Fight Tomorrow Afternoon. The University "Preps" are now in the pink of condition for their game tomorrow afternoon at the 'Varsity campus with the Ogden high school team, and if the local pig skin artists do not wallop the Junction City hads they will be a disap-pointed lot. They have trained daily for some time and say that their condition is simply perfect and they do not see how they can possibly lose. Coach Holmes gave the Preps their last hard practise seterday afternoon but they did a little light work this afternoon to avoid going "stale." The Ogden team is reported as being in fine condition and very speedy, and a fast red hot game is looked for.

WANTS THAT CUP.

arations to Challenge for It. London, Oct. 22.—Despite the 'fact that W. H. Leever of Birkenhead hus denied having any intention to challenge for the America's cup, the fact that he has asked George L. Watson if he would undertake the work of designing and superintend-ing a cup challenger is now admitted to be indigutable. Mr. Watson thus far has neither defi-nitely declined nor accepted, and this possibly explains Mr. Lever's denial, as his is not likely to act without Mr. Wat-son. The latter's answer may be affect-ed by the fact that a well known Clyde yachtsman, a life-long friend of Mr. Wat-son, contemplated challenging and broached the subject to the yacht design-er before Mr Lever.

Harvard Picked to Win.

Intrvard Picked to Win. Garden City, L. I., Oct. 32.-With four men left in after the qualifying and first plonship contest of the intercollegiate Golf association, Harvard seems to have a good chance of winning double bonors scain this year. Harvard seems to have for strongest players to battle for han-ors in the individual championship, which began today with a qualifying round of 8 holes, and all of them qualified. In the first round of match play three of them, met with defeat, but the strongest men M. C. Egan, W. B. McBirney and W. C. H. Jeffries, their friend and conqueror. Both want to form a theatrical alliance with the boilermaker. Meanwhile Jeffries is taking it easy, and has not yet committed himself. Fitzsimmons had to leave Chicago for San Francisco Monday night without see-ing Jeffries.
