THE STATE'S VALUATIONS FOR 1901

An Increase Over Last Year's Figures That Shows a Rapid and Substantial Growth of the State.

state board of equalization from the reports of the various county assessors, property valuations, will of the state for 1901 were completed last night and made public by Secretary Thomas. They show the valuations at which all tax. 1900. able real or personal property in Utah, exclusive of railroads, telegraph or lower than last year, but improvements exclusive of railronds, telegraph or telephone properties, cars, and the net proceeds of mines, will be assumed as compared with last year's valuation.

The valuation at which these initer on improvements, \$1,641,128 greater than properties were assessed last year last year amountd to \$15.0%8,0%6, and may be contate, improvements, live stock, mer-chandlee, machinery and other proper-ty is \$94,198,083, distributed as follows:

The total net increase in this year's 000 this year. valuation of the above items over last The report in full is as follows:

The following tables complied by the _ year's, is \$4,931,014. This, together with the increase in railroad and other property valuations, will bring the total up to a figure much in excess of \$105, 603,041, the total assessed valuation for

Real estate in Salt Lake county will in the same county have an assessed valuation of \$\$17,523 greater this year. Weber county will be assessed on a valuation, on real estate of \$70,277, and

Salt Lake county shows great increases in the valuation of merchandise assessed valuation this year. The total assessed valuation this year of real es-tate, improvements, live stock, mer-chandles, machinery and other proper-\$971,602. Utah county shows an in-treased valuation of \$106,220 in machinery and of \$213,663 in money and cred-its. Weber county in money and cred-

DESERET EVENING NEWS: WEDNESDAY, JUNE 19, 1901.

ow in his footsteps, if they would obtain eternal life. The quartette sang, "Not Half Has Ever Been Told." and then remarks eulogistic of the deceased were made by

Bishop B. M. Lewis of Logan, Bishop George Romney, President Angus M. Cannon, Apostle Heber J. Grant and Henry Dinwoodey. In conclusion the quartette sang, "Jesus Lover of My Soul," and the ben-ediction was pronounced by Prest, Sey-mour E. Young, A large courtege fol-

lowed the remains to the city cemetery and the grave was dedicated by Elder William Sanders.

AFTERNOON MINING CALL.

Daly-West Higher-Ben Butler Strong -May Day Slumps.

The feature of the afternoon call was the slump in May Day, which declined from \$1.96 to \$1.90%, and sold even low-er than that after the call. Daly West sold as high as \$43.75 on the exchange with sales reported on the curb at \$44.00. Lower Mammoth was a little weaker, while Ben Butler opened at 15 and fell off to 14%. West Morning Glory and ren on to 14.4. Ajax climbed to \$1.27 and weakened to \$1.23%, while Star Con. sagged to 45. Tetro was active at 15, with Martha Washingto selling at 6. Sacramento moved to up 87%. Closing quotations on the principal stocks were as follows:

Manager Jacobs of the Ben Butler confirmed the news of a strike in the mine published in another part of the "News," but says it is in the upraise from the tunnel level.

A. J. Seare, ex-deputy county clerk, has taken a position with the Henry Dinwoodey company as manager of the departments occupying the third

Today's clearings amount to \$777,205.41 as against \$330,691.26 for the correspondlay of last year. The increase of \$446 514, 15 is more than 130 per cent over last year's clearings.

Cheyenne, Wyo., June 19.-Several corps of surveyors in the employ of the Burlington railroad, who have been working on the line of the proposed extension of the Guernsey branch of the road to Salt Lake have been called in and all work has been stopped. It is the impression that the company has decided not to construct the extension.

COMING TO A FOCUS.

Plans for Pacifications and Harmonization of Great Western Roads. New York, June 19 .- The Herald says:

Far reaching plans involving the paci-fication and harmonization of the great railroad systems in the west and north-west have practically been completed. land. On very high authority it may be stat-First-There will be no further consolidation or passing of legal control of great railroad systems of the West.

Second-There will be no interchange of securities. Third—There will be no change in the legal status of the St. Paul and the northwestern systems.

Fourth-The great capitalists now in control of the Union Pacific group, the Northern Pacific group, the St. Paul system and the Northwestern system have extended and solidified the community of interest plan and while not acting as a synd/cate or a committee, will co-operate in a manner which will preserve peace. The arangements will be stronger than any of the old time

"Gentleman's agreement." The great capitalists will be in : measure a general board of arbitration. Much has been heard within a few days of a consolidation of the Union Pacific system and the St. Paul road in which the Chicago & Northwestern was also interested. It was stated that there was to be a purchase of the control of the St. Paul road in the interests of both the Union Pacific and the Chicago and Northwestern in the pursuit of the community of interest scheme. This, it is authoritatively learned, is not contemplated, but on the other hand, a sufficient interest in the stock of the St. Paul road will be acquired by the syn-dicate of arbitrators, which will fully insure the harmony of interest plan

now so nearly completed. The roads which will enter under the control of the central management are the Union Pacific roads, the Chicago, Milwaukee and St. Paul, the Chicago practiced: others are being figured on and will be sprung in due season." may succeed in bringing about this rail-& Northwestern on the one hand and the Northern Pacific group, composed of the Northern Pacific, the Great Northern and the Chicago Burlington & Quincy on the other.
