Tuesday, September 20th, 1881, be had the pump going, and kept it In Michigan wheat would be about observed in said city as a day of one-third of a crop, and corn half.

The Beaver Fire. - The Utonian of Saturday has the following items concerning the big fire there last week:

carried by the slight upper current of air fully half a mile from the scene; if the wind had been blowing one half of town would have been burned.

If the fire had broken out half an hour before it did a terrible holocaust would have been the re-ult, for the Music Hall was filled to suffocation, the concert of the Primary Association being held there.

Judge Twiss worked like a beaver in taking the voluminous records of his court te a place of safety; his By the Mayor: Honor was seen with another gentleman equally muscular but not quite as stout, tugging boxes of books or records down the narrow staircase to some place of security."

DEATH OF THE PRESIDENT.

The melanchely news of the death of President Garfield was flashed over the wires about 10 minutes tefore 9 o'clock, last evening, and was received everywhere with feelings of profound sorrow. The bells immediately began to toll, and the sad intelligence spread quickly throughout the city. Vast crowds gathered discuss the terrible tidings. Expres-litems of information:

sions of deep regret and tenderest. Elders C. D Fjeldsted, Peter Sund. so Mrs. Garfield is of the noblest sympathy were upon every tongue, well, Solomon Peterson, Soren C. type of womanhood; by her heroic mingled with indignant allusions to Peterson, Niels Heilesen, Anders courage and devotion she has won the red handed assassin, whose das Larson, Niels H.
