MURDERER IS STILL AT LARGE

No Clue to Slayer of Deputy Sheriff Clark—State and County Offer Rewards.

RACE FOR POSTMASTERSHIP.

Testimonial in Honor of John L. Herick—Knights of Columbus Initiated—Junction City Briefs.

Ogden, Nov. 30.—Another day passed without any important discovery of a clue that would lead to the arrest of the murderer of the late Deputy Sheriff Seymour L. Clark. Saturday night, all day Sunday and Sunday night detectives from the city as well as the railroad company and policemen from the city and deputy sheriffs from the county, were scouring the hills in the vicinity of the crime but as far as could be learned failed to secure any additional clue to the murderer.

The usual number of theories as to who the murderer was have been advanced. Every possible clue is being followed up to its end by the officers. It is stated that the officers are working upon some clues from which something may develop. It was rumored last evening that since the offering of the reward of \$500 by the governor and \$200 by the county that a well-known detective agency of the United States had dispatched two men on the case. One of the men being a typical human blood-hound who has grown gray in the service.

Funeral.—The funeral services over the body of the late Seymour Clark will be held Tuesday afternoon at 2 o'clock at the Second ward meetinghouse. Bishop Robert McQuinn will preside. The county offices will be closed and the officers and employees, the members of the police and sheriff departments and members of the Elks lodge will attend the services. The body will be removed from the Leatham undertaking parlors this evening to the family residence, 641 Twenty-sixth street, where it will lie in state until tomorrow at 1 o'clock. The interment will be in the city cemetery.

RACE FOR POSTMASTERSHIP.

Oscar Madsen and Will Howell the Contenders, Former Leading.

The race for the postmastership of Ogden during the past few days has become exceedingly interesting and now seems centered down to two candidates—Oscar Madsen and Will Howell, the latter being a nephew of the Utah congressman who will make the recommendation to the president. For several days it looked very bright for Howell for the postoffice job which William Glassman has announced his intention of giving up, but now the tide has changed to Oscar Madsen, chairman of the board of county commissioners and chairman of the last Republican County Central committee is in the lead.

As President-elect Taft has offered Frank H. Hitchcock, national chairman of the Republican party, the postoffice in the cabinet of postmastership and the latter has signified his intention of accepting it, and owing to the close relations during the campaign between Madsen and Hitchcock the latter has given the former his endorsement.

From those who are in a position to know it is stated that Madsen meets with the approval of Senators Smoot and Sutherland. It has also been argued that the appointment of his nephew by Congressman Howell would probably conflict with any future aspirations of the latter. Albert Howell, brother of the applicant for the postoffice and recently elected judge of the Second judicial district court.

FUNERAL OF BISHOP WADE.

Impressive Services in Ogden Tabernacle Sunday Noon.

Ogden, Nov. 30.—Most impressive of the funeral services that were held at the tabernacle, Sunday noon over the body of the late Bishop Edward W. Wade, who died in Ogden last Wednesday after a lingering illness. The vast auditorium was filled to its capacity with the friends of the deceased being a tribute of the high regard in which he was held in the community.

Bishop H. W. Gwilliam presided at the services and together with the following made brief remarks: President C. F. Middleton, John Seaman, Nathaniel Montgomery, Rulon S. Wells of Salt Lake, Judge J. A. Howell and Apostle David O. McKay. Solos were rendered by Hagbert Anderson, Orza Griffin and Miss L. Hobson with Prof. Whitaker as accompanist.

A large funeral cortege followed the body in its final resting place, the interment was in the North Ogden cemetery. The floral offerings were many and beautiful.

Out of respect for the distinguished citizen the Second judicial court of Weber county was adjourned from Friday until this morning. The following order being made by the court: "The attention of the court has been called to the death, on Wednesday, last, of Bishop E. W. Wade of this city, and because of his standing amongst our people, it seems fitting that the court should take official cognizance of it."

Bishop Wade was distinguished alike in the business, social, political and religious life of the community; a former county commissioner of this county and

SHOCKING ACCIDENT.

Forest Ranger Leatham of Wellsville Fatally Injured in Canyon.

Logan, Nov. 30.—James Leatham of Wellsville, the oldest ranger in the Cache forest reserve, appointed in 1903, died at Hyrum, Saturday afternoon, from injuries received while on duty in Blacksmith Fork canyon on Friday, while on his way home.

Mr. Leatham was up the canyon removing slabs from an old slab pile and when partly loaded his team took fright and started to run. He got the lines but the slabs began to slide and hit the horses, which became unmanageable and Mr. Leatham was thrown to the ground with the slabs. His jaw bone and a number of ribs were fractured and he was rendered unconscious. When he recovered he was so cold and benumbed that he was practically helpless. He crawled to the rangers' cabin but was too cold to light a pipe. He remained in the cabin all night. Saturday morning he caught one of the horses, and managed to make his way to Hyrum, 10 miles from the scene of the accident. There he was met by his brother and a physician. The latter administered chloroform to him and reduced the fractures. Mr. Leatham was too weak to survive and died while under the influence of the anesthetic. He was an efficient officer, held in high esteem by all who knew him. He is survived by his wife and six small children.

RICHFIELD.

BELT GROWERS' CONVENTION.

Concerted Movement for a Sugar Factory—Temperance Crusade.

Special Correspondence.

Richfield, Nov. 28.—A convention of the beet growers of Sevier county was held in this city this afternoon and proved to be a very enthusiastic gathering. The object was to discuss matters pertaining to the beet growing industry, but more particularly to try to secure the erection of a sugar factory in this vicinity. Reports at the meeting showed that the transportation facilities were entirely inadequate and positively detrimental to the industry in this part of the country and that unless something could be done to relieve the situation in the near future, people would get discouraged and quit the business. The beet growing industry is a permanent one, providing the crop can be marketed in season and without too much expense.

It was the sense of the meeting that

relief from existing difficulties was far more important and could not be obtained until a sugar factory could be erected in this part of the county.

Plans were discussed as to the best course to pursue to obtain this much desired result. Finally a general committee was appointed, one from each ward in the county; this committee to appoint an executive committee from their number. The general committee-men to canvass their respective districts and secure acreage and make binding contracts for a period of five years, which would form a basis upon which the executive committee could work looking to the securing of capital for investment in the enterprise.

The matter of individual subscriptions was also discussed and many suggested their willingness to invest providing they could obtain the stock by placing the land in security or giving part of the crop each year, or possibly both. The committee was instructed to use its best endeavors to secure a factory the coming year. The names of the committee are as follows: Eldridge, H. C. Joseph, J. A. Moore; Elmore, H. C. Larson, Brooklyn, A. Moore; Monroe (South), F. B. Gould; (North), J. E. Magleby; Central, C. B. Greenwood; Anabelle, W. Spafford; Richfield (First), Hans Christensen; (Second), W. H. Seigmiller; (Third), W. H. Clark; Vinton, A. W. Buchanan; Glenwood, J. H. Payne; Aurora, D. H. Cloward; Saffron, E. Crane; Richmond, J. Anderson; Spiced, John Dastbury; Austin, R. A. Lowe.

W. H. Seigmiller acted as chairman of the meeting and R. A. Lowe, secretary. The state priesthood and business meeting was in session here today with a good attendance. The main topic discussed, President W. H. Seigmiller referred to the various petitions that had been circulated in the different wards for signatures petitioning the city council, the town boards and the county commissioners not to grant liquor licenses to the saloons in this county. He said the signatures of the petitioners indicated that it was long before Sevier county would be placed on the "dry" list. He also gave notice to the present that it was quite possible that President Joseph F. Smith

would be here at the next quarterly conference, which will be held Dec. 19 and 20.

There is a cold wave now on in this valley and everything is being frozen up tight.

Mrs. Mary Lindberg Dies Suddenly—Eighteen Inches of Snowfall.

Special Correspondence.
Tooele, Tooele Co., Nov. 25.—The sudden death of Mrs. Mary Lindberg, which occurred here early Tuesday morning, was a great shock to the community. She was in her usual health up to the evening before, when she suddenly became unconscious and though medical skill did all that was possible,

she remained in that condition until her death. Mrs. Lindberg was the wife of the late Jonas Lindberg; was born in Gottenberg, Sweden, April 14, 1836, and was one of the first to join the Mormon Church in her native city. She came to Utah with her husband in 1853, and her home has been in this town almost ever since. She was a devoted Church woman and was a counselor in the Relief society of this ward for a number of years; held in the highest esteem.

She is the mother of the late Mrs. Matilda Clegg, wife of State Senator Peter Clegg, who died less than a year ago. She is survived by two sons—Mr. Alma Lindberg of Salt Lake City and Frank Lindberg of this city. Funeral services on Friday.

The storm of the last two days has left about 18 inches of snow. The heavy frost wires are down in all parts of the city with the weight of snow, and roads are almost impassable.
