

SAY, MR. MAN

Do You Know That Spring is Here?

That means new clothes for every man who keeps pace with the wheels of progress.

The mission of this store is to cater to manly men who appreciate those masculine traits of refinement in clothes which lend dignity to the wearer.

Correct Fashions in Hats

Our Fifth Avenue silk hat, made by Henry Heath, London, Eng.

A new Stetson derby, \$4 and \$5 in brown and black.

A new Lenox telescope hat. Hawes, \$3; Stetson \$4 and \$5.

The new shades of tobacco brown and Porto Rican tans will prevail this season, although grays and staple blacks will be worn by men of sedate taste.

"CHESTERFIELD" CLOTHES

Appeal to the man who is in quest of apparel conforming with the requirements of correct dress—something deviating from just ordinary creations. They are distinctive in fabrics and pleasing colors, with style and fit that are unequalled.
