apples could call at the breastworks they had just lost, their orchards and get them without and hence were that much better pre-to prevent them soing pared to resist the next charge.

only relict left of what once was a fourishing settlement of the Saints. It was the commencement of what would have grown to a large city—a sister city of Nauvoo on the other side of the river—had the Saints been per-mitted to remain. We refer to Zara-During recent years the United States, England and Germany have united in forming a sort of protectorte over the islands, such a course being deemed advisable on account of the interests, and the number of gitihemla, a place settled under the direczens, which each of those nations had tion of the Prophet agreeable to a revelation in the year 1841. During that year a Stake of Zion was organ-ized here with John Smith, Joseph's uncle, as president. In obedience to on the group. The native system of government has not, however, been materially interfered with by those powers. The present war, according the revelation the Saints in Iowa comto the best information we have, origimenced to gather onto the site, and about thirty houses had been crected nated in the election of a new king. when the persecution put a stop to any further improvements. It was also here that Joseph and Hyrum Smith and Willard Riceards spent the night between June 22ad and 23rd, having left Nawoo the examing mervious with The incumbent of the throne, Tamasese, refused to surrender it to the king elect, Malietos, though a majority of the natives and their chiefs apleft Nauvoo the evening previous with the intention of fiscing to the mounpear to have taken sides with the lattains, to escape the murderous plans of their enemies. It has always been a source of regret to some of the Saints that the Prophet did not carry out his ter. On the 13th ult., on the island of Upolu, a battle was fought between the armies of the two contestants for. the throne. The forces of Tamasese intention on that memorable occasion, and that he through the persuasion of Emma Smith, his wife, and others had entrenched themselves behind

Washington, dated yesterday, says the promise made in New York on Saturday by the President to prominent democrats, it was known would cer-tainly be carried out. The expected news reached New York this morning, but it did not cause great dissatisfac-tion in political circles. The following is the substance of a telegram received this morning by members of the cabinet from several

Democrats Anxious.

NEW YORK, Oct. 31 .- The Herald's

WRECH OF THE CZAR'S TRAIN

Persons were Killed.

novka at noon on Monday. While

Czar.

members of the democratic national committee in New York: "A Washington telegram in today's

papers is most disappointing about the Sackville matter. Does the President know the Irish vote is slipping out of our hands because of diplomatic shil-hy-shallying? See L at once. Some-thing ought to be done today."

to waste

Errors of this kind may be inadvertent, and possibly may not arise from the fact that the agricultural portion of the community are "Mormons," news from Samos it seems probable but they tend to show a purpose that the contest will not long conor inexcusable recklessness. In either case the document is vitlated by their tinue, and that Malietos's right to the throne will be conceded. presence

Foreign residents have not been in-If there be unintentional errors of fact or figure, they may be partially volved in the war in any way, nor nave any of them been killed, with the excusable, but the disposition to misexception of a Captain Bassett, who represent and falsify runaing[through was fatally wounded in Apia by a a large portion of the report is unpardonable. More than that, it is disstray bullet, fired from the opposite graceful. Especially is this the side of the harbor during the fight. Climation now on the part of the pres-ent inhabitants to mob us, should we come back, as they would undoubtedly be in favor of the boom in real estate lost such property as pigs, poultry, taken by foragers, but their claims will probably be amicably settled. There is, so far, no reason to suppose that the old mobo-cratic spirit was not dead yet, and would not deal ong as the devil had the board in the troubles, or and that should theSaints return at the that relation to a clique, than ha did that they have been in the relation to be the governor of the that they have been in the relation to a clique, than ha did that they have been in the relation to be the solution to be the governor of the that they have been in the relation to a clique, than ha did that they have been in the relation to a clique. side of the harbor during the fight. Especially is this "the graceful that relation to a clique, than he did that they have been in the vicinity of when he first came to Utah. He was, the fight.

when he made his advent here, evidently moved at the cordiality with which he was received, and announced that it he knew his duty he believed he had the courage to perform it. If he has endeavored to keep his word, his ideas of duty must be singularly perverted

Irappears that Mr. West esteemed it to be his duty to show, by false witness, that the influence of the "Mormon" Church entered into all the avenues of life by an arbitrary and exclurive process. His statements in that regard about Z.C.M: I. have been signally refuted. He madeja somewhat simllar assertion regarding the Salt Lake City Gas Works. This latter false witness brought out a statement from Mr. Ellerbeck. The fellowing card from that gentleman appeared in the Herald of this morning :

OFFICE OF THE SALT LAKE CITY GAS Co., 32 E. First South St., City.

To the Editor of the Herald: Governor West, in this year's annual report to his superior officer at Wash-ingtor, states in effect that the Mor-mon Church "built and oper-ted the Salt Lake City Gas Works.'2 Please

Sait Lake City Gas Works." Please oninge me by publishing this denial: This company was duly incorporated May 25, 1872, under the laws of this rerritory, by myself. Thomas J. Almy, (a gentleman well and faverably known to business men of Sait Lake), and some others, but the Church never subscribed for, and never furnished a single dollar towards building the gas works, and never interfered, or at-tempted to interfere, or to direct, the

age ment. The Church never owned but a minority representation; Ergo, the Church never baving held a cun trolling interest never "operated the.

Yours truly, T. W. ELLERBECK, Secretary and Superintencent Sait Lake City Gas Company.

Perhaps' this also may bring out an apology for the Governor from the local red hot republican organ.

-----THE WAR IN SAMOA.
