OGDEN NEWS.

OGDEN, - - - - SEPT. 20, 1900.

WORK OF SAFE CRACKERS.

Co-op, Wagon & Machine and Continental Oil

Companies are the Losers.

Ogden City Water Works Company

Incorporated - Hoyle Salary Case

-Irrigation Case Dismissed.

A number of years have passed by

since Ogden has had any safe cracking, but Tuesday night the creditable record

was broken and two of our leading

business houses are more emphatically

aware of the fact than any one else. The

Co-operative Wagon and Machine Com-

pany and the Continental Oli Com-

pany are the loosers, their safes having

been cracked, but little money was ob-tained by the robbers. The Co-operative Wagon and Machine Company lost about \$99. It is presumed that there

were two robbers in the deal, and that their first place of work was at the wagon company's place, entrance to the office was gained by their first getting

into the warehouse and then into the office where the safe stands. It is Mosler patent, 3 feet by 30 inches by

4% feet with double doors. A drill was used, which was taken from the ware-

house and a hole drilled into what is called the cup, and the bolt was broken.

then they only had to open the doors and remove the cash, which they did. It is then presumed that they made their way to the Continental OL Com-pany's office situated on lower Twenty-

pany's once situated on lower Swenty-fourth street between the Weber bridge and the railroad tracks. They entered the office by the West door prying the lock off. Once in they proceeded to work; the safe is the same size as the

Co-op's, but of a different patent, with two pairs of double doors. It was blown

open with nitro-glycerine, the doors were blown off, one outside of the office

and the other one nearly through the wall, and the safe was badly bent,

wail, and the safe was badly octi, pleces of steel had gone through the windows and walls, and the office was almost totally ruined. Luckly for the company, Manager Williams had banked the money during the day and the robbers failed to get a thing. Al-together they only obtained \$50 and a wilcome totat

mileage ticket from the wagon com-pany. The mileage book was issued to

one of the company's traveling men for the Southern Pacific railroad, and all

the look out for the book. The papers of the companies were not disturbed.

The robbers were, without a doubt, professional safe crackers, their entire

work was done up clean, not a trace of their identity or a clue to their whereabouts or where they came from was left. Some of the tools which they used were taken from Hartog's black-

mith shop, which had been broken into earlier in the night.

The police department and sheriff's office were notified of the safe cracking and are working hard to find some trace

the men, but they have only

Night Was Her Terror.

The alfalfa seed crop is much better than we expected, and our grain and seed merchant, John W. Edwards, is busily engaged buying. He will soon

have a carload. We had an enjoyable time last evening at the reception party in honor of Sven Johan Nielson, who returned last week from a mission to Scandinavia. The evening was spent in program, dance and picnic. The Centerfield Sil-ver Band was in attendance. The band will give a concert and party on the 28th inst.

We regret to note the death of Vonda May, the little daughter of Mr. and Mrs. C. H. Christiansen. Semi-Centennial of Pioneer Day Fittingly Celebrated. Interesting and Reminiscent Program

and an Old-Time Barbecue-Brief Historical Sketch,

Special Correspondence. Springville, Utah Co., Sept. 18 .- The fiftleth anniversary of the settlement of Springville was celebrated today by a grand jubilee. The day was ushered in by salutes of artiliery. The brass band was out early and discoursed stirring music. All the business houses were closed, and the school children were given a holiday, and the day was most enjoyably spent by all the citizens and many visiting friends from neighboring towns.

At 10 o'cltok the Latter-day Saints' meeting house was filled to overflowing. The honored guests of the day were the surviving members of the pioneers the auriviving memoers or the pioneers who came to Springville. There were thrity-three present as follows: Ellisa Deal, Laura Bird, Amos S. Warren, Eliza Mendenhall, Cyrus Sanford, Henry Roylance, Wm. Roylance, Francis Nelson, Caroline Stewart, Thos. H. Mardanhall Emma Bachmac, Sarah Francis Nelson, Caroline Stewart, Thes. H. Mendenhall, Emma Roylance, Sarah Curtis, Alma Roylance, J. P. Hum-phrey, Edgar Deal, Roy Bird, Don C. Johnson, Julia A. Boyer, M. E. Cran-dall, Celia Johnson, Mellissa Messan-ger, Wm. Smith and wife, Mary B. Mendenhall, Alma Spafford, Willis K. Johnson, Aaron Johnson, Zebena Alle-man, Sarah Alleman, B. T. Blanchard, Mrs. Albert Storr, Mrs. Josiah Strong, Mirrilia Daniels. Mirrilla Daniels. Jas. E. Hall was master of core-

monies and the morning program open-ed with a jubilee song composed for the occasion by William Clegg, The first verse reads:

"Dear Springville, now of thee, We hold our Jubilee. Joy fills our heaves,

To thee our parents came And gave to thee the name That heralds now thy fame Both far and near."

Prayer was offered by the chaplain, A. J. Southwick. Mayor Mont John A. J. Southwick. Mayor Mont John-son made the opening address; said that he feil proud of the city's prog-ress in the fifty years of its existence, and extended to the honored guests the freedom of the city. The band played and Jas. E. Hall followed by the speech of welcome, and Misses Mattle and Zilla Brown sang a duet. Pioneer Beniamin T. Blanchard re-sponded to the speech of welcome in a feeling manner. He recounted many of the difficulties, trials and pleasures.

of the difficulties, trials and pleasures of the early days, "days which were happy," he said, for we always assist-ed each other and were one." Della Huntington and company rendered a guitar and mandolin selection, which

was encored. Johnson and Mrs. Julia Boyer gave addresses which were replete with reminiscenses of the early days.

The band played a short air and Prof. L. E. Eggertsen paid a short an and root to the pioneers. They had, he said, showed in their lives a love for God, and had inculcated patriotism for coun-

try, love of work, and a thirst for knowledge in the hearts and minds of their children. Instrumental music by Mias Della

Huntington, was followed by Aaron Johnson, who amused all with one of his original comic recitations

The congregation sang "Hard Times," and benediction was offered and the morning exercises closed with three cheers for the Pioneers and music by the band.

The noon hour was one that will be long remembered. The people ad-journed to the Clip Hall park for a public dinner and barbecue. A barbe-cue was a prominent feature of oldtime Springville celebrations, and its revival today was fitting. A large ox was roasted whole, the process occupy-ing about twenty-four hours, and the meat came out of the oven fit for an epicure. R. L. Bird was chief cook. Bushels of potatoes had been baked to perfection, and except for pumerous modern luxuries the ensuing feast on the green was a fair duplicate of those of the 50s. Probably 1,000 people par-took of the picnic. As in the olden time, a party of Indians were at hand to take country where stock range is as dry as ashes. Many of our citizens are now The afternoon program was replete in the mountains rounding up and with drills and songs by public school children, epecches by Edwin Lee, B. T. Bianchard, Thos. S. ### Question Answered.

# Yes, August Flower still has the largest sale of any medicine in the civil-ized world. Your mothers' and grandized world. Your mothers' and grand-mothers' never thought of using anything else for Indigestion or Billiousness. Doctors were scarce, and they seldom heard of Ap-pendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimu-late the nervous and organic action of the system and that is all they took and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used. August Plower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale at A. C. Smith's drug store.
