Several bills were introduced into the House, to-day, providing for restricting the period for which any one person could be eligible for President of the U.S. A bill was also introduced for reg the U.S. army to ten thou-

THE SALT LAKE METHODIST PREACHERS' POLITICAL CAUCUS.

THE Methodists preachers of Utab or of this part of Utak, appear to be a very carious set of people, and not quite so consistent as they might be. They had a political Grant was not only [eminentcaucus the other day, at the First M. E. Church in this city, and for eminently worthy of the noma very strange purpose. It appears that this political caucus grew out religious body, the "Mormons' of the political caucus held by a alone not to be included, because number of Methodist preachers in their fate would have been to be Boston, Mass., a short time previkilled off, exterminated, and that ous, in which Boston caucus Bishspeedily and summarily. op Haven was instrumental in hav. ing President Graat nominated for a third term. This wise Salt Lake Methodist-preachers' caucus was for the purpose of protesting against the Boston Methodist preachers or any body of ministers holding a political caucus and plac-

ing anybody in nomination for the pass by without further comment presidency of the United States, at this time. also of repudiating the action of Bishop Haven's Boston Methodist ject proper. The application of caucus and declaring plainly and such epithets as weak and vacillatemphatically that the Salt Lake ing to President Grant will strike BV Methodist preachers would not con-

or Salt and a perfect right to meet in council and protest against what has and fastness, to an artmordinary degrees, in the line of policy or due to faction which he may have a due of the forman has a feeted that if it is desired to establish and the ought to know, says he is a very chosen. Mrs. Grant hereal, and the ought to know, says he is a very chosen. Mrs. Grant hereal, and the ought to know, says he is a very chosen. Mrs. Grant hereal, and the ought to know, says he is a very chosen. Mrs. Grant hereal, and the ought to know, says he is a very chosen and the ought to know, says he is a very chosen and the ought to know, says he is a very chosen and the ought to know, says he is a very that fill a datumary, for the purpose of noting the purpose of the rows thick president and the administration towards that fills by the set to and a the administration towards that fills by the set and the administration towards that here is and the administration towards that fillely to cond here for the format and the administration towards that fillely to each a best facilities and ally and consequently have understood what has a may have and the administration towards that fillely to each and the administration towards that fillely to each a set and the administration towards that the administration towards that the administration towards that the administration towards the towards the towards the there one the towards the table of the set and the administration towards the table for the set and the administration towards the table for the set and the administration towards the table for the set and the administration towards the table for the set and the administration towards the administration towards the table for the set and the administration towards the table for the set and the administration towards the table for the set additions. A weaking for a precial says of the table for the set additions and the administration towards the table for the set additions and the administration towards the table for the set a presidency of the United States, and not only that, but also of tak-ing a more audacious step and nom-inating President Grant for a third term, the first third term in the history of the nation, a proceeding which no purely political caucus, we believe, has yet done, and to do which is generally considered an which is generally considered an the first difference of the set of the ring be-lauded and Sait Lake Methodist preachers' political caucus belaud-the first the set of the set of the ring be-lauded and Sait Lake Methodist preachers' political caucus belaud-the set of the set of we believe, has yet done, and to do which is generally considered an act of particular political daring and hardihood, jif not of bravade, and of defiance of the general pres-ent political sentiments and certain. ly of political precedents, and of the venerated political traditions of the country at large. If the Salt Lake Methodist preachers had done this and rested. If the Salt Lake Methodist preachers had done this and rested. We may not agree with President to to be needlessly and unjustly the assalled. We may not consider They think that Chamberlain

Thy tooth is not so tical cancus assembled.
