

OHIO REPUBLICANS OPEN CAMPAIGN

Initial Demonstration Occurs in McKinley's Home State.

A BIG PROCESSION HELD.

Senator Foster the Chief Speaker - Senator Depeew Talks Points of the Campaign.

Youngstown, O., Sept. 8.—The Republicans of Ohio formally opened the presidential campaign here today with a large parade followed by a meeting which for enthusiasm, eloquence and attendance has rarely been equaled in the Buckeye State.

Everything tended to a successful demonstration. Weather was ideal. The three oratorical stars, Senators Chauncey M. Depew, J. B. Foraker and Marcus A. Hanna, drew thousands of visitors from all parts of Ohio and Western Pennsylvania.

At 9:30 a. m. the first train from the New York and Erie pulled into the station with Senators Depew, Foraker, Hanna, Depeew, and Judge Williamson, of Cleveland; State Treasurer Cameron, District Attorney J. J. Sullivan, Mayor T. H. Herrick, Andrew Quinn, also of Cleveland, and George Waldorf, collector of customs of Toledo.

A BIG PARADE.

Shortly after noon they entered cars and were driven to the public square, where they took their places in the line of parade. Properly at 1 o'clock the march was taken up. The procession was in eight divisions. The first was the band, led by the city band, and during his speech was nearly five miles in length, and in addition to the bands from Cleveland, Canton, Toledo, Columbus and many other towns and cities in Ohio was made up of numerous attractive individual exhibitors.

Among the unique devices in the parade was a mammoth workingman's dinner, bearing the inscription, "We want four years more of a full dinner party."

Along the entire route there was the most enthusiastic manifestation by the crowds of spectators thronging the sidewalks.

When Wick park, where the speaking was to take place, was reached by the head of the procession fully 20,000 people were in waiting. On account of the immense crowd two meetings were held at the same time.

Governor Nash introduced Senator J. B. Foraker, who was greeted by a cheering throng. His speech was frequently interrupted by applause.

THE CAMPAIGN ISSUE.

Senator Foraker spoke in part as follows: Mr. Chairman and Fellow Citizens: The issue of this campaign is the administration of William McKinley. Shall it be endorsed or repudiated? That is the question.

Money, tariff, trusts and so-called imperialism are each and all, important subjects, but none of them can be separated from the others and voted upon by itself. In other words, the Democratic party cannot be restored to power as to one proposition and be excluded from power as to others. It must go in for "hot, horse and dragons," or not at all.

You cannot agree with it about trusts and dicker as to "government by intrigue," and then, at the same time, you can agree with it about the "imperialism" which follows the flag. It is coupled with a definite nullification of the Constitution, and a brutal denial of the rights of the negro citizen.

It is the policy of the Democratic party to do away with the tariff, to do away with the gold standard, to do away with the right of the citizen to own property, to do away with the right of the citizen to work for his own support, and to do away with the right of the citizen to live in peace and quiet.

MR. BRYAN'S PREDICTIONS.

Mr. Bryan said with opinions then; facts are dealing with him now. See what results. He told us that if we adopted the gold standard, the hard money then prevailing would continue and grow worse. We rejected his advice and unexampled prosperity has blessed the land. He said prices would fall still lower, but, in fact, they rose. He said our railroads would all be bankrupt, but, instead they have more business than they can handle. He said we would become a hopeless market nation, owing all the world, and dependent on the money markets of Europe to float our securities, but, instead, we have seen foreign nations, including England herself, selling their bonds in American markets to American citizens, who are paying for them with American money worth one hundred cents in gold all over the world. He said our foreign commerce would languish, and the balance of trade would be against us, but, instead, we have never traded so much with other nations and the balance of trade in our favor never so large. He drew direful pictures of the scarcity of money and told how it would curtail and hamper our business, but, instead, the volume is steadily increasing and the amount per capita is now the largest we have ever had. He was filled with distress because of the fate of the silver farmer if he could not be allowed to pay off his mortgages with fifty-cent silver dollars, and told with great emotion, how the farmer's farm and his home would be sold under the hammer, and the farmer would be driven from his land, and the good prices commanded by his products, he has paid off more mortgages than were ever before paid off in the history of the country. The railroads cannot get cars enough to handle the corn, the wheat and other agricultural products that are being marketed in this and other lands.

In the presence of the distinguished, practical, every-day facts the predictions and the statesmanship of Mr. Bryan appear indeed ridiculous. Notwithstanding, he now comes again before the American people to be placed at the head of our government.

AS TO IMPERIALISM.

He has a new Shibboleth—it is imperialism. He has affected to believe that President McKinley is trying to destroy the Republic and establish an empire; it is in this way he refers to what we have done in Hawaii, Cuba, Porto Rico and the Philippines. What are the facts? The acquisition of Hawaii and the Philippines is not imperialism. It is the acquisition of territory which is not a part of the United States. It is the acquisition of territory which is not a part of the United States. It is the acquisition of territory which is not a part of the United States.

BOERS ARE BEATEN BACK AGAIN.

Lord Roberts Reports Their Right Flank as Turned.

THERON REPORTED KILLED.

Was a Famous Boer Scout and Officer - Burgher Forces are Split Up and Retreating.

London, Sept. 8.—The following dispatch has been received at the war office from Lord Roberts: "Belfast, Friday, September 7.—Ian Hamilton succeeded in turning the Boers' right flank, clearing the way for Buller's advance."

"Dundonald and Brocklehurst occupied Lydenburg Thursday."

"Hart, who is operating southeast of Krugersdorp, reports that among the dead Boers left on the field it is believed that the body of Theron has been found."

Krugersdorp is a small town about twenty miles north of east of Lydenburg."

Commandant Theron, of the Boer army, was known as a great scout. It was he who commanded the Boer flying patrol that carried and burned, early in August, near Mafeking, the train carrying United States Consul Stowe, and flying the Stars and Stripes."

Storm is Heavy.

More Plague in Glasgow.

Glasgow, Sept. 8.—An official bulletin issued today says two additional bubonic plague cases have been admitted to the hospital and that nine additional persons have been placed under observation.

Another Crisis Affecting China.

Washington, Sept. 8.—No developments over night in the Chinese situation. Mr. Takahira, the Japanese minister, called at the state department this morning to talk over the conditions with Acting Secretary Hill. The minister said that he had nothing new from home touching the Chinese trouble.

There is reason to believe that the negotiations have now reached another crisis and developments of importance are expected, the nature of which it is not possible at present to even outline. It is apparent that the state department officials are giving a good deal of attention to the discussion of the personnel of a commission to adjust some phases at least of the Chinese trouble, which is now proceeding.

It is stated that Li Hung Chang is now at Shanghai, and officials are endeavoring to induce him to leave for Peking, notwithstanding reports to the contrary.

Berlin, Sept. 8.—A dispatch received here today from Ansoy under date of Thursday, September 6, announced that all the foreign marines landed there and at Kulang-Fu had been withdrawn.

London, Sept. 8.—The British admiral commanding the members of the British naval brigade who participated in the relief of Peking have rejoined their ships.

California's Jubilee.

San Francisco Cal., Sept. 8.—A four days' jubilee celebration on the auspices of the Native Sons of the Golden West to commemorate the semi-centennial of the admission of California to the Union, was inaugurated today. Steamship lines are similarly situated, visitors arriving from every town in California and even from Oregon and Lower California. The city is elaborately decorated, electric light effects for night illumination being a feature.

The program for today includes the launching of the United States monitor Wyoming at the Union Iron works this morning, a promenade concert and naval parade tonight.

WHY MRS. FOSTER IS IN UTAH NOW.

Thinks the State Can Be "Won Back to Republicanism."

WILL BE A BIG FIGHT HERE

Mrs. Foster Says That is the Occasion for Her Presence in Salt Lake - Other Political News.

The well known political lecturer, Mrs. J. Ellen Foster of Washington, D. C., reached the city today, coming in from Chicago. When seen this afternoon, the lady said she was in Utah at the request and under the direction of the National Republican committee.

"I have been given," she said, "the States of Kansas, Colorado, Utah, Idaho, and South Dakota, which I will stump for McKinley. I feel that in Utah there is a battle, but it was for that purpose I was sent west."

Mrs. Foster further said that she could not tell as yet just how much of her time would be devoted to Utah. She was in communication with Senator Shoupe of Idaho, and Senator Wolcott of Colorado, and her itinerary would be arranged in a few days.

Mrs. Foster was of the opinion shared, she said, by the national committee, that the State of Utah could be won back again to the Republican cause. And to that end she was going to add her voice to the many others coming here from the East.
