Crackers Scare Horse—A horse attached to a delivery wagon belonging to the West Side Grocery company took fright yesterday afternoon, exploding fire crackers, ran away and crushed the vehicle against a pole.

PLACES TO GO ON THE FOURTH

Salt Lake Unexcelled Resorts Will Offer Amusement for Everybody.

WANDAMERE'S CELEBRATION

Preparations to Handle Crowds at Saltair, Lagoon, Salt Palace and Emigration Canyon.

Time was when scarcely a Fourth of July passed without a celebration arranged for by the municipality of Salt Lake. However, as the city has grown larger, wealthier and more in debt, a public observance of the day is almost an unheard of happening. In fact, it is almost a score of years since the city fathers took it upon themselves to provide a "doings" for the Fourth.

The matter of furnishing the public with proper amusement on the anniversary of the Nation's birth now rests almost entirely with resort managers, and this year more than ever before efforts in that direction have been put forth. Conditions are propitious for immense gatherings Saturday next at the long established resorts, Wandamere, Saltair, Lagoon and the Salt Palace, with a new one to be added on that day, namely, the Emigration canyon resort.

EAGLES TO SOAR.
The good old fashioned manner of celebrating will be witnessed at Wandamere. Among the principal events will be country races, and if horses sufficiently unmanageable can be secured, cowboy races will be seen. A matched game of baseball will be played, and there will be the usual features of the resort. A pleasing incident of the day will be the releasing many more birds than have been held captive at Wandamere. They are of the golden variety, and from the scene of their long captivity will soar away to their native homes in the mountain fastnesses to the southeast of the city.

FREQUENT TRAINS.
Coaches to the number of 208 will carry passengers to and from Saltair, Salt Palace, Lagoon, and Emigration Canyon. The management has arranged for that purpose a long train of cars running back and forth every 45 minutes all day. The old time way of a train every two hours will be far eclipsed, and while far more people will be carried than ever before there will be no evidences of overcrowding. On that day 240 new bathrooms will be opened to the public. Held's tubs will be in attendance afternoon and evening, and there will be two series of bicycle races. For the latter event 4:30 and 8:30 p. m. Saltair reports the opening on Decoration as being the largest in the history of the place, and the June patronage was 40 per cent greater than the year before. The record day of the resort is expected Saturday.

BALL GAME.
A game of baseball between teams from the Utah Symm's Grocery company and the O. S. L. R. will be played at Lagoon. The usual attractions will be running ball blast, and in addition to these will be the Ghino Caber Mor, which interprets means, "Cabinet of death," and the doings of Syro coming a close second. Lagoon is looking its prettiest at this time, and will claim its share of holiday patronage.

RETURNS BY WIRE.
The returns of the Gans-Nelson fight at Colma, Cal., will be given to the patrons of the Salt Palace "hot from the wire." The usual attractions, with a special program of bicycle races in the afternoon, and the schedule of amusements at the Lower Main street resort.

LATEST RESORT.
A resort that will no doubt draw heavy patronage will be the pretty new resort of Emigration, which will be reached on July 4, for the first time, by electric trolley cars. The Emigration canyon railroad, the enterprise fostered by Judge LeGrand Young, will be open for traffic on that day, and cars will be run at the patronage demands. Fifth South and Thirtieth East street is the western terminus of the road, and in less than two weeks trolley cars will be running at least five miles beyond the hotel, therefore been known as Wagner's. This place from now on will be known as Emigration Canyon resort, and because of its nearness to the mountains with their ample shade and streams of cool water, will be a favorite place of outing for many people. All in all, opportunities are abundant for Salt Lake to find places for recreation and rest on the Fourth.

BAND CONCERTS.
There will be music galore at the resorts tomorrow. At Saltair, Held's musicians will be increased to 35 men, divided into two bands of 18 men each, one for the pavilion and one for the bowerly downstairs. There will be a band of 25 men at the Salt Palace, and at Liberty park, Held's band of 30 men will give the following program at 4 p. m.

March, "The Marines," Hall
Overture, "American Airs," Robinson
Capriccio, "In the Soudan," Hall
"Yankee," Brown
Patrol, "The Blue and the Gray," Dalby
Song for the cornet, "As Long as the World Rolls," Hale

OVER THIRTY-FIVE YEARS.

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy of treatment, and has for thirty-five years maintained that record. From a small beginning its sale, and use has extended to every part of the United States and to many foreign countries. The drugists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by all druggists.
