### LIVELY COUNCIL SESSION.

Water County Affairs—District Court Matters—Judge Rolapp Will Take a Vacation.

Continuance of Erdman Inquest—Efforts to Arrange for a Cover Up.

Quite a lively runaway occurred yesterday afternoon on Twenty-fourth street. A team attached to a wagon came dashing up the street from the ferry floor mill. When they neared the police, the hind wheels struck a telephone pole in the center of the road, smashing the wagon almost to splinters.

The horses with the front wheels continued their race to near the corner of the Z. C. M. I. where Mr. Poulter grabbed them by the bits and brought them to a stop. The cart belonged to Henry McIntyre of Farr West. No one was hurt.

### VIEW, ALSO AFFORDS A SOURCE OF PROFIT.

The checks coming regularly each month to our good housewives for family expenses.

Upon the whole our present outlook for a prosperous year is very favorable. No weather conditions have as yet transpired to injure our fruit crop, which promises to run up into the hundreds of cases.

The only unfavorable element being a light deposit of snow in the "everlasting hills" to feed our irrigating streams, yet there is a chance of a big supply of moisture in the interior of the mountains from former heavy deposits, which, when added to by the spring rains, we are apt to have and the already unusual supply of moisture in the land, we have but little cause for alarm.

The general condition of the ward is very fair. All the organizations are seemingly vying with each other in the good work being done. The Sunday school deserves special notice from the very excellent work done in every department under the efficient supervision of Nathaniel Montgomery, J. A. Clark and John Q. Baylock. All the departments are down to the most complete systematic plan of work, each having their class work independent.

The general health of the people is good. "Grandma" Spackman, aged 85, is suffering some from old age and general debility.

Some few families have been afflicted with measles, but only one case fatal, that of a little girl of Geo. Brown, that however, was not caused directly from measles.

Stood Death On.

T. E. Mundy, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: "My brother was very low with malaria fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued to refuse to take it. He was at home. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs and purifies the blood; aids digestion, regulates liver, kidneys and bowels; cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50 cents at Z. C. M. I. Drug Dept.

CENTREVILLE.

Address of Elder B. H. Roberts at Sunday Afternoon Services.

Special Correspondence.

Centerville, Davis Co., Feb. 11.—At the regular Sabbath afternoon services held in the Centerville ward today, Hon. B. H. Roberts was the principal speaker. He first read the words of Paul, "For we can do nothing against the truth, but for the truth," and after making a few remarks in exposition of this doctrine, read extensively from Matthew, 23rd chapter, and adapted his reflections from the reading of this chapter, to the state of the church in this ward.

Mr. Roberts made no reference during his address, which occupied about fifty-five minutes, to his recent political experience. He was at home in the village church, with the village folk, and talked as a talented neighbor, to his neighbors, upon the Scriptures. A large congregation was in attendance at the services, which included members of the church and non-members.

After taking the first bottle, she was entirely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. Trial bottles free at Z. C. M. I. NATURALIZATION.

David T. Evans of Scofield, formerly of Wales, hearing petition for citizenship, as was Carlo Delphaz, formerly in England; wrote:

"On the eve of St. Valentine's Day the young folks in England and Scotland, by a very ancient custom, celebrate a little festival. An equal number of maid and bachelors write their true or feigned name upon separate billets, which they roll up and draw by way of lots, the maid taking the man's billet and the man the maid's; each that is young then writes upon a young girl that he calls his valentine, and each of the girls upon a young man that she calls her. By this means each has two valentines; but the man clings to the valentine that has fallen to his lot rather than the one who calls him hers. Fortune having thus divided the company into so many couples, the valentines give bills and treats, wear their billets several days upon their sleeves, and take their part often ends in love."

FATAL SHOOTING ACCIDENT.

An Eleven-year-old Boy Shot with a Toy Pistol.

Special Correspondence.

Pocatello, Idaho, Feb. 12.—The past week has been one of extreme winter storms, with a fall of the beautiful, causing the hills to look like winter again, which will undoubtedly be welcome to the farmers surrounding us.

FATAL SHOOTING ACCIDENT.

A sad accident occurred here on the 10th by which the 11-year-old son of Mr. Francis Miller lost his life. The boy, with several companions, were out in the shed, playing. Among their playthings were a toy pistol, a .22 caliber pistol, and seeing a cat run past one of the boys decided to take a shot at it, but young Miller asked to be allowed to shoot, he being the better shot. When he took the pistol, in some manner unexplained, it went off, the poor boy receiving the shot in the abdomen. He lingered till 11 o'clock Sunday morning, when death relieved him of his suffering.

OTHER DEATHS.

Death also visited the houses of Mr. and Mrs. A. Denton, and Mr. and Mrs. J. H. Denton, Sunday night. The latter back home to their heavenly Father the infants of both families. All parties have the sincere and heartfelt sympathy of the community.

Mr. and Mrs. J. H. Denton's infant child, a very fine specimen, died Sunday night. Mr. and Mrs. Denton's boy, recently operated on for appendicitis, is improving.

The health of the people in general is good.
